REPRINT OF PROPOSED REGULATIONS 1948 MINUTES pp. 28-31

EDUCATIONAL REGULATIONS

1. Students intending to study for the ministry of The Presbyterian Church in Canada should place themselves under the supervision of the Senate of one of the Colleges of the Church at as early a date as possible in their course of study. They must be members of the Church in full communion, and should apply to a Presbytery, through their own minister or some other minister who knows them intimately, for examination as to character, sincerity and general fitness for the ministry. The Presbytery, if satisfied,

[5005]

will certify such students to the Senate of the College of their choice, and such certification must be renewed each year throughout a student's course.

Ministers are urged to be diligent in giving appropriate counsel to students of their acquaintance looking forward to the ministry; and Presbyteries also are exhorted to exercise great care and thoroughness in their important duty of certifying students to a College Senate.

2. All students thus certified and registered in any College of the Church, whether they be in Arts or Theology, are required to be in communion with some congregation of the Church in the place where they are prosecuting their studies.

3. The regular course of training for the ministry of The Presbyterian Church in Canada includes the following requirements in Arts and Theology:

A. ARTS

- (a) University Matriculation (junior or senior).
- (b) A course of study leading to the B.A. degree in some recognized university.

In order to be assured of an adequate preparation for the study of Theology, a student should regard the following as a minimum equipment. In every case except Beginners' Greek the courses indicated must be of university standard, i.e., beyond Junior Matriculation.

Latin: To Senior Matriculation.

Greek: Beginners' Greek or Junior Matriculation Greek and one course in either classical or Hellenistic Greek.

Hebrew: One course.

Philosophy: Two courses.

History: Two courses.

English: Two courses (including English composition).

Natural Science: One course.

Students who for any reason have failed to include in their university studies the subjects named above may be admitted to Theology only after passing entrance examinations in the following subjects: Hebrew, Greek, Moral Philosophy, English, in addition to the examination in English Bible which is required of all students entering theology. (See below under Theology).

All entrance examinations shall be under the direction and control of a Board of Examiners appointed by the General Assembly, who shall set and examine the papers and report the results to the Colleges of the Church. Entrance examinations shall be held each year in the months of April and September, and may be written at Knox College, the Presbyterian College, Montreal, or at such other places and under such supervision as the Board of Examiners may approve.

Entrance Examinations shall not be required in any subject or subjects which a student has passed in his university course.

B. THEOLOGY

The course in Theology shall extend over three full sessions of six months each, or such other period as the Church may enact, and shall embrace the following subjects of study:

- (a) History and Philosophy of Religion; Systematic Theology; Old Testament Literature and Exegesis; New Testament Literature and Exegesis; Church History; Christian Ethics.

These subjects, all of which are of primary importance in a theological education, should remain central in the theological curriculum, and be given recognition and emphasis accordingly.

- (b) Homiletics, Pastoral Theology, Liturgies (including historical and critical study in the general subject of worship, practical training in the conduct of public worship, the celebration of the Sacraments, and other services).

In recognition of the fact that the theological colleges of the Church are maintained, not only to provide the Church with a scholarly ministry, but also with men trained in the practical duties of this office, it is necessary that the subjects included in this field of Practical Theology should be so distributed over the three years of the entire course in Theology that some substantial part of the field be covered in each year.

- (c) Church Law and Government; Religious Education; Christian Missions; Church Music; Church Architecture; Elocution.

Every student is required during his course in Theology to present a sermon, and a critical exercise in Greek or Hebrew, both of which, in addition to being approved by the Faculty and Senate, must also be presented to Presbytery when the student appears for licensure.

Before being admitted to the study of Theology, all students must pass an examination in the English Bible. This examination is under the direction and control of the General Assembly's Board of Examiners, who will prescribe the portions of the Bible selected for examination and report the names of successful candidates to the colleges.

4. Students applying to be admitted to Theology with degrees from recognized colleges or universities other than the B.A. degree, but which are regarded as its academic equivalent, may be received on fulfilment of the Entrance Examination requirements as set forth in Section 3.

5. Senates are empowered to admit to the study of Theology without a university degree students of more advanced years (in no case under twenty-five years of age on entering university), on condition that they pass examinations in a series of at least twelve full courses in Arts, all of which must be of full university standard (i.e. beyond junior matriculation) except Beginners' Greek, and on fulfilment of the Entrance Examination requirements as set forth in Section 3.

6. It is highly desirable that all students should complete their Arts course before entering on the study of Theology; and in no case except by permission of the General Assembly may a student be admitted to Theology unless he has completed at least three years of a recognized Arts course (i.e. beyond junior matriculation).

7. All students fulfilling the requirements as here outlined shall be entitled on the completion of their course in Theology to the diploma of the College in which they have studied.

8. Except by special authority of the General Assembly, Senates are not permitted to grant any concessions or exemptions to individual students.

The General Assembly may, however, on application through a Presbytery, prescribe modified courses, every such case being considered and decided on its own merits. When such modified course is granted and has been completed to the satisfaction of the Senate, the General Assembly shall be informed accordingly, and the student concerned may receive from the College a special certificate to indicate his standing.

9. At the close of each College session students in good standing are entitled to a certificate from the Senate to the General Board of Missions (if they wish to apply for a Summer Mission field) or to the Presbytery within the bounds of which they expect to reside during the summer vacation.

10. College Senates are required to report annually, either directly or through the College Board, to the General Assembly.

EDUCATIONAL REGULATIONS

The Board, after consideration of the returns from remits sent down to the Presbyteries, makes the following recommendations:

Section 1. Approved.

Section 2. Approved.

Section 3A. Amended as follows: that the subjects listed be considered suggestive rather than compulsory.

Students who have failed to include the subjects listed may be admitted to Theology through examination if in the judgment of the Senates of the Colleges these be considered necessary, the Senates to be the sole examining bodies.

Since Hebrew and Greek are necessary in the Theological course, students deficient in these subjects must satisfy the Senates of the Colleges by the end of the Fall Term for first year students that they have sufficient knowledge of these subjects to continue their theological course.

Section 3B. Amended as follows: "A critical exercise in Greek or Hebrew, or its equivalent."

Examinations in English Bible are required of all students entering Theology, these to be held at the end of the Fall Term. For Second and Third year students in theology these examinations are to be held at the beginning of the Fall Term. All examinations are to be under the Senates of the Colleges who will specify the portions of the Bible selected for examination.

Section 4. Amended as follows: "may be received on fulfillment of the Entrance Examination requirements as amended in Section 3A."

Section 5. Amended as follows: "on fulfillment of the Entrance Examination requirements as amended in Section 3A."

Section 6. Approved.

Section 7. Approved.

Section 8. Approved.

Section 9. Approved.

Section 10. Approved.

[5008]

Recommendation: That the attention of Presbyteries be drawn to the regulations of our Church as given in the Book of Forms (Section 202 b) regarding candidates for the ministry.

REPORT OF SPECIAL COMMITTEE ON CATECHISTS

(Minutes 1949, p. 64, I-5)

The Committee met in Knox College, Toronto, September 12, 1949, and agreed as follows:

(1) *Mr. J. G. Purcell:* That the decision of the 1948 Assembly remain unchanged (Minutes, p. 24).

(2) *Messrs. E. C. McLarnon, G. H. Moore, H. McComb, D. Mawhinney, J. H. Macartney, D. Forbes:* On account of the difficulty in establishing their academic status especially in the absence of credentials, the Committee felt that the wisest procedure was to ask that they do as many subjects in High School at as high a level as possible without unduly interfering with the practical work of their fields, and report back in the spring. The Committee would then be in a better position to recommend definite courses leading to ordination. Macartney was asked to complete his matriculation; Messrs. McComb, Forbes and Mawhinney were asked to include English and History among their subjects.

The Committee met again in Knox College, Toronto, March 21st, 1950, particularly in view of the fact that the Presbytery of Halifax and Lunenburg had questioned the decisions of September 12th as not fulfilling the desire of the General Assembly. It was agreed as follows:

Mr. James Macartney: That he be asked to place himself under the Senate of one of the Colleges, complete one full year in Arts, followed by three years intramural study in theology with exemption from languages.

Messrs. G. H. Moore and E. C. McLarnon: That they be asked to complete five subjects at the matriculation level to be followed by three years intramural study in theology in one of the Colleges with exemption from languages.

Mr. David Forbes: Reported to have entered the Baptist Church. No course given.

Messrs. D. Mawhinney and H. McComb: That they be asked to continue their work on High School subjects and report back to the Board of Education next year.

That they be informed of the following recommendations of the Committee to the General Assembly:

That in the case of a Catechist of forty years or over, whose standing is below matriculation, he be asked to serve under the appointment and direction of the Board of Missions for a period of ten years; that if, after the conclusion of this period, he has rendered acceptable service to the Church, the Board of Missions approach the proper authorities for his ordination.

Recommendation No. 6—*re* Long Term Budget Needs.

This matter was referred to the Board of Administration by the General Assembly of 1949.

In April, 1950, the Board of Administration committed this matter to the Stewardship and Budget Committee, authorizing it to hold the necessary conferences with Boards and Presbyteries.

The Committee has had no opportunity to report on this—and indeed cannot be expected to do so before the late Spring of 1951.

We would therefore recommend—that this be received as an interim report—that the instruction to the Board be continued—and that the Board be authorized to share its thinking on this matter with the Presbyteries and Synods, so as to prepare for a thorough discussion in the Assembly of 1951.

On motion of Mr. J. Dutton, seconded by Mr. E. W. McNeill, the report as a whole was adopted.

THANKS TO MR. J. DUTTON

REASONS FOR DISSENT

Mr. Lyall Detlor presented his reasons for dissent from the fifth recommendation of the Board of Evangelism and Social Action as follows:

[5040]

"I desire that my dissent be recorded for the following reasons:

- "1. My study of the Bible convinces me that the position of the Board's Article is not the Scriptural position, but that the Scriptures, by precept and principle, teach total abstinence.
- "2. I believe that the Board's position is fraught with personal peril to those who adopt it.
- "3. I believe that the Board's position cuts the nerve of all effective warfare against the liquor traffic.

W. Lyall Detlor."

PENSION BOARD

For the Pension Board, Mr. C. M. Pitts further reported and on his motion, duly seconded, the following additional recommendations were approved:

Rev. J. G. Berry, Presbytery of East Toronto, optional ratepayer, born May 25, 1880, age 70 years, 23 years, 2 months of service, be granted a pension in the amount of \$281.66 annually on retirement June 15th, 1950.

Rev. Walter Patterson, Presbytery of Peterborough, full ratepayer, born December 28, 1874, age 75 years, 30 years of service, be granted a pension in the amount of \$550.00 commencing on retirement November 5th, 1950.

Mrs. S. J. Macarthur, widow of the late Rev. S. J. Macarthur, full ratepayer, Presbytery of St. John, be granted a pension in the amount of \$325.00 annually commencing May 16th, 1950.

Mrs. Francis McAvoy, widow of the late Rev. Francis McAvoy, Presbytery of Victoria, full ratepayer be granted a pension in the amount of \$325.00 annually commencing April 14th, 1950.

Mrs. A. C. Stewart, widow of the late Rev. A. C. Stewart, Presbytery of Barrie, full ratepayer, be granted a pension in the amount of \$325.00 annually commencing June 11th, 1950.

OVERTURES NOS. 30, 35 AND 36

For the Pension Board, Mr. C. M. Pitts, Chairman, further reported re Overtures referred.

Overture No. 30. Synod of Hamilton and London, Re Pension Fund.

Inasmuch as the Pension Board has already reported to Assembly and has recommended an increase in pensions to a maximum of \$700 for 40 years of service on retirement after reaching age 70 for ministers and a maximum of \$350 for widows, to apply after July 1st, 1950, as being all the Fund can presently pay on account of the Assets, and because of the disturbance which would be caused in the present orderly financing of the Church through the Budget Funds if such drastic changes as suggested in this Overture were made in the present Regulations to provide for the necessary additional support of the Pension Fund, the Pension Board recommends that the prayer of this Overture be not granted. This recommendation was approved.

Overture No. 35. Synod of Manitoba, Re Conditions of Retirement:

Inasmuch as our Pension Fund has been designed as a Retired Ministers Fund, and that the rates paid by Ministers and benefits received as at present authorized are both based on this fact, the adoption of this Overture would change one of the fundamental considerations of

[5050]

the present Fund. Further, a Minister who retires on pension is not disqualified for such pension unless he accepts a call and returns to the active ministry of the Church as a minister in charge. If a retired minister is appointed to a field or is "stated supply" in a congregation, his status as to pension is not changed. The Board therefore recommends that the prayer of this Overture be not granted. This recommendation was approved.

Overture No. 36. Synod of Manitoba, Re Pension Fund:

Inasmuch as the present Regulations governing the sources of financial support of the Pension Fund are fully outlined in the Book of Forms and are divided as between what the Minister pays as Rates, the income from invested Funds from gifts and bequests, etc., 1% of the amount raised from all congregational purposes by such congregations of the Church who pay stipends or have the services of a minister, from the Boards or organizations of the Church who employ ministers in carrying on their work (on a sliding scale of percentages according to the amount of salaries paid) and further by 5% of unallocated Budget contributions for each year provided the Income Account does not exceed \$25,000 at the end of such year, when the Budget shall not pay less than \$5,000 in any event. It will be seen that congregations already pay their share of support to the retirement of the ministry of the Church out of their current expenses (the black side of the duplex envelope), the Boards and organizations bear their share for the group of ministers not in congregations but eligible for benefits from funds available either allotted Budget Funds or other resources, and the Budget (the red side of the envelope) bears its share which comes from the general unallocated benevolence of the Church towards the whole work of the Church. The Overture suggests a departure from these principles and the Board recommends that the prayer of the Overture be not granted, in the terms suggested, but that the Assembly do otherwise for the purpose by adopting the suggestion of the Pension Board, when concurred in by the Board of Administration,—"That the General Assembly authorize and instruct the Treasury Department to transfer each year direct to the credit of the Pension Fund before January 31st of each year an amount of rates equal to 2% below \$1,800; 3% over \$1,800 but less than \$2,500, and 5% on all salaries \$2,500 and over, of salaries of all ministers employed by a Board of the Church, or an organization directly under the control of The Presbyterian Church in Canada, this payment to be in lieu of the payment of rates directly by these Boards or organizations and not to be computed as any part of the 5% of the unapportioned Budget Contributions of that year, due and payable to the Pension Fund under the existing regulations. These payments by the Treasury Department are to be added to the expenditures of the Boards and organizations affected in addition to the budget allocations which such Boards or organizations expend for their other activities." This was approved.

REPORT OF THE PRE-ASSEMBLY CONGRESS

The report on the Pre-Assembly Congress was given in by Mr. A. N. Miller as follows:

In fulfilment of arrangements made by the 75th General Assembly in Kitchener in 1949, a Pre-Assembly Congress was held in MacVicar Memorial Church, Outremont, on June 5, 6 and 7, 1950.

The registered attendance consisted of 182 "regular" delegates, 119 delegates attending at no expense to the Committee, and about 200 of those

[5054]

appointed as commissioners to the 76th General Assembly—in total some 500 delegates. No attempt was made to estimate the unregistered attendance, but many ministers and others from outside the Montreal area joined with local church members in gatherings that taxed the capacity of the Church.

Leaders in women's work, and in the Y.P.S. and Sunday School, coming together on the national level for the first time in many years, contributed in great measure to the enthusiasm and energy manifested in all sessions of the Congress.

The principal Boards of the Assembly each assumed responsibility for a portion of the Congress programme, giving it the variety and quality that received the hearty commendation of the delegates.

The special speaker, Dr. T. F. Torrance, M.A., B.D., D.Theol., M.B.E., of Aberdeen, Scotland, brought great gifts to the inspiration of the delegates.

By formal resolution the delegates asked the Committee to express to the General Assembly their thanks that the Congress had been held—and their hope that a future Assembly would arrange another Congress for the inspiration of the leaders in the various departments of the Church's work.

A recommendation on the formation of a National Fellowship of Presbyterian Men, forwarded to the Secretary from one of the Discussion Groups, is appended to this report.

The Congress Committee asks that the General Assembly reinforce in a formal way the many expressions of thanks tendered by the delegates to those responsible for the Congress arrangements. The Committee is sincerely appreciative of the splendid cooperation of the Boards of the General Assembly, the Committee in Montreal Presbytery, the minister and office-bearers of MacVicar Memorial Church, and of all others whose combined labours made this undertaking worthwhile.

RECOMMENDATIONS:

1. *From the Congress:* (a) The formation of a National Council of Presbyterian Men; to promote interest in the general affairs of the Church and to coordinate the activities of many Men's Organizations in congregations and in Presbyteries.

(b) That the General Assembly establish as a Provisional Committee on organization, the lay members of the Board of Administration as constituted by the 76th General Assembly.

(c) That the General Assembly authorize the Provisional Committee to meet in the City of Toronto one day before the regular 1950 Fall meeting, and the 1951 Spring meeting, of the Board of Administration.

(d) That the Chairman of the Board of Administration be asked to convene the meetings of the Provisional Committee.

(e) That the Provisional Committee be authorized to add to their numbers and to issue in this matter.

[5055]

On motion of Mr. J. Dutton, duly seconded, this recommendation was referred to the Board of Administration.

2. (a) That the General Assembly record in their minutes the thanks of the Congress Committee and of the delegates—
—to the Boards of the General Assembly for their contribution to the Congress programme;
—to all persons who participated in the meetings—as speakers, group-leaders, reporters and in other capacities—for their valuable services;
—to the Committee on Arrangements in Montreal Presbytery, especially to the Billeting Committee, for its efficient arrangements that contributed so greatly to the success of the Congress;
—to the minister and office-bearers of MacVicar Memorial Church, and to other Presbyterian church members in this Presbytery, who in this church and in their homes received the delegates with hearty hospitality.

(b) That the General Assembly minute its appreciation of the services of Dr. Thomas F. Torrance both in the Congress and elsewhere in the Church.

(c) That the Montreal Gazette, the Montreal Daily Star and the Canadian Press (represented by Rev. D. H. Rayner) receive letters of thanks for the services in publicizing the Congress arrangements and in reporting its proceedings.

THE GENERAL BOARD OF MISSIONS

HOME AND FOREIGN

To the Venerable the General Assembly:

Since the reorganization of our Church's work in 1925 there has been one Board, chosen to have direction of the Mission work of the Church at home and abroad. This Board took the place of two separate Boards previously working independently. This change has proven its value in unifying the thinking of the Church in regard to missions. This has come now to be accepted as one work in one world.

Up to 1942 there was but one Secretary serving under the Board, and covering the whole field. In 1942, Rev. E. H. Johnson took direction of the work of Missionary Education, adding later, the Department of Visual Education. To the very great regret of the Board, Mr. Johnson resigned in 1947 to accept a position of larger responsibility in the United States. He was succeeded by Rev. Gordon Faraday, who carried on very successfully in a temporary capacity until September of last year.

In June last, Rev. James Alan Munro was appointed as Associate Secretary. A more equitable division of the work was then made, by which Mr. Munro became responsible on January 1st of this year for direction of the work of Home Missions and Visual Education, while Rev. W. A. Cameron was assigned the departments of Foreign Missions and Missionary Education.

For some years past the work of the Board had increased so greatly that it was found impossible during the days allowed for the Annual Meeting to give reasonable consideration to the work which had to be attended to.

Accordingly, for the March meeting of this year, the Board was divided into two sections, meeting for two sessions each day, separately, and coming together for the evening meetings. This made for much closer attention to all phases of the work.

OUR WORK IN CANADA

In Canada our work has gone forward in spite of the serious shortage of workers. Wherever we have been able to staff our fields there has been marked progress. The Maritime Synod has suffered severe hardship because of the lack of ministers, and it is a tribute to those men who are serving the Maritime congregations and our people there, that our work has been so well maintained. We have continued our share of responsibility for the Social Service Homes in Truro, Nova Scotia, and Coverdale, New Brunswick, and for the Prince of Wales College. The Rev. Dr. Frank Baird has given freely of his time and wisdom in the general field work of the Synod. The Church of the Maritimes is in good heart, but this year must see the appointment of a much larger staff if our work is to be maintained and expanded.

In Northern and Western Canada our work continues to go forward. The congregations in the Peace River area have made great progress, and our work there is in better condition than it has been for a great many years. The Rev. Gordon Bastedo and the Rev. R. A. Davidson have given much needed leadership to this area. Rev. George Dobie is now at our most northerly post—Fort St. John, and looks forward to extending the work along the Alaska Highway. New work in the Fraser Valley, B.C., both Anglo Saxon and Hungarian, is proceeding well. The institutions of the West: the Residence in Saskatoon, and Burning Bush Lodge, Carragana, continue to serve their constituencies and have now been joined by the Presbyterian Training School, Medicine Hat. A new Synod

Summer School has been added to the work in Manitoba, and coupled with it, is the course for the workers among our Indian folk.

Our non-Anglo Saxon Work, generally, has been increasing and improving. Three non-Anglo Saxon congregations in Ontario have become self-supporting. With an influx of Chinese to Canada from the Old Land, our Chinese Missions are busier now than ever. Special mention should be made of the work among the Chinese in Toronto and Montreal. This year will see the completion of the fine new Chinese centre in Montreal, and in Toronto Rev. Ching Ming Lee, loaned to us for the past two years, has given outstanding service. This year, too, will see our work at Tyndale House expand. For many years our building has handicapped our work. In spite of this, the work has gone ahead and preparations are being made for the move to the new building.

Our work among the Indians, too, becomes more interesting and telling. The change in the National organization of the Indian Department has given impetus to our Church work. Rev. W. W. Moore, Rev. J. Y. Garrett, Mr. Harry Crump, and Rev. Jas. Marnoch have given wise and faithful leadership to the people on the reserves which we serve.

The shortage of workers needs stressing over and over again. Where we have not been able to keep ministers in our fields of labour our work has suffered. Where there has been consistent leadership, our work flourishes. A greater zeal for recruitment backed by better material conditions for our full time workers should be evident throughout our whole Church. This means the spirit of our individual congregations must be right. The Presbyterian Church is in Canada to take its share of the responsibility in making Canada truly Christian. In the Spirit of Jesus Christ, the King and Head of the Church, we can do our part.

OUR WORK ABROAD

The political changes which have occurred throughout all our fields have not been without effect on our work.

We are very grateful that in India we have been allowed to continue our mission enterprise without hindrance. Indeed our missionaries tell us now that they cannot be thought of as having any connection with the political regime, there seems a greater interest in their message than previously.

We regret to report the resignation from our Bhil staff of Dr. W. R. Quinn, who for a longer period than any previous Doctor, continued as Superintendent of the Jobat Hospital. Never has the Board had a doctor who carried on his professional duties more skilfully, nor who had a greater zeal for the healing of the souls of men from the consequences of sin, than had this eminent physician.

Rev. A. E. Toombs of the same field felt it necessary to return to Canada for family reasons. He, too, has left behind him among the Bhils, a record of very faithful service.

The Jhansi field has been seriously understaffed for many years. We are glad to report the joining of the staff on part-time service, of Dr. T. Norton Sterrett, who had previously served in India, under another Church. For six months, Dr. Sterrett is on the staff of the Jhansi Bible School, while for the balance of the year his work takes him among Indian students. The field also welcomed two young recruits in the person of Rev. Russell Self, and his bride, who had gone to South India a year before. Mr. Angus MacKay, after a brief furlough, returned to India and to his field, with his family.

A new departure has been made in the decentralization of the work which formerly had been done mainly from Jhansi. One missionary reports that this policy has so changed the field that it could again be called Gwalior, its former name.

From British Guiana, Rev. Edward Bragg and Rev. John Elder spent six months in Canada, in which time they did very fruitful deputation work. The

British Guiana staff was increased by the appointment of Rev. Edward McPhee and Rev. B. F. Andrew to that field.

Rev. Allan Reoch who for several years rendered outstanding service in the field of Chinese relief has now returned to Canada.

Our two missionaries are carrying on in Yunnan. The Chinese Christians were greatly heartened by the decision of these young men to remain at their posts during the change over politically. In Formosa there has been no let-up in the busy lives of the missionary staff. On the Coast, new churches are being built and more meeting places opened. A much increased enrolment in the Theological College is reported.

We regret to report the passing of our veteran missionary among the Koreans, Dr. Luther L. Young. Though past the age of retirement, Dr. Young gladly returned to Japan, early last year, at the urgent invitation of the Korean Church. Though he became ill shortly after he reached there, his presence and visits to the remnants of earlier congregations did much to encourage his Korean brethren in their work of rebuilding. His was a fruitful life.

The direction of the work now rests with Mr. and Mrs. Rumball.

What of the Future?

At home and abroad larger work awaits our Church. As yet no doors have been closed to us. And new doors are opening. Our workers call to us for deeper consecration and for continuing prayer. The Church of Jesus Christ alone has the answer to the need of the world. May we be worthy of His trust in us.

RECOMMENDATIONS

A. GENERAL

1. That, the Quorum for the meeting of the Board at the time of the Assembly be eight.
2. That, inasmuch as the two Secretaries of the General Board of Missions have been placed on equal footing by the General Assembly of 1949; and, inasmuch as there seems to be no necessity of designating either as General Secretary; therefore the General Assembly relieve the Board of Missions of the obligation of making this designation; and in the matter of representation by this Board, in connection with the other Boards of the Church; or whenever such representations may be necessary, this be left in the hands of the Chairman of the Board and the two Secretaries, such representation to be by all of them, by two of them, or by one, as is mutually agreed by this Committee of Three.
3. That a conference with other Boards of the Church be held, and should the result be favourable, the General Assembly be asked to increase the present salaries of the paid officials of the Church by 15%.

B. HOME MISSIONS

4. That, the appointment of a Western Superintendent be held in abeyance for one year, to enable a comprehensive review of the needs of our Church in Home Missions.
5. That, the work of supervision of Mission fields, and Extension in the Western Synods be entrusted to two home missionaries, who shall operate from the office in Saskatoon, with closest co-operation, and under the supervision of Rev. J. A. Munro.

6. That, the grants for travel be regularized as follows:

Where the average Sunday drive, round trip over the year is		
Up to	20 miles	\$100
Over 20 miles and up to	40 miles	150
Over 40 miles and up to	50 miles	200
Over 50 miles and up to	75 miles	250
Over 75 miles and up to	100 miles	300
for Extension Work		

and that Presbyteries be asked to submit mileage when they submit requests for travel grants.

7. That the remuneration paid to students serving on summer mission fields be increased to \$20 per week, plus room, board and travelling expenses; That additional allowance of \$5 per week be paid to those students who are married.
8. That the General Assembly be requested to designate a specific sum for augmentation grants each year, and that the Home Missions Secretary, in conjunction with the Secretary of the Board of Administration, be requested to prepare an estimate of the amount required to implement, on a 20% basis, the proposed augmentation plan, now being considered by Presbyteries.

C. FOREIGN MISSIONS

9. Because of a situation of tension in the field of British Guiana, which it has not been possible to overcome by correspondence, the Foreign Mission Secretary be asked to visit this field at as early a date as possible.

All of which is respectfully submitted.

G. DEANE JOHNSTON

Chairman.

W. A. CAMERON,

J. ALAN MUNRO,

Secretaries.

The report of the major activities of the Board for 1949 are herewith appended.

HOME MISSION REPORTS

THE SYNOD OF THE MARITIME PROVINCES

The present Home Missions situation in the Synod of the Maritime Provinces is not encouraging, largely because of our need of men. It seems that now this applies to the East in a greater degree than to the West; in fact, the greatest need in the Maritimes is found today in Presbyteries in which our work was well established years ago. The best instance of this condition is the Presbytery of Pictou, a Presbytery that has an outstanding record in the history of Presbyterianism in this land. Pictou can truly be called the cradle of Canadian Presbyterianism, and almost of Canadian letters. Pictou county for generations was probably the strongest Presbyterian community in Canada. Presbyterianism was first on the ground, and was the dominating force in Pictou for a long time. Pictou claims the honor of being the birthplace of the first Presbyterian theological school in Canada. A Home Mission Board was founded in 1840, and Foreign Missionary enterprise was launched in 1845, and Dr. Geddie, the first missionary of the church, was sent out the following year. From that time onward for at least seventy-five years, Pictou Presbyterianism made a notable contribution. Even ten years ago there were twenty-one ministers in self-sustaining and augmented charges in the Presbytery of Pictou. Today there are nine, but this number is augmented by two graduates of last year and two catechists. There are today eleven congregations without settled ministers in Pictou Presbytery, and yet when we make comparisons in the same way as a year ago, we find that in 1949 we had more elders, more families, more money paid in stipends, more raised for all congregational purposes, more raised for Budget, more raised for benevolent purposes, more raised by W.M.S., and over \$33,000 more raised for all purposes than in 1939. Victor Hugo said of the old guard at Waterloo that "when diminished in numbers it increased in courage." Much the same might be said of the loyalty and the increased effort manifested by the men who continue to hold the fort in a Presbytery so depleted of ministers. When the broken ranks are filled again, Pictou should experience a real renaissance.

The Island Presbyteries of Cape Breton and Prince Edward report that the work has been maintained at a steady pace. Each has three vacancies. In most of these cases ministers whose charges are near to these vacant fields are able to give some supply and to keep the church doors open. In Cape Breton a new church was dedicated at Indian Brook last summer; this is one of the three points in the North River and Shore charges. Plans are under way for the dedication of another church in Cape Breton in July. This is at Little Narrows, where an attractive rural church is about completed. The work has gone forward without any appeal to the Boards of the Church, or any other source, for financial assistance. The local response has been excellent and some friends abroad have helped, so that it has not been necessary to borrow a single dollar on the building project, and it is hoped that at Dedication the church will be free of debt. In Prince Edward Island much the same applies to the building of a manse at Clyde River. Two-thirds of the cost of about \$6,000.00 has already been paid and it is expected that there will be little, if any, indebtedness when the manse is ready in June. This work has gone forward notwithstanding that the charge has been without a minister for some time.

The Presbytery of Halifax and Lunenburg shows gains in membership and in givings during the past year. All eleven charges are at present supplied, two of them by catechists from Ireland. There is now under consideration a plan to strengthen one of the Mission Fields of the Presbytery and form a congregation. A church building is being moved from one point where the cause was very weak, to another, which is a much more promising location, largely because of the

number of young people who are there. The prospects are bright for building up a cause if a suitable man can be secured.

The two New Brunswick Presbyteries report progress, and especially Miramichi. New churches have recently been built in New Brunswick. Moncton, in the Presbytery of St. John, now has a church building that is a credit to the Presbyterian cause in that important railway centre. In the Presbytery of Miramichi a new church has been erected at Bathurst. After worshipping in the Orange Hall since 1925 until recently, the congregation has erected a \$35,000 brick building on which the debt is only \$5,000. At Tabusintac a new manse was recently built, and at New Jersey, one of the points in the same charge, plans for a church have been approved by Presbytery. In the Sunny Corner charge a building has been purchased for a manse and is now being renovated for that purpose. This charge became self-sustaining last year. A re-arrangement of fields which was effected in this Presbytery over a year ago appears to be working well, although at present there are no men to supply them. One of these charges, which comprises the town of Chatham and two rural points, is hoping strongly for the appointment at this time of one of this year's graduates. The latest summary of Budget receipts for the whole Church shows that the Presbytery of Miramichi was one of fifteen Presbyteries that exceeded their allocation in 1948 and also 1949.

The Presbytery of Newfoundland continues to show gain in membership and in givings. The Budget summary referred to above shows that the highest percentage of budget raised by any Presbytery of the Church in 1948 was by the Presbytery of Newfoundland. It was shortly after the last annual meeting of this Board that Newfoundland became a province of Canada. Closer national unity should make for a more intimate relationship between the churches.

A word of praise should be spoken for the students who man our summer fields and render such excellent service to the church; also to a number of catechists from abroad, mostly from Ireland, who are labouring within our bounds and giving a good account of themselves. It should also be mentioned that in the Maritime Synod there are a number of churches whose doors would be closed were it not for the service rendered by deaconesses. I should like again to make a special mention of a great servant of the church who continues to give valuable assistance to the Presbyteries of New Brunswick at this time when he should be resting from his labours. This is none other than Dr. Frank Baird, former Assembly Moderator, and Clerk of the Synod of the Maritime Provinces for at least twenty years. Dr. Baird is a tireless worker who goes on serving the Church with complete self-disregard and untiring devotion.

A brief visit by Dr. W. A. Cameron to the Maritime Provinces last fall had a stimulating effect. As always, Dr. Cameron brought encouragement and hope to our weaker and sometimes discouraged groups. The more extended visit of Rev. James S. Clarke of the Board of S.S. and Y.P.S. made a permanent impression. His sincere and inspiring addresses will long be remembered.

We realize that a great challenge faces us in the Synod of the Maritime Provinces. There are many hopeful aspects in the picture, but there are obstacles that seem unsurmountable. There is not only heathenism abroad but there is too much paganism at home—but there is One Who said, "All power is given unto Me, go ye therefore." As soon as that power of Christ is applied to the problem, then things impossible with men are possible with God. This is the dynamic that moves mountains, and if God is for us we have no right to lose heart.

I know of a land that is sunk in shame
Of hearts that faint and tire;
And I know of a name, a name, a name
Can set that land on fire.
Its sound is a brand, its letters flame;
I know of a name, a name, a name
Will set this land on fire.

SYNOD OF MONTREAL AND OTTAWA

The work in the Synod of Montreal and Ottawa has continued in the normal way for the past year. During the summer of 1949 most of the mission fields were occupied by students and others, and the Sacrament of the Lord's Supper was dispensed in them all.

VALCARTIER, BREAKEYVILLE, ETC.

We were sadly disappointed regarding the appointment that was made by the Mission Board last year of a Catechist from Ireland. Something happened and he never arrived. Consequently, that whole section of the country, comprising the fields of Valcartier, Breakeyville, Charney, Levis, Jersey Mills, was left without Church services for the summer excepting an occasional service given by myself and others. It is of the uppermost importance that an ordained man be appointed to that field for this coming year. The manse at Valcartier has been renovated and will now be very comfortable, and the Presbytery of Quebec is very insistent that an ordained missionary be now appointed there at this meeting of the Board.

VAL D'OR

At Val d'Or the people have undertaken to erect a Church building. I know of no place in the Dominion of Canada where a Church is as much needed as at Val d'Or. The estimated population of the town is 10,000. The estimated Protestant population is 2,000. Some years ago the School Board of the Province erected a Junior School at a cost of \$70,000.00. Last year they erected a High School at a cost of \$400,000.00. There are approximately 400 children registered in the two Protestant Schools, and there is not a place of Protestant worship in the Town and no social centre where our people can congregate.

The Church planned will be a good one, 30' x 50', practically fireproof. It is one of the best locations in the Town, and our estimated cost is \$30,000.00, of which this Board has voted \$10,000.00. The people hope to raise another \$10,000.00, and the Emergency Fund Committee of the Synod of Montreal and Ottawa is endeavouring to raise another \$10,000.00.

CHINESE WORK, MONTREAL

The building in connection with the Chinese Mission in Montreal is progressing satisfactorily. We originally started out with the idea of a building which would cost about \$40,000.00, but building prices increased to such an extent that this building when completed, without furniture, will not cost \$109,000.00; at least, we have that much money in sight for its completion. The probabilities are that the contractor will finish his work by the end of April, and it will then be a matter of securing furnishings. It will be a grand building when completed, and ought to add greatly to the progress in our Chinese Mission which is being enthusiastically conducted by Rev. Paul S. Chan, Miss Muriel E. Judd, Deaconess, and Mrs. G. P. Louie.

ITALIAN

The Italian work is making splendid progress under the Minister, Rev. Mariano Di Gangi. The new Church building was erected in 1942, which was a new stimulus to the Italian Mission. For over fifty years they had carried on in Church basements, abandoned stores, etc. The erection of a new building brought new life to the whole Mission. This has been ably led by Mr. Di Gangi since he became minister there.

During the past year very extensive improvements have been made to the Church property, a permanent substantial fence placed around it for protection;

the interior of the Church decorated and enlarged by the erection of a vestibule on the outside which has set free considerable space in the inside.

This year they plan to apply for a status as an augmented congregation and it is likely that their minister will be called and inducted.

FRENCH WORK

The French Mission to quite an extent has merely marked time during the past year. At the meeting of the Mission Board in 1949 it was arranged that all the property held by the Presbyterian French Mission Committee should be turned over to the Mission Board. This has been accomplished. It was also arranged that Rev. J. A. Smith should be set free from the pastoral charge of Eglise St. Luc and appointed Missionary-at-large throughout the Province, and a certain Rev. Andre Poulain was to come from France to take charge of Eglise St. Luc. Mr. Poulain has been refused admittance to Canada by the medical authorities. It seems that he had some injury or sickness a good many years ago, and he has failed to pass the medical examination. As a result of this, Mr. Smith has continued his ministrations in Eglise St. Luc, but along with this has done considerable exploring through the Province.

By the assistance of the Mission Board, a Church for French work has been purchased at Melbourne, Que., which is a most strategic centre for the whole of the Eastern Townships of the Province. It is to be hoped that some one will be found at an early date to replace Mr. Smith in Eglise St. Luc and that he be set free for a wider mission through the Province, for which he is admirably suited.

Mr. Giguere continues his work as usual in a room in the Montreal City Mission for which the Board pays the rent.

RE TYNDALE HOUSE

The Tyndale House, Montreal, carries on its work as usual. This is a most important mission and should receive increased financial support. Especially important is their summer camp work at St. Andrew's East. The buildings in which the work is carried on in Montreal are very inadequate and are not a credit to The Presbyterian Church in Canada. It is hoped that this condition will soon be remedied by new buildings being erected.

OFFICE WORK

My office work continues as usual. The Presbytery of Montreal and Synod continue to supply me with a Secretary, which enables me to give very much closer supervision to the whole Church work within the Synod than otherwise would be possible.

Again, I wish to mention the perfect harmony and co-operation which I have had during the past year with all the ministers and other leaders in Church work within the Synod.

Respectfully submitted,

ALLAN S. REID,
Synodical Missionary.

THE SYNOD OF HAMILTON AND LONDON

The reduction in the amount of grants required was the most impressive characteristic of the work in the Synod of Hamilton and London. Grimsby last year had a grant of \$420, this year requires none. St. Enoch's, Duart, the Hungarian Church, Windsor, all received grants in aid last year—require none this year. St. Columba and Knollwood Park have asked for greatly reduced grants. The extension work at Sarnia is particularly notable. Paterson

Memorial, daughter church of St. Andrew's, is now a strong congregation in its own right and with St. Andrew's has given fine help and leadership to the two mission charges, Laurel Lea and St. Giles. These two missions are being joined to form an ordained mission charge. Their future looks very bright. New areas are being surveyed with a view to keeping ahead of community developments.

REV. JAMES FLEMING.

SYNOD OF SASKATCHEWAN

The year that is past showed a great deal of activity and advancement in the Synod. Congregations have increased in membership and become more firmly consolidated in their outreach; the people are being aroused to the challenge of new vistas of the Church's work; and many other things have happened to give us great encouragement.

To mention one or two things in this regard. Your attention is drawn to the fact that Moose Jaw, Knox, is now self-sustaining. This is a matter of great rejoicing to those who have watched the upward struggle of this congregation during the past years. And our congratulations should go to Rev. Wallace MacKinnon whose kindly yet vigorous ministry has had far-reaching results.

Another matter of encouragement is the way in which the congregations are viewing the new minimum requirements of the Stewardship and Budget Committee. This is an indication to us of the new vision which many congregations have caught under the leadership provided by the Church.

But the picture is not entirely a rosy one. Those of us who have been engaged in the study of the overall picture see with certainty that the Presbyterian work in Saskatchewan is still very much a missionary work. We are still working on the fringes of settled church work, and we have only too few to carry the burden.

We are being asked to give services at many country points, and do so when able. Let me cite another illustration. Rev. E. H. Lockhart, long retired, is preaching four times a week during the winter, and seven times a week during the summer. Rev. A. A. Downey, although advanced in years, has four points to preach in each week, which calls for nearly 100 miles of driving each Sunday. Yet these men rejoice at the opportunities available for the preaching of the Word of God. But soon we are going to need replacements for these and other workers to do the work.

Then sometimes we find a man who is really isolated, such as Rev. W. W. Moore, who has carried on our mission to the Indians at Mistawasis for some 27 years. Who will replace him when his services are no longer available?

Turning to another area, we, too, are having to cope with the situation created by expansion of our cities. This has caused us great concern, because of the shortage of man-power.

However, a bright light is beginning to shine in the north at Carragana in the Burning Bush Lodge. This year the enrolment is higher and the prospects for the future are much brighter. It is wonderful to see the effects of this Christian Witness in the community. Yet even here something must be done. Rev. George Johnston is leaving in May to take on the work at Flin Flon. It is imperative that we have a replacement for him to assist in the double work here to keep the light burning brightly.

The work in Western Canada is not easy or light. It is stiff work and requires men of vision and stout hearts. But when we look back into the past and examine the men of the present, we take heart that God will yet raise up labourers for His Vineyard.

REPORT OF YEAR'S WORK IN SASKATOON PRESBYTERY

The work in this field was begun on June 1, 1949. After several weeks of initial work, hospital and home visitation, it was a privilege to attend the Synod of Saskatchewan Summer School held here annually in the first part of July. It proved to be an opportunity to meet the young people of the province in a truly Christian fellowship way.

During the latter part of July and August vacation schools were conducted within the bounds of Presbytery. North Battleford, Parkview and Mayfair Churches were the locations of these schools.

When fall began, a complete survey of the Mayfair area in Saskatoon was carried out. In Mayfair Church we have started a Mission Band Group for the girls and boys of the area.

Since September, Thornton Sunday School has progressed favourably.

Apart from these districts, the ministers of both churches in Saskatoon have given me lists of the shut-ins of their specific congregations. Coupled with the hospitals and homes for the aged along with Mayfair and Thornton districts, I am able to report on the average of 12 visits per week completed.

During the year I had my first experiences of attending Presbytery, Synod, and Presbyterian meetings. These times were periods of concrete learning for me.

GLADYS M. DICKSON,
Deaconess.

SYNOD OF ALBERTA—REPORT FOR 1949

In spite of the inevitable difficulties that stem from the lack of an adequate supply of men, the work of our Church in Alberta is making encouraging progress—progress that could be multiplied many times if we had sufficient resources of men and money. Where we have men stationed, the congregations are growing, and in many places grants are being reduced. In a number of areas there is remarkable scope for new work.

CALGARY PRESBYTERY

Medicine Hat. Here we have established the new Presbyterian Training School, an adventure of faith that should produce much fruit in our mission work. The superintendent is conducting a north-side Sunday School in the School and services at the Government Station of Suffield. A new irrigation project is expected to bring 10,000 new settlers into the empty miles around the city, presenting a new challenge to our Church.

Lethbridge. A Sunday School has been started in the Victoria Park area of Lethbridge. This work could be the nucleus for a new Church. A grant of \$300.00 is requested for the purchase of lots in this district.

The Hungarian work at Lethbridge and Taber is making excellent progress under Rev. Mr. Orth. The people are contributing well towards his support. *Calgary.* Hungarian. The Hungarian work in Calgary is increasing and plans are under way for a new Church building.

Chalmers, Pleasant Heights and Springbank. A new Church has been built and dedicated at Chalmers in N.E. Calgary. A good Sabbath School and mid-week work has been established, and the people have shown a desire to have Church services also. A church building is required at Springbank, and Presbytery requests a grant of \$1,000 and a loan of \$1,000. An ordained man is requested for this field.

Banff. About four years ago the work at Banff was almost on the verge of disappearance. Mr. Blackburn was appointed and a new manse was built. Considerable money was poured into Banff, but this is now either all paid back

or in the process of being paid back. The Church building has been greatly improved. The Church membership was increased 50% in 1949. This spring it has moved up to augmented status by calling Mr. Blackburn.

High River. The congregation at High River has been the unfortunate victim of malnutrition and starvation by virtue of inadequate ministry. The work is now in serious condition, but it is not yet hopeless. Given immediate treatment there could be a good work there. More neglect will cause it to expire. Needed besides a good man is a new church building and a good house.

RED DEER PRESBYTERY

Willowdale. Mr. Suiters, an Irish Catechist, is doing excellent work on the Willowdale field. A new church building is to be erected this summer.

Rocky Mountain House. In five years the congregation has increased its stipend from \$600 to \$1,700, as well as making extensive improvements to the church and to the manse. There is a big work to be done in the school districts surrounding Rocky Mountain House, following up what was done by the Deaconesses in the days of the W.M.S. Hospital. The Presbytery desires a Church on Wheels for this work, so that the Church may go to the people.

Over 1,500 lbs. of food and clothing were sent from congregations of the Synod to the Chippewa Indians near Rocky Mountain House. The Government is building a school on the Cree Reservation this summer and will give serious consideration to any recommendations the Presbyterian Church may make re teacher. A free house and good pay will be provided.

EDMONTON PRESBYTERY

Edmonton Presbytery is the Synod's problem child. Like a young child it is practically limitless in the opportunities for development. The problem is to meet these opportunities adequately with limited resources. In addition to the need in the ten points on the Earlie and Ganton fields, and at Chauvin and at Wainwright, there are the amazing opportunities presented in the stupendous growth and development of Edmonton itself. The Home Missions Committee of the Synod of Alberta recommends that the Board of Missions consider Edmonton as an exceptional point in Canada and treat it accordingly.

From 91,000 in 1940 the population jumped to over 140,000 in 1949. New industrial projects already undertaken or planned include a \$10,000,000 oil refinery, a \$3,000,000 refinery for propane gas, and a \$15,000,000 pulp and paper mill. The oil fields in the districts surrounding Edmonton average a new producing oil well every three days. The building boom in the city has been described as the greatest in America. The 1950 building program is rated at \$90,000,000.

The Roman Catholic Church is building two \$150,000 churches, the Anglicans a \$250,000 Cathedral, the Mormons a \$175,000 building, and the United, Nazarene and Pentecostal Churches are spending thousands of dollars on new or enlarged buildings.

What of our own Church? We have two lots in the Glenora district and two lots in the Bonnie Doon district. We must build on them right away or we shall lose them. Both these districts are large new housing areas where no other church is at work. We already have a thriving Sunday School in operation in the Glenora district. At present this district has a postal population of 1,500. There are about 650 homes and it is expected the number will reach 1,500 in a year or two. There are two large public schools with a present enrolment of 1,000. The Bonnie Doon area is a similar district in another part of the city. In addition to these areas, it is worth reporting that a University Professor recently asked the Convener of Missions in Edmonton Presbytery if we could start a church in the Windsor Park district, just west of the University.

These are opportunities that are before us now. The time to seize them is limited. The Church we will have in Edmonton ten years from now depends in large measure on what we do in the immediate future.

PEACE RIVER PRESBYTERY

The Peace River Presbytery seems to have achieved a greater degree of stability than it has known for some years. This puts it in a position for going forward to still greater accomplishment. One of the challenging tasks before it is the opportunity for service among the scattered settlements along the Alaska Highway. The Presbytery is alive to the need and hopes to be able to make a beginning this year in this important work.

R. A. SINCLAIR,
Convener of Missions.

IMMIGRATION

During the year 1949, 95,217 immigrants arrived in Canada, a decrease of 24.1% compared with the preceding year. This decrease was chiefly in British, Dutch, and Jewish immigration. The British decline of 51.8% was no doubt due in part to the money restrictions, but in all cases the main trouble lay in the increasing difficulty in securing suitable employment, or, indeed, employment of any kind. With approximately 400,000 out of work in Canada, the Department of Immigration is proceeding cautiously, and the supply of labour is being regulated by the demand.

Our first duty is to meet the immigrants at the ports. For this special work we have Miss Hilda Blackwell at Montreal and Quebec, and Mrs. George E. Ingraham at Halifax. Mrs. Ingraham succeeded Miss Ella Forsyth who resigned last September to take up other duties. In the interim, Miss Jessie M. Dawson carried on the work very acceptably. It is not known yet to what extent the Port of St. John will be used next winter and we, therefore, renew our recommendation of last year, that the Committee be authorized to provide for the work there when the immigration traffic justifies it.

In addition to the personal greetings at the ports and railway stations, letters of welcome were sent to the immigrants. The names are obtained from various sources, but the most authentic list comes from our Liverpool representative, Rev. J. B. Kat. He takes only the names of Presbyterian immigrants which he gets from the Ship's Manifest and from personal interviews at the pier, and he airmails them to the Montreal office. We have these before the boat arrives. Last year he included in his lists the passengers who sailed on the S.S. "Aquitania" from Southampton.

Yet, important though this work may be, it is preliminary to the welcome given by the Churches when the immigrants reach their destinations. In order that this may be effective, the names of the newcomers are sent to the Ministers and to the Welcome and Welfare Department of the Women's Missionary Society. At the request of the Dutch Immigration Committee, we hold back the names of the Dutch immigrants proceeding to any of the fifty-eight centres where there are Christian Reformed Churches. Altogether we submitted 4,702 forms of advice regarding immigrants or supposed immigrants, most of them Presbyterians. Of this number, 1,583—over one-third—went to the Churches in Toronto. This is not surprising in view of the fact that more than half of all the immigrants who came to Canada in 1949 settled in the Province of Ontario. The number was 48,607. The Province of Quebec received 18,095; but they were mostly Roman Catholics, Lutherans and Jews. Scattered through the Western Provinces, there were 25,778, Alberta getting the largest share. Comparatively few went to the Maritimes—only 2,777 for all of the four provinces; and this includes 661 from the United States, whose names and addresses are not

available. Of the limited number who were Presbyterians, some were unavoidably lost to us, having gone to areas where there was no Presbyterian Church at all.

From the meagre reports received, we learned that 591 immigrants signified their intention of attending Church and 78 had actually joined. Most of this increase has come from the British, but there have also been gains from other sources. Although the majority of the Dutch settlers have gone into their own church, a considerable number have come to us, chiefly in districts where there is no Christian Reformed Church. A Dutch family of ten joined our Church in Elmsdale, N.S., and three of the boys are singing in the choir. Another Dutch family who settled near Hemmingford in the Province of Quebec have joined our Church and are attending regularly. Other similar cases might be cited. It is estimated that about 10,000 Dutch immigrants will come to Canada in 1950, and as a Church we have more to hope for from this movement. Two years ago the Synod of the Dutch Reformed Church in the Netherlands passed a resolution commending their people to the care of the United Church and two Dutch ministers came to Canada to promote matters to this end. At a recent meeting of the Dutch Immigration Committee held in Trenton, it was decided to ask the Synod to rescind this motion and to leave the immigrants free to affiliate with the Presbyterian Church if they desired to do so.

About 80% of the Displaced Persons are Roman Catholics, Greek Catholics and Hebrews; and 80% of the Protestants are claimed by the Lutherans. Our Church, therefore, cannot expect any substantial benefit through this movement; nevertheless, some of them have affiliated with our Church and become intensely interested. Two Hungarian girls are singing in the choir of Stanley Church, Montreal, and are active in the Young People's work. Three others, who are Latvian, have identified themselves in a similar way with St. Andrew's Church, Quebec. Near New Glasgow, N.S., there is a colony of Estonians, numbering nearly 100 men, women and children. Our Church is taking an active interest in these people. Twenty-two of them attended a service in our Church in Hope-well the first Sunday they were here, and all members of the Church who were present gave them a cordial welcome. If we had returns from all over Canada, we should no doubt find much to encourage us even in this field of immigration.

Although our activities are mainly concerned with receiving the people who come forward under the various immigration schemes, we have gone far beyond that. The office has become a bureau of information on all matters pertaining to the welfare of immigrants. We have enquiries concerning employment, housing, hospitalization, and after care, in which we are closely associated with all local and Dominion-wide organizations dealing with immigrants. We have found work for a number of British immigrants on their arrival in Canada and also for a few Displaced Persons who had completed their twelve-months' contract with the Canadian Government. We have also been instrumental in a few cases in enabling parents in the camps in Germany to join their children under the Close Relative Scheme. The gratitude of these people has been very touching.

Our greatest contribution in this respect, however, has been on behalf of Ukrainians. Through the co-operation of Rev. Michael Fesenko, Rev. Leo Buchak, and Rev. J. Jacenty of the Ukrainian Presbyterian Church, sponsors were found for about 250 families, 30 of whom are now in Canada. In this work we have had splendid help from the Department of Immigration, the Department of Labour and the International Refugee Organization, who have given our Church preferential treatment. While the International Refugee Organization pays the ocean fares, the rule is that the employers must pay the cost of inland rail transportation and be reimbursed from the wages of the immigrant. Our sponsors could not, or would not, assume that responsibility and, on representations that we made to the Department of Labour, they agreed to take care of this.

Our Committee has not been in such close touch with the Hungarian movement, which is under the direction of the Christian Settlement and Rehabilitation Board at Calgary; but we have co-operated as fully as possible. The Board cannot take care of all the Hungarians who desire to come to Canada; and, a few months ago, the Rev. Dr. K. D. Toth made an appeal to the whole Church. I do not know what measure of success attended his efforts.

One of the most interesting parts of our work has been our association with Chinese immigration. In 1947, an Act was passed by the Canadian Parliament permitting Chinese who are naturalized Canadians to bring their wives and children up to 18 years of age. As a result, the number of Chinese immigrants increased from 74 in 1948 to 797 in 1949. This Act, while a move in the right direction, does not go far enough. The age limit for children is too low and a Bill promoted by the Chinese Communities is now before Parliament requesting that it be raised to 21.

Pressure is now being brought to bear on us to enlarge the scope of our activities. A letter from the Canadian Council of Churches was recently passed on to the Committee by the Sub-Executive of the Board of Missions, asking our Church to undertake to place a number of Displaced families in the Camps in Germany and Austria. When it was announced that the International Refugee Organization would cease to operate on June 30th, 1950, the World Council of Churches was greatly perturbed. There did not seem to be any hope of clearing out the camps in that short time, for there are still about 600,000 Displaced Persons for whom the I. R. O. has accepted responsibility, and approximately 10,000,000 refugees who do not come within their mandate at all. The I. R. O. has decided to continue its activities for another year; but, even so, the matter is urgent. The Committee was sympathetic with the appeal, but they felt that the undertaking was more than the Church could assume. They were of the opinion that, if we could continue and, perhaps, increase our service for the Ukrainians for which we have the organization set up, it would be a worthy contribution to this humanitarian work. With a view to ascertaining the reaction of the Church, I was instructed to write the ministers, Clerks of Presbyteries, and the Presbyterial Secretaries of the Women's Missionary Societies, enclosing a list of ten families forwarded by the Canadian Council of Churches. The replies received so far indicate the possibility of placing only two or three, but considerable interest has been manifested.

In concluding this report, I desire to express my appreciation of the support which I received from the Board of Missions and from the Immigration Committee under the Chairmanship of the Rev. E. J. White. I should also like to thank the ministers and elders of the Church and the Women's Missionary Society, East and West, for their co-operation in visiting the people whose names were sent to them from time to time. Although there were many disappointments, the results on the whole are very gratifying.

H. R. PICKUP,
Director.

CHINESE IN CANADA

Looking back over the past year we have great reason for giving thanks to Almighty God for His many blessings on our work among the Chinese in Canada. The continuing chaotic conditions in China are tending to turn Chinese thinking more and more to Him and the gospel message of His Son Jesus Christ our Lord.

Fifty years ago, John Hay, U.S.A. Secretary of State, said, "Whoever understands that mighty land (China) socially, politically, economically, religiously, will hold the key to the world policies for the next five centuries."

Last year, Dr. T. C. Chao, Dean of the School of Religion in Yencheng University, made this statement, "The communists themselves have no use for religion, neither Christianity nor any other faith. They openly declare that it is the opiate of the people, founded upon the dreams of the human imagination. The Christian churches are, therefore, being challenged. What the church did through its saints, apostles, heroes, and martyrs in meeting crisis after crisis should give the lesson and the encouragement."

Our Mission in Canada is not only helping to make the Chinese here in Canada, as Justice Stackhouse said recently in Montreal, "worthy, law-abiding, citizens of this land", but also, by our many Christian contacts with China, helping, by "lesson and encouragement", to meet the present materialistic menace there, and the serious challenge presented to the church.

Reviewing the past 25 years since the disruption of our church, the work among the Chinese shows commendable progress. During that time Sessions have been elected, and Boards of Management, W.M.S. Auxiliaries, choirs, clubs and missionary groups among the young people and children, formed. The Chinese, today, are acting as officers and teachers in the Sunday School, and leaders in the various other departments. More and more they are accepting responsibility. Prior to 1925 little or nothing, financially, was given for the care of their own work. Today all Chinese congregations contribute to the Budget of the Church and the W.M.S., and to the stipend of the minister. Victoria and Vancouver, particularly, now meet all the current congregational expenses, including taxes and insurance, as well as the cost of improvements and repairs to the property. It is a far cry from what was to what is. Each year sees some definite advance made.

During the year we had 14 workers in the field, of whom 8 were Chinese.

We were fortunate in being able to retain the services, for another year, of Rev. and Mrs. C. M. Lee in the Toronto Mission. Both have rendered excellent service. During their stay there has been a marked increase in church attendance. Mr. Lee, however, who has been doing post-graduate work here, is now under call to a church in Hong Kong, and plans to leave Canada in August. A new minister is required, therefore, to take over this work.

Owing to the appointment of Mr. K. Y. Dong to the Chinese Embassy staff, Miss Ruth Yan was appointed, in October, to carry on the Teaching-Preaching work at the Ottawa Mission. Miss Yan is a graduate of the Gin Ling Theological College in China. Under her care there are now 40 pupils in the S.S., and 10 teachers, and the attendance at the church service has more than doubled. While the Ottawa Mission is managed by a local Mission council, we have official responsibility there.

In addition to the regular staff there are many voluntary workers throughout the country without whose faithful and devoted assistance, in Missions, churches, and homes, we could not so successfully overtake the work.

We would also note here the help received from Rev. and Mrs. T. K. Chiu of China during their stay in Canada.

Once again the work among the children shows a most satisfactory increase in attendance in all four congregations.

Financially, last year, contributions of the Chinese congregations were the highest in the history of the work. Each year the Chinese are accepting increased responsibility. All congregations contributed to the stipend of the minister: Vancouver, \$600; Victoria, \$600, \$100 over the previous year; Montreal, \$100; and Toronto, \$200. This is the first year Toronto has assisted with the stipend. Altogether \$664 was sent to the Budget. This is the highest amount ever given—Vancouver, \$316; Victoria, \$254; Toronto, \$57; and Montreal, \$37. \$312 was also sent to the W.M.S.: Montreal, \$49; Toronto, \$81; Victoria, \$74; and Vancouver, \$108. \$120 was sent to the Bible Society, and China Relief.

This makes a total given for others of \$1,096. In addition \$1,650 was raised by Vancouver for improvements, repairs, and running expenses, and \$1,417 by the Victoria Mission. This growing interest on the part of the Chinese is indeed most heartening.

The corner stone of the new Montreal Chinese Church was laid in May. The financing of this project has been, because of increased cost of building, exceedingly difficult. The opening of this much needed building, however, is now assured. It is expected that, in June, it will be officially opened. This new building will have a church auditorium, a hall, with class-rooms, and a manse. During the past few years the work has been carried on in the rather cramped quarters of the Chinese Y.M.C.I. The Chinese have raised, to date, a sum of \$24,672 toward the cost of erection.

One of the outstanding and encouraging changes in connection with Chinese residents in Canada has been the granting to them of Canadian citizenship. Native born, and naturalized, Chinese may now bring their wives and families to this country. For long, home life among them has been lacking. The establishment of these new homes means much for the advancement of our Mission work. Already over 60 new families have come, and an increasing number are due to arrive as soon as final citizenship papers are issued. During the year in Montreal alone two groups of Chinese men, 75, and 85, of them, all over 25 years resident in this country, were granted citizenship. This alteration in the law has meant, and will mean, many new church contacts. Our workers have been able to give much helpful service, through the Immigration Department and the Courts, to these men, and their families on arrival. Children of these new families, up to the age of 18 only, may enter Canada. This early age limit works a certain hardship. The difficulty, we hope, by a further change in the Act, may be solved soon. All this has made for a considerable increase in our Chinese population in Canada. At the same time it also increases greatly our church influence among them. To this end night school classes in English have been re-opened in our various Chinese centres. Many young people from our Canadian churches are helping us with the teaching. For this we are most grateful.

Another heartening side of the work is the contact we have been able to make recently with students from China, who are taking post-graduate studies here. Many of these are attending our Chinese services, particularly in Toronto and Montreal. We have been able, also, to keep in touch with several who are attending Western, and the other University centres throughout the country. There are 60 overseas students in Toronto alone who arrived here during the past five months because of the unsettled conditions in China. All in time will return to China. This is important. Four of the University staff in British Columbia are Chinese, lecturing in Mathematics, Bacteriology, History and Commerce.

While, therefore, our Mission work is done principally in Canada, one of the gratifying phases of it is our growing Christian influence on China itself. So much of the church work there has been started by men and women who have been brought to Christ and trained in our own Canadian Missions.

An outstanding example of this is that of a whole congregation in Kowlung, Hong Kong. The minister of that congregation was converted in our Victoria Mission, learned to preach, then returned to his own land. The elders, managers, and members of this Kowlung congregation, are mostly those who have been members of our Missions in Canada. Thus are we enabled and privileged to help that great land for Christ, and by hearing such good news we take fresh courage and in faith carry on.

Word has just come from China, too, telling of two sisters, who, together with their nine children, have just been baptized there. It was from this land

the mothers received their early Bible instruction. Paul "planted, Apollos watered; but God gave the increase".

A Chinese leader, speaking not long ago before a body of Chinese Christian students, exhorted them, on behalf of that needy land and its people, in these words: "We need to pray as we have never prayed before, we need to labour as we have never laboured before. Only God can solve our problems."

Respectfully submitted,
DAVID A. SMITH.

INDIAN

(1) OKANAIS RESERVE

During 1949 the Sabbath services have been held regularly at 3 p.m. The attendance has varied from about 6 to 50, depending to some extent on the severity of the weather. The Sacrament of Baptism was administered to nine infants. The Sacrament of the Lord's Supper was observed four times.

On Sunday, July 24th, the 75th Anniversary of the founding of this congregation was suitably observed with two services. The Rev. J. E. Bigelow, then Moderator of Synod, was the guest preacher. The Rev. H. L. Henderson represented Presbytery and the Board of Missions. The Rev. J. Y. Garrett and Mr. H. Crump, the missionaries at our other Indian fields, were present, along with many visitors from several congregations.

In August, a Daily Vacation Bible School was held for one week, with the assistance of Miss B. Downey, a student deaconess working in the Synod for the summer. There was an average attendance of 25 children.

The W.M.S. Auxiliary has normally met monthly, with Mrs. Marnoch in charge, with a small but faithful group attending.

In an effort to meet the needs of boys and young men, I have been endeavouring to form a club whose purpose would be to study both the Bible and farming. A local farmer has offered his services in this regard. While individual boys are interested, as a group they do not attend. This is partly due to their desire to be in town in the evenings. I hope that this effort may yet develop.

An ample bundle of clothing and bedding was given to each family at the beginning of the year. Additional summer clothing was given in June. Christmas presents for all were on the Christmas tree at the Concert. All of these supplies have come from various W.M.S. Presbyterials.

In June, thanks to a grant to cover the cost of paint, the men and I painted the exterior of the Church. In February hydro power was installed in the Church.

Twice a month during the term, I travel to Birtle Indian Residential School, 45 miles west. There I conduct and preach at the Sunday evening chapel service. At the Spring communion, 16 young people were received into full membership on profession of faith by the Okanais Session. Their names were added to the Okanais roll. Only 3 of these young people are from Okanais. The others are from Rolling River, Waywayseecappo, Birdtail, Mistawasis and Round Plains Reserves. Certificates of transfer for this latter group were sent to their home churches, and their names added to the rolls there.

In addition to the 16 received at Birtle School, 6 others were received on profession at Okanais, making 22 in all. One name was removed from the roll by the death of Mr. David Burns, one of our elders, at 83 years of age. He was much respected by the whole community.

In July Mrs. Marnoch and I had the opportunity of attending the Conference of Indian workers. This was a very valuable affair, and opened my mind

to many things in connection with the Indian work. Contact with other workers was very enjoyable, too.

I have discovered that the proper name of this Church is "Thomas Hart Presbyterian Church"—named in honour of the late Professor Thomas Hart of Manitoba College. Professor Hart for many years held the office of Superintendent of Indian Missions for the Synod of Manitoba.

Respectfully submitted,
JAMES MARNOCH.

WAYWAYSEECAPPO

The year 1949 was one packed full of work amongst our Indian people on this Reserve.

There were fifty-two Sabbath services conducted in the Church during the year. The average attendance was the best in the history of the Church in this place. Every Thursday afternoon the ladies of the congregation meet together, once a month as a Women's Missionary Society, and the remaining Thursday afternoons as a Ladies' Aid Society. In the Winter months the weekly prayer meeting is on Thursday evenings.

There were eighteen children baptized during the year. Three people joined the Church on Profession of Faith, and five by Certificate.

We had two weddings, and six funerals during the year.

Much of my own time is taken up with visitation, etc. The Indians do appreciate a call at their homes, and to have worship with them is something which they really enjoy. During the year I made 263 calls at the homes of our people.

The Mission House has developed into something like a lawyer's office where people come early and late seven days a week to seek advice on problems too many and varied to even begin to write about.

No report would be complete without telling of how much the bales of quilts and used clothing, etc., were appreciated, which the Women's Missionary Society sent to us. I only wish I could have had a picture taken of the place here last Autumn when the bales were coming in. Every room in the house was filled to capacity, with not even standing room left about the door for the happy Indian people.

The Christmas season was a happy one, indeed. We made up 350 Christmas presents, and had a beautifully decorated Christmas tree, and a good programme.

Respectfully submitted,
J. Y. GARRETT.

HUNGARIAN

(1) CALGARY

By the Grace of God we are what we are—this is the Word to summarize the experience of Calvin Hungarian Church in Calgary and Northern Alberta in surveying the work and submitting this report regarding the year 1949.

Concerning the work in the two western-most provinces: the appointment of Rev. G. Orth to Lethbridge and vicinity has brought a great relief, making it possible for me to devote more time to Brooks and the Edmonton area. The need for at least three more missionaries (for Abbotsford, Edmonton and the Okanagan Valley) cannot be emphasized enough. To illustrate it with a parallel: while the number of Presbyterian missionaries among Hungarians was increased from one to two in the last ten years, the number of Catholic Hungarian priests in this same territory of Alberta and British Columbia grew from one to five.

In Calgary the year 1949 was the second one devoted seriously to our preparation for our church building project. Accordingly, essential increase in membership, activities and funds mark the past year. Sixty worship services were held in the church with an attendance often over 100; 32 mid-week services in family homes with an attendance between 12 and 30; worship services in the country on 17 occasions.

The Lord's Supper was observed on 6 occasions; average participation 72—total 2816—in the country on 6 occasions.

Saturday Bible school was held all through the year with an enrolment of 28—regular attendance 18.

Vacation school was held from August 1st to August 21st for three weeks, six days a week, three hours daily. It was attended by 30 children from the age of 6 to 14, of whom 5 were from the country as far away as 260 miles. The teacher of the confirmation class, the Saturday school and the Vacation school was myself. A trip by the entire congregation to Banff concluded the Summer School.

The Lorantffy Ladies' Club, with Mrs. Toth as chairman, at their monthly meetings and social evenings concentrated on sending bales and medicine to Hungary. Their contribution to the Church Building Fund was over \$700 during the year.

In connection with my work for Displaced Persons, under the auspices of my Christian Settlement and Rehabilitation Board more than 150 persons reached Canada during the year, of whom 18 are among our new communicants.

Since 1938 I published a mimeographed church bulletin intending to be a pastoral letter, called "Kialto Szo"—Cry (Mt. 3:3). 1949 was its 6th year of publication. This year it was published in 12 issues, 1,000 copies each, on 46,000 pages. This was its last year, since I gave it up for our new, printed periodical: Uj Elet—New Life.

Besides the radio we used phonograph records and the telephone for spreading the Gospel.

Our main objective was to prepare for building our new church and community centre in 1950. The congregation, during the year, contributed \$6,044 to our Building Fund and hopes to start the work early this spring, although we are still short of about \$10,000.

Respectfully submitted,
KALMAN D. TOTH.

(2) TORONTO

Here is an unquestionable example with proof beyond doubt that ceaseless prayers, springing from tacit faith, coupled with continuous hard work, would in time accomplish great things.

The Hungarian work in Toronto during the six-year period from 1926 to 1932 amounted to nothing more than a headache and disappointment as far as the Toronto Presbytery and the General Board of Missions were concerned.

There were a number of men who lost patience with "these Hungarians" and considered continuing and supporting this work a sheer waste of time and money.

On the other hand, there were others who thought that by giving this mission field another chance may in time prove to be worthwhile.

Thus, in March 1932, when the famous "depression" reached its lowest ebb, when 90% of our New Canadian Hungarians were unemployed and lived on "relief", a new page was turned, and with the appointment by the Board of Missions, the Rev. Charles Steinmetz, then a student for the ministry in Knox College, reorganized the Hungarian congregation.

Years, difficult and trying years, rolled by. But the goal was set: a church building must be erected for the Hungarian congregation. Pennies were saved and seven years later, on the 5th day of February, 1939, the new Hungarian Church building on McCaul Street was dedicated to the Glory of God and to the use of the Hungarian people.

Ten years have gone by, ten trying years, due to the Second World War. Yet this congregation carried on, continued praying and working hard and came through successfully.

In May, 1949, the congregation paid its last mortgage debt of \$1,000 on the church building and, burning the papers, declared it to be absolutely debt free. It was a gratifying achievement.

But the greatest and most satisfying step was taken this year. The congregation at its annual congregational meeting in January, decided to become a self-sustaining charge. Steps were taken, and the Presbytery of East Toronto, at the regular meeting of February 7th, declared the Hungarian congregation to be a self-sustaining charge, appointing the Rev. Dr. K. M. Glazier of Glenview Church to act as Interim-Moderator.

The call from the First Hungarian Church, Toronto, in favour of the Rev. Charles Steinmetz was presented by the Rev. Dr. Glazier, Interim-Moderator, at the regular meeting of the Presbytery of East Toronto on the 7th of March, which was signed by 138 members and 42 adherents. This call was sustained as a regular Gospel Call by the Presbytery, and was placed in the hands of the Minister-elect who in turn accepted the call. It was decided that the induction service should take place on Friday at 8 p.m., April 14, 1950, in the First Hungarian Church on McCaul Street, Toronto.

An expression of a deep sense of gratitude and thanks on behalf of the members and adherents of the First Hungarian Presbyterian congregation of Toronto is in order now to the General Board of Missions and to the Women's Missionary Society of The Presbyterian Church in Canada, for the continued spiritual and financial support during the many years past.

A fully grown congregation is now added to The Presbyterian Church in Canada, which fact shall be a source of deep satisfaction on behalf of both the Mother Church and the local congregation.

Respectfully submitted,
CHARLES STEINMETZ

(3) WINDSOR

The year 1949 marked a period of some uncertainty, due to the difficulties arising from the resignation of the former supplying minister which threatened a division in the congregation. Then there was needed much effort to hold it together. Finally, this resulted in a slow but steady progress, spiritually and financially.

The duties of the supplying minister were performed by the Rev. L. Hunyady of Detroit, who resigned and left on March 31st. On the 17th of April the Rev. J. Szucs was appointed supplying minister by the Board of Missions for six months. He was reappointed, however, after the time expired since he was not yet accepted by the Church as a regular minister.

Divine services were held regularly every Sunday morning and on Sunday evening on six occasions, and on different evenings during the week. The holy communion was dispensed seven times. One child was baptized, two young men were confirmed in their faith, seven couples were united in marriage, two of which were Presbyterian on both sides and five couples were of mixed denominations.

The Young People's Society, which counted some sixty members on the roll but out of which only about twenty members were active, were hardly

inclined to any sincere cultural or spiritual work, but were rather diligently practising stage plays and arranged stage performances and different parties with considerable financial results.

The Sunday School held its meetings every Sunday morning. It had ten members on the roll and an average attendance of five.

Respectfully submitted,
JOHN SZUCS.

UKRAINIAN

(1) TORONTO

During the last war the Ukrainian colony in Toronto was growing rapidly. Now it is second in size and importance after Winnipeg. There are over 20,000 Ukrainians in Toronto and suburbs. Communists always realized the importance of work among the newcomers in large cities and they paid special attention to Ukrainians in Toronto. They have well equipped halls in every section of the city where there is a number of Ukrainians. They have well trained leaders. Some of them completed special courses in Russia. They have choirs, orchestras, young people's work, etc. The city is divided in districts and every district has its committee that takes care of organizational work. In addition to all that they print a large weekly paper in Ukrainian language and own a good sized printing shop.

However, there is need in a friendly but clear cut witness for our faith and our way of life.

Our congregation in Toronto is making a good effort to interpret the Presbyterianism to Ukrainians and at the same time introduce Ukrainians to English speaking friends. In this we had a good measure of success during the past year. Our annual Radio-Broadcast of the Church Service is well received by our English speaking listeners and is enthusiastically welcomed by Ukrainians of all faiths. With very kind help from W.M.S. Interboard Committee and other friends of our work we are printing a monthly paper "The Evangelical Truth" in Ukrainian and English.

I have on file a number of letters from outstanding Ukrainian leaders commending the work of our paper. Most of them at heart are with us. Not long ago a group of Ukrainian miners in England sent me a letter of thanks for the paper as well.

Our congregation is growing now, mostly on account of recent newcomers. Artists, professors, engineers and others love to come to us and take part in the worship. Some of them did not miss a service during the year. During the year the usual work of a missionary congregation was performed with diligence. About 800 letters were answered and over 2,000 circular letters were sent out. The congregation met all its financial obligations.

We still have a day time nursery in our church. It is doing a good work in the district.

We are keeping in touch with Agincourt district where there is a number of Ukrainian farmers. Last summer we had an open air meeting on one of the farms with good attendance. This work might be developed but for lack of time.

Respectfully submitted,
MICHAEL FESENKO.

(2) OSHAWA

The year 1949 was not uneventful. During that year the Ukrainian Congregation decided to acquire a manse for the minister of the Church. They

succeeded in buying a house near the church for the amount of \$5,000. Of that amount the congregation has raised \$1,000, the balance of \$4,000 was received from Church and Manse Funds as a loan.

All church services were well attended. There were five new members received on profession of faith. Five members from our Young People's Society attended lectures given last autumn at Knox College, Toronto. The attendance in our Sunday School has been improving every year. The Ladies' Aid Society was as active last year as in previous years. Our attention at the present time is on newcomers. We hope that some of them will find our Church suitable for their spiritual needs. Looking forward we believe that greater things are awaiting us, and with God's help they will be accomplished.

Respectfully submitted,
J. JACENTY.

(3) HAMILTON

The year 1949 is marked as the third year of our Ukrainian Presbyterian Mission work in Hamilton. It is also marked as a steady growth spiritually, numerically and materially. From a few non-Protestant people it grew into a congregation of 33 members, with 11 families. Four new members were added in 1949. Fifty-five adherents in one way or the other take part in worship and church life. About ten persons are being prepared to join the church at Easter.

English classes are being held for the newcomers, where we have a chance to introduce to them evangelical faith.

A children's circle is carried on during the week by Mrs. L. Buchak.

A successful work was done, in connection with Rev. H. R. Pickup of our Immigration Committee, to bring to Canada 44 Ukrainian Evangelical displaced persons. Out of it, 11 people were brought to Hamilton, where they are taking part in the church life. Fifteen, whose cases are approved, are on the way to Hamilton, and the rest of them immigrated elsewhere. Until they are settled, most of the new arrivals receive accommodation and maintenance in our home.

Every other month Ukrainian Presbyterian services are broadcast from Hamilton, CKOC station for the newcomers, which gives us a wider reach to our people with the Gospel message.

Respectfully submitted,
LEO BUCHAK.

(4) WEIRDALE

The report submitted on this project last year went into some detail as to the reasons for the establishment of this Mission, the territory involved, general plan of operation, and the beginnings of the project; to avoid repetition, we shall therefore begin where it ended.

During most of 1949 the Mission house was occupied by Mr. and Mrs. H. E. Ottley, who had been appointed to serve the mission field that embraces Meath Park, Weirsdale and adjacent districts. This arrangement was found to be mutually satisfactory, especially during the winter months, as the Ottleys had a comfortable home and we had the assurance that the property was well looked after. However, while living in the building, and making some incidental contacts with New Canadian folk, Mr. Ottley's task was to serve the long established Anglo-Saxon field; he did his work well, but that work did not include the Mission to the New Canadians.

In May, 1949, Mrs. Lydia Shulha arrived on the field to undertake the work of the Mission. The original plan to have her share the building with the Ottleys proved to be unworkable, and she took up residence for the summer in the little manse at Meath Park; this temporary arrangement was a happy one, for she had the sympathetic support of the church people there, a few of whom could converse with her in her own tongue. We have all been impressed by the

earnestness and diligence of Mrs. Shulha; she is tireless, but she labours under two great handicaps; her knowledge of the English language is still rudimentary, and speaking publicly is an ordeal to her. In addition, she is still new to Canada and needs time in order to adjust herself to the Canadian pattern. While we regretted to lose her services, we felt that it was only fair to her that she should have an opportunity to overcome these handicaps under more favourable circumstances, and we hope that she may be willing to return at a later date.

We are grateful to Mrs. Shulha and to Mr. Ottley for their able and devoted services. We also appreciate the willingness of the Board of Missions to undertake this project. Each time we come to grips with the situation we are more convinced of the need for this type of work amongst these people of European extraction who are forming large and growing and influential communities. Many of them are still ignorant, suspicious even of their own kind, and easily led by agitators, who seem to be constantly at work amongst them. In many of these districts in western Canada there is little or no work being done by any branch of the Christian Church. We hope that our application for the appointment of a qualified missionary to the Weirsdale Mission may be favourably considered by the Board.

ALEX. F. MACSWEEN,
Convener, Missions.

THE FRENCH MISSION, ST. BONIFACE

St. Boniface is a city in Manitoba of approximately 26,000 inhabitants. Of these people about 19,000 are French speaking. And yet there is no work being carried on among them by the Reformed Church. That is with the exception of the Christian Mission which is held each Sunday afternoon at 3 o'clock in Norwood Presbyterian Church. This will be referred to hereafter in this report as the French Mission.

After a few preparatory services which began in March, 1949, the French Mission of St. Boniface started officially on the first Sunday of April, 1949, with Mr. Louis Lahaie in charge. The services follow the Presbyterian Order and Mr. Lahaie is evangelical and Biblical in his preaching. For the most part in this first year his sermons have been dealing with the Doctrines of the Reform Church. These sermons are most instructive and inspirational. The attendance at the services have been encouraging. To be more specific, the smallest attendance has been 14 and the largest attendance has been 38. The financial strength of the work is not as strong as we would like to see. But then this does not come as rapidly as the other phases of the work. The offerings each Sunday are handed into the Presbytery and are charged against the monthly Grant received from the General Board of Missions. The congregation has published a pamphlet which has been distributed widely throughout Western Canada and the donations received have been used in the expense account of the Mission. Beside this factor, these pamphlets have served as a good publicity medium for the work.

As we have mentioned before, Mr. Lahaie conducts the services in the afternoon each Sunday. Quite often he goes Sunday morning and evenings to the other congregations of the Presbytery. In this way the congregations get to know him and his work.

We cannot let this work go now. Mr. Lahaie has made many valuable contacts for the furthering of the work. It is hardly a year old yet. Much has been accomplished. We are convinced of the value of this Mission and its place in the community of St. Boniface.

Respectfully submitted,
DILLWYN EVANS,
JAMES RICHARDSON.

Institutional Work

PRESBYTERIAN HOME FOR GIRLS

Once again in the Presbyterian Home for Girls we have come to the end of another year. 1949 has been a tranquil year; each day bringing its own duties, problems to be solved, and decisions to be made. This year, as always, our Home has had the constant support of our many friends and donations of food, money and clothing, have come in continuously.

As we have so proudly reported in the past, our Home has been singularly free of epidemics or serious illnesses of any kind, and this year again our record of good health among our girls and babies remains unbroken. We submit the following report herewith:

Number of girls in Home at beginning of year, 7; number of girls admitted during 1949, 18; total cared for during the year, 25; aggregate days, 2,494—average day per girl, 99.

RELIGIOUS DENOMINATION

Presbyterian, 12; United Church, 6; Anglican, 2; Lutheran, 3; Baptist, 1; Salvation Army, 1.

DISPOSITION OF GIRLS

Returned to relatives, 14; positions found, 4; still in home, 7; total, 25. Number of babies in Home at beginning of year, 22; adopted, 7; foster care, 5; cared for by mother, 5; 1 baby stillborn; still in Home at end of year, 4.

Financially speaking, we have had a successful year. The Home has not needed any extensive repairs and, aside from salaries, we have been self-supporting.

As you who read this report know, the home is the keynote of our existence. It is the centre of our religious and cultural training. In it we receive our diploma of life. Our Home does not differ greatly from the individual home—ours is a rebuilding and repairing of the basic foundations already laid. We strive to teach our girls the value of self analysis, so that each girl while in the Home may quietly re-shape the pattern of her life and out of the errors of the past aspire to a higher and fuller life nearer to God.

As the New Year opens before us, we cannot tell what sorrows and trials lie ahead, but we know that with His Guidance, and if we trust in Him, it shall be a good and blessed New Year.

Respectfully submitted,

MYRTLE MCKINNON.

BURNING BUSH LODGE

I have pleasure in submitting the following report on the operations of the *Burning Bush Lodge at Carragana* during the year 1949.

During this second year of operation the Lodge has been under the same capable leadership with Mrs. Jean Findlay as Matron and Rev. George Johnston as Dean. We have also had the capable services of Mr. and Mrs. Wm. Mackie in the kitchen and their work has been very satisfactory.

While housing twice as many students as last year, the Lodge is still not filled, but inasmuch as the most enthusiastic advocates of the institution are the young people who live in it, and their parents, we feel confident that this condition will be remedied next term.

We are again indebted to the Women's Missionary Society for the loan of beds, blankets and some dishes from the Camp at Christopher Lake, as these have enabled us to avoid heavy outlays for the time being. The equipment listed in the report last year is still intact, and some additions have been made to it, as shown in the financial statement.

It is a rule of the residence that the students attend a period of one hour per week for a course in Religious Knowledge, which is given by Mr. Johnston; for the first part of the year the course was based on the great historical periods of the Bible, and the present course is a study on Christian Doctrine. These lectures are well attended and keen discussions result. In addition to this there is a daily devotional period at the end of the evening meal.

The Hudson Bay School Unit has been doing its utmost to co-operate in providing adequate school facilities, and the new Superintendent has visited the Lodge and expressed keen interest and sympathy with the project. The only criticism we have heard has been in the nature of a "left-handed compliment" from those who wished that the institution were located in their town instead of at Carragana, and the fact that in at least two other towns, Porcupine and Melfort, there has been discussion about the possibility of establishing a similar Lodge, is a recognition of its merit and of the contribution being made by our Church in the interests of youth.

Looking to the future, we secured the approval of the Synod for a province wide appeal for donations, equipment and supplies, and this is being planned now. We hope also to have the continued support of the Women's Missionary Society in the project. This year we were able to reduce our grant from the Board of Missions, and it is our hope that eventually it may be reduced to the disappearing point; we appreciate this support very greatly, realizing that without the help of the Board it would be quite impossible to sustain the project.

Our lease on the building expires at the end of June, but we believe that it will be renewed on the same terms without hesitation. With the experience gained in the past two years, the gradual improvement of the premises, and the increasing prestige of the institution, we feel confident of its future as a valuable asset to the Church in reaching young people and their homes, and teaching the Gospel in both word and example.

Will you please convey to the Board our appreciation for the support we have received and for the interest shown in this venture; we trust that it will prove worthy of both.

ALEX. F. MACSWEEN,

Missions Convener, Presbytery of Prince Albert.

TYNDALE HOUSE

MR. W. S. BELSON REPORTS

The interest and attendance at the Church Services and the Sunday Schools were well maintained during the past year and there is evidence of added enthusiasm as the new "Tyndale" seems ever so much nearer.

Messrs. Prindiville and Roberts continue to give devoted unselfish service to the boys through the activities of the Boys' Brigade. The Young People's Society of Christian Endeavour had a very successful year; their interest is an inspiration to all. We also formed a new society for the intermediates under Miss A. McTurk and it is functioning very well.

The Sacrament of Holy Communion was administered on three occasions during the year. Our special Pre-Easter services continue to be a worth while activity of our "House".

MISS JESSIE I. MUTCH REPORTS

Though handicapped by inadequate space Tyndale House organizations and clubs are carrying on with a good spirit and looking forward to the time when we shall have new quarters.

There has been an encouraging increase in the enrolment and attendance in the Sunday School. The teachers are doing an excellent job with the existing facilities. Their faithfulness and interest have added much to the spirit of the School. Several of the older children attend church regularly as members of the Junior Choir.

The gift of new camp equipment by the White Shield Club gives further evidence of the devoted work and generous interest of the club members.

Extremely active children's groups have kept the workers busy four afternoons a week. Much more could be accomplished, however, if a few more volunteers could be found.

MISS MARGARET E. MACKENZIE REPORTS

Through the generosity and foresight of the Women's Missionary Society, it has been my privilege to serve in Tyndale House operating a Nursery School, caring for some twenty-four children.

A Junior Choir has been organized; assistance has been given in all junior activities and as pianist for the Church Services and various activities.

Work in the Sunday School has been most enjoyable. The C.G.I.T., which it is my privilege to superintend with the assistance of Miss Muriel Dyal and Mrs. W. Brouillet, has been most invigorating. Our group was of chevron standing this year which is worthy of note. Considerable visitation has been done in the homes of the children.

The work has been most pleasant and profitable, and we go forward into the new year confident that God will bless our endeavours to His own honour and glory.

THE SUMMER CAMP

Capacity camps were again carried on at our beautiful site at St. Andrew's East. It is our custom to present full details and illustrations of the camp during the month of May.

NEW BUILDING

Another application has been made to the rental authorities for the occupation of our two houses on Richmond Square. On this site a building suited to the varied needs and ideals of Tyndale House will be erected.

The Executive Committee wish to acknowledge in this Report the efficient and devoted work of Mr. Belson, Miss Mutch and Miss MacKenzie. The Committee wish also to express their sincere thanks to Mr. A. Ballantyne who has again acted as our Honorary Auditor and to many other volunteers, who have done so much to make successful this fine enterprise of the Presbyterian Church.

R. J. BERLIS,
Chairman.

A. D. KYLE,
Secretary.

MISSIONARY EDUCATION

At the end of September, Rev. A. Gordon Faraday, who had completed the temporary period of service, which he had undertaken at the invitation of the General Board of Missions, relinquished his duties that he might accept a call tendered him by the congregation of Vankleek Hill, Ontario. Before his departure the committee placed on record its deep appreciation of the faithful and efficient services rendered by Mr. Faraday to the whole Church, through this Department.

At the meeting of the Executive Committee of the Board of Missions in September it was agreed to recommend to the Annual Meeting of the Board that Dr. W. A. Cameron be asked to assume oversight of the Department of Missionary Education, as from October 1st.

During the year the work of promoting deeper knowledge of and fuller interest in the work of the Church at home and abroad has proceeded along normal lines. These have been through:

I. DEPUTATION WORK

During the past year four missionaries have been in Canada, and through their efforts the whole Church has been covered with the exception of the Pres-

byteries of Montreal and of Quebec, which we hope will be visited shortly by Rev. Allan Reoch.

Rev. and Mrs. Paul Rumball and Mr. Angus MacKay were used in various Presbyteries in Ontario in the early part of the year. Mrs. MacKay visited a few places as her home duties allowed.

More intensive itineraries were undertaken by Rev. Edward Bragg and Rev. John Elder, both of British Guiana: the former doing his work in the early months of the year, and the latter during the autumn and early winter.

By them, two widely separated areas were visited, Mr. Bragg covering the Maritime Provinces, while Mr. Elder did the same for the Western Synods. Both men also responded to invitations to speak in various parts of Ontario, so British Guiana received wide coverage through 1949. Expressions of appreciation have come to us as to the value of these visits through our Church.

Then, in the early spring, Mr. Faraday visited a Presbytery in each of the four Western Synods, giving himself sufficient time to cover each Presbytery. In the early autumn the present Secretary gave three weeks to the Synod of the Maritime Provinces, following an itinerary arranged for him by the Synod's Mission Convener.

II. DISTRIBUTION OF NEWSLETTERS

Before the end of the year a letter went from the office to all ministers in the Church asking them to indicate from what missionaries they would like to receive newsletters throughout the coming year. Similar requests were made of others who had been on our mailing list. Through the replies received our list was brought up-to-date. At the same time the missionaries were informed of those who had asked to hear from them, and each was asked to forward two letters during the year.

Requests have been received for 13,744 of these Newsletters. Of these, requests came for letters from the fields as follows: British Guiana, 3,452; Yunnan Mission, 1,795; India, Bhil Mission, 1,713; Jhansi Mission, 2,330; Formosa Mission, 2,828; Japan, Korea Mission, 1,626. The largest for any one missionary is 1,050 requests for letters from Rev. R. M. Ransom.

The Committee has also extended this branch of its work to cover the Home field. Our first letter from a missionary in Canada dealt with his work on an Indian Reserve in Manitoba. A copy of this letter was sent to every minister in charge of a congregation, and we are hoping to build up a large list of those seeking these communications from Home Missionaries.

III. LITERATURE

Mission articles have been prepared for publication in the Presbyterian Record and in the Presbyterian Bulletin. The Secretary has also cooperated with the Board of Sabbath Schools and Young People's Societies, and the Committee on Stewardship and Budget in preparing monthly articles for a leaflet which is being issued for use by the older pupils of our Sunday Schools. The article is in story form with an emphasis on stewardship. This is followed by a short paragraph explanatory of the Missionary Questions issued each Sunday in connection with the day's lesson.

The Committee has also agreed to cooperate in every way possible in the publicity required in connection with the book "Our Heritage and Our Faith" issued in connection with the 75th Anniversary celebrations.

Mr. Faraday assisted in the preparation and publication of the Church Calendar for 1950, which was well received by the Church, and met with a ready sale.

The Committee offered for sale the usual number of missionary books throughout the year. Those which had the largest demand were "Christian World Facts", and a very interesting booklet written by Rev. James Dickson, entitled "Stranger Than Fiction".

FOREIGN MISSION REPORTS

British Guiana

British Guiana by its location would seem to be an isolated quiet eddy in the stream of world affairs. But the social and political movements of the day are just as much at work here as in other parts of the world, creating problems which the Christian Church has to face and making the task of modern missions more difficult.

Labour unrest has focussed the attention of the working classes on the material rather than the spiritual side of life. The rising tide of nationalism, particularly among the East Indians since India's independence became a reality, has been creating cleavages between the various racial groups in the colony. The press, the radio, the cinema, etc., are accelerating the secularization of the people and their environment. Such problems are critical enough among a homogeneous population, but when added to the racial, cultural and religious mixture existing in British Guiana they present a situation which demands the utmost in spiritual effectiveness from the missionaries on the field, and much prayer and other support from the Church at home.

CHANGES IN STAFF

The year saw considerable turnover in missionary staff. In March Miss Sarah Cameron of the W.M.S. (E.D.) who had been working in Essequibo returned to Canada to be married, carrying with her the best wishes of the Church and Mission Council for happiness in her new state of life. In July Miss Elspeth Davidson returned to Canada after teaching three years in the Berbice High School as well as well as carrying on work among women and children. Principal K. F. McKenzie of the Berbice High School also returned to Canada in July to resume his studies at Knox College after having seen considerable progress in the academic attainments of the high school. During the first half of the year Rev. E. Bragg, field missionary in Essequibo, was on furlough in Canada returning the end of July, while Rev. J. Elder, field missionary in Demerara, left on furlough in Canada in July to return early in 1950.

In October five new missionaries arrived on the field, Miss Anna McDonald (W.M.S. (E.D.)), the Rev. B. F. and Mrs. Andrew and their two daughters, and the Rev. E. and Mrs. McPhee. The Andrew family were allocated to Essequibo, the coast and the islands. Miss Anna McDonald joined Miss E. MacDonald in Berbice. The McPhees assumed the field missionary work in Berbice. Mission Council was greatly strengthened by the addition of this new staff, as it made possible a more aggressive program of work.

The oldest catechist in the Mission, Mr. Isaac Alayar Khan, retired at the end of over thirty years service with the Mission in British Guiana. Mr. Khan, originally a Mohammedan, became a Christian and eventually entered the service of his Master as a catechist during the time of Dr. Cropper, pioneer missionary in British Guiana, and has given faithful service in many fields and earned a "well done, good and faithful servant."

EVANGELISM

Evangelism was curtailed somewhat during the year owing to staff changes and furloughs. Rev. J. Elder carried the burden of both Essequibo and Demerara counties during the first half of the year and Rev. E. Bragg the same on his return the end of July. In Berbice the re-opening of Bethel Theological College of which the field missionary (acting) is Principal, during the first half of the

year, and the return of Mr. McKenzie to Canada in July, necessitated double responsibility until Rev. and Mrs. E. McPhee arrived late in October.

In the *County of Essequibo*, Rev. John Elder, assisted by Miss M. Ramsay, held a week of evangelistic services in February in the Mackay Memorial Church on the Island of Wakenaam with excellent attendance and interest on the part of the people. In August, while on vacation at Sarnia Manse, Rev. T. R. Maxwell assisted by Mrs. Maxwell and Miss Ramsay held a series of five evangelistic services in the Church at Devonshire Castle on the Essequibo Coast with a fine response, some professing faith in Christ and others being helped.

In the *County of Demerara*, the Rev. John Elder assisted by Mrs. Elder held two series of evangelistic services just before Easter, a week at Wales, West Bank Demerara, and another week at Triumph, East Coast Demerara, with a response which more than justified the time and effort expended.

In the *County of Berbice*, the students attending Bethel Theological College carried on weekly open-air services in the New Amsterdam district from February to the end of May with definite blessing from God. In April the Young People's Conference was held. In May, Rev. D. J. Firth, Mr. McKenzie and Rev. T. R. Maxwell held a week-end of evangelism for young people at Skeldon on the Corentyne Coast. In July, Rev. T. Maxwell assisted by Mrs. Maxwell held a short series of evangelistic services at New Dam, Canje, a remote settlement which is 99 per cent Hindu, with large numbers turning out to hear the gospel and definite results among the young people. In October a Hindu priest or pandit on the Corentyne Coast became interested in the Christian faith, and through the testimony and personal work of the catechist and field missionary was led to receive Christ as his Saviour and has since proved himself a blessing to the Church.

W.M.S. MISSIONARIES

In *Essequibo*, Miss Sarah Cameron and Miss Margaret Ramsay paid a visit to the various churches, Sunday schools and day schools on the coast and islands. One highlight of this period was the series of meetings held at Maria's Pleasure and Ridge on the Island of Wakenaam when the "Pilgrim's Progress" was presented by flannelboard. Another long remembered day was the World's Day of Prayer when they attended five meetings at various places on the same day.

After the departure of Miss Cameron, Miss Ramsay carried on alone, her program being restricted somewhat because the car was transferred to Berbice. She also acted as Secretary for the Essequibo Auxiliary of the British and Foreign Bible Society, arranging for meetings, distributing the literature and promoting meetings for the Rev. James Innis, the Secretary of the Bible Society for the West Indies. In May she began to take over the duties of Treasurer, as Mr. Elder was leaving on furlough, and this entailed much time. Assistance was given at the organ and in singing at the evangelistic meetings conducted by the field missionaries, and the harvest season with its muddy, impassible roads last year, demanded attendance at many services and concerts. But the most important although probably the most intangible missionary work done was through contact with individuals through interviews, home or hospital visits, casual meetings, when they could be led to Christ or helped with physical and spiritual problems.

In *Demerara*, Miss Anderson reported a year of blessing and new opportunities. In Burns Memorial Church, Georgetown, where she is superintendent of the Sunday school, organist and choir leader, and superintends the weekly prayer and Bible study group and the bi-monthly women's Bible study group, the Band of Love, there were many signs of progress. Especially gratifying was the growth of the Sunday school to over a hundred with twelve teachers, with a new interest in Bible reading being created through the plan of the Bible Lovers' League of America which enables a child to obtain a Bible through reading selected portions on which he is examined until the whole Bible is earned through a growing knowledge of its contents.

In the country, organized groups of women held meetings in five districts, various methods of teaching being used, flannelgraph, or Bible study, or even the projector with slides at an evening open-air service attracting men and children as well as women. When weather permitted outdoor meetings were held along the canals, on Leonora Estate, New Town, Kitty, or at Better Hope on the west coast, sometimes under Hindu homes where the influence may take effect. Eight primary schools were visited and the flannelboard and pictures used to teach the way of salvation. A library, made possible by a donor from Canada, and stocked with evangelical works by able authors, has carried on the ministry of the printed page.

The outstanding result of this work has been the young man, formerly a staunch Hindu, who was contacted while attending high school in Georgetown, and this boy, not yet nineteen, is on fire for the Lord. He gathers boys into his home to teach them of God, visits homes in the community, distributes tracts, gets in touch with other boys through the local Boy Scout troop, and has secured permission to use the school for a Sunday evening service with himself as the preacher. His father has been influenced to give up Hindu practices and seek baptism, and his older brothers are interested, while another man in the district wishes to legalize his marriage and have his family baptized. This young man, the interest shown on Leonora Estate, teachers baptized as Roman Catholics coming for instruction, spiritual growth among the leaders of women's groups, all point to an awakening which, as we continue faithful in prayer and in the ministry of the Word, will be accomplished to His glory.

In *Berbice*, Miss Elspeth Davidson taught Scripture in the Berbice High School and carried on about twenty meetings a month; Sunday schools at Providence and Sheet Anchor, visits to the women's section of the local prison every Sunday, and various Happy Worker groups throughout the area. In February she was joined by Miss Ethel MacDonald who had been appointed by Mission Council to supervise the deaconesses during their three month refresher course at Bethel Theological College. The W.M.S. car formerly in Essequibo now enabled them to share to some extent the meetings, although Miss MacDonald spent most of her time with the deaconesses.

In July, Miss Davidson returned to Canada and Miss MacDonald carried on alone. She was assisted by Mrs. Firth in conducting two vacation Bible Schools during the month of August, at Providence and Sheet Anchor. Ten women's meetings were carried on during the months of the fall in addition to the Sunday Schools. In October the work in Berbice suffered a loss in the sudden death of Deaconess Rene Sukdeo, which was a great blow to her father, Catechist George Sukdeo, as well as a sorrow to the missionaries who appreciated her sincere faith in Christ. A new missionary, Miss Anna McDonald of the W.M.S. (E.D.), joined her namesake in October and began to share the work. A special Christmas treat and carol sing was a feature of the prison work and also a carol sing in the large New Amsterdam public hospital. One of the features of the work of the year was the harmonizing of the work of the two lady missionaries with that of the field missionary for Berbice, in order that the best use might be made of the W.M.S. car on the long trips characteristic of the County of Berbice.

YOUNG PEOPLE'S CONFERENCE

The long awaited Young People's Conference, first planned in 1947, was held in the Berbice High School from April 18th to 21st under the leadership of the Berbice missionaries and ministers. God did not disappoint the eighty who attended, for throughout the whole conference the Holy Spirit worked with power to fulfil the theme, "Does God Speak To-day?" Organized around a simple practical program, the conference opened with an informal evening designed to enable all to get acquainted, each of the following three days beginning with morning devotions after breakfast, a half-hour song service, then the theme

address of the day followed by discussion groups. Participation in discussion of the themes, "What is a Christian?", "What is the Christian Life?" and "What does Christ Mean to Me?" was excellent and brought the young people face to face with the claims of Christ. The afternoon discussion groups wrestled with a problem of crucial importance in British Guiana, "Christian Marriage and the Christian Home." Outdoor recreation provided relaxation between sessions.

The evening sessions were devoted to direct evangelism and it was evident that the Holy Spirit was present and working in power. After the first evening service and throughout the following days many young people sought the help of the missionaries, convinced by the Holy Spirit of their need of a right relationship to God through Jesus Christ, and most of these were lead to embrace Christ as offered in the Gospel. On the final evening many of those who had either received Christ as Saviour or re-dedicated their lives to His service told of what God had done for them during the Conference, and over thirty who had made definite decisions at the Conference remained at the close for further instruction from the missionaries. Most of these are now growing in grace, although some did not turn out to be "good ground". It is a testimony to the power of the prayers of those in British Guiana, Canada, and elsewhere, that "Not by might, nor by power, but by my spirit, saith the Lord."

BETHEL THEOLOGICAL COLLEGE

In spite of the shortage of field staff Bethel Theological College was re-opened in February in order to give a three-month refresher course to our present workers and prospective candidates. The staff consisted of Rev. T. R. Maxwell, Principal; Rev. D. J. Firth, Principal of the Berbice High School, Miss E. MacDonald in charge of the deaconesses, and Mrs. Maxwell who is a trained children's worker. Six catechists, two graduate and two student deaconesses, and three candidates for positions as catechists, constituted the student body. The course given included Old and New Testament, Biblical Theology, and Practical Theology (including Pastoral Theology, Homiletics, Preaching, Bible Reading, Christian Life, Church Government and Child Evangelism). The practical field work consisted of weekly open-air evangelistic meetings and child evangelism classes and the regular pastoral duties each week-end on their own charges.

The students were definitely refreshed and stimulated by the course, and returned to their fields with renewed zeal, with one of the candidates being employed as a catechist. The new Principal and staff received valuable orientation as to the needs of the students, the chief problem being the wide variation in academic background, some being graduates of Bethel Theological College, some high school graduates, and others having only primary school or less. Some indication of progress was afforded by having each student answer a questionnaire on his Scriptural knowledge at the beginning of the course and having it repeated at the end. A weekly Bible Correspondence Course has been carried on by the College with these students since July. The greatest need is that the Lord of the harvest will call forth labourers into His field, and much prayer is needed to that end, not only to fill present vacancies but to replace those about to retire, and to open up new areas.

EDUCATION

Primary Schools—The school population of British Guiana has been growing in leaps and bounds, almost beyond the capacity of both the government and the denominations to cope with it. The increased enrollments and larger teaching staffs have also taxed the ability of the field missionaries to keep up with the voluminous correspondence now connected with their tasks as school managers, and demand a disproportionate share of the time which can be given to both schools and churches. The government of British Guiana has been assuming a greater share in the cost of erecting new buildings and maintaining the old ones, although this will eventually mean greater government participation in the over-

sight of the schools. In implementing this policy the government built a new building at De Hoop Canadian Mission School, in Demerara, and enclosed the lower flat at New Dam C. M. School in Berbice. Extensive painting and repairing of schools was carried out by the missionaries using government funds; in Essequibo at Maria's Pleasure on Wakenaam Island; in Demerara at Better Hope and Wales; in Berbice at New Dam, J. B. Cropper Memorial, No. 48, Crabwood Creek, and Lachmansingh Memorial. One of the most spiritual of the head teachers in our schools, Mr. James Inasi of Ogle, having reached the compulsory retiring age while still in perfect health, has continued his service for the Mission as a catechist.

The Berbice High School—The school passed through another transitional period when the Principal, Mr. K. F. McKenzie, returned to Canada and was succeeded by the Rev. D. J. Firth, Principal of the Corentyne High School. During the year the school not only maintained the academic record for 1948 when the results were highest in the colony for schools writing the Cambridge examinations, but exceeded them. Improvements were also carried out in equipment, levelling the sports field and repairs to the buildings. Installation of a duplicator has assisted in teaching methods and general efficiency. The school continues to maintain its place as one of the six approved secondary schools in the colony.

The Corentyne High School—After long and careful consideration of the contribution made by the Corentyne High School which gives a purely academic education in a predominantly agricultural area it was decided to withdraw from the school as from December 31st, 1949. The government has approved plans to erect an agricultural and technical school for the Corentyne area as soon as funds are voted by the legislature, and this would provide the proper type of education for that area. The Corentyne High School building and equipment has been leased at a very nominal rental to a local board of governors consisting of the East Indian members of the former Corentyne High School Board of Governors, and it is being carried on under the principalship of Mr. J. C. Chandisingh, formerly deputy-principal.

North Formosa

(as abridged because of its length)

The past year has been one of unprecedented change in Formosa. With the capture of more and more of the Chinese Mainland, boats of all sorts loaded with refugees reached Formosa. Government officials came by plane. Housing for these newcomers was in great demand. Many of them brought money with them and with the demand so great, the cost of erection of buildings greatly increased, and rents soared swiftly. Not only so, but because the demand of the newcomers for all sorts of commodities was insistent, prices on all sides rose higher and higher.

Among those who came were Mandarin-speaking Christians. The Church sought to meet this opportunity by having the services translated, or by setting aside a certain time of the day when services could be held in the Mandarin tongue. Perhaps the Church will be the greatest medium of bringing together the Formosans and the Mainlanders. However, the coming of these from the Mainland has made progress possible in many ways.

The staff of missionaries has changed. Help has come from missionaries of the Southern Presbyterian Church, and by two doctors who had served on the Mainland. Mr. and Mrs. de Groot were warmly welcomed.

THE NATIVE CHURCH

All three Presbyteries report that the Church is holding its own, in spite

of outward confusion. It is hoped that all aid-receiving congregations will attain self-support by 1952. Three new churches have been built, and in addition, twelve new aboriginal churches have been constructed in the Mountains.

EVANGELISM

The opportunities for Evangelism have been greater than ever. Permission was obtained for open-air meetings, and those were held several nights a week throughout the city. Some churches held these meetings regularly. Always there are hundreds of people who listen and sometimes a thousand. The young people assist largely in this work. Four churches have their own loud-speaker equipment for this work. There is a great demand for tracts and other Christian literature.

YOUNG PEOPLE'S ACTIVITIES

In the early thirties a youth movement was begun, which was silenced soon after the outbreak of war. In 1948 steps were taken to reorganize the movement. This took the name of the Taiwan Christian Youth and a constitution was drawn up. The first conference of the T.K.C. was held in August of last year, when 150 delegates from all parts of the Island attended. The subject of study was the Church, and the T.K.C. The youth thought together over what they must do if the Church was to make progress. In a year that has been so confused, it is good to see Christian Youth assisting itself so vigorously.

UNIVERSITY STUDENTS

S.C.M. groups are now found in several faculties of the Taiwan University, and in several other colleges. Forty delegates came together in August for a conference at which Dr. Hugh MacMillan with other Formosan Youth workers were leaders. This provided a rare opportunity for these University Youth to face their responsibility to Christ and His Church.

THE HAPPY MOUNT LEPROSY COLONY

During the year there were 30 men and 7 women residing in the Colony. The congregation elected two elders, and one deacon, in the summer. The Mission to the Lepers continues to assist financially.

THEOLOGICAL COLLEGE

In September 1949, the largest number of students applied for admission in the history of the College. There were over 40 applications of whom 22 were accepted, making a total student body of 44, of whom 6 are girls. These students are assisting greatly in supplying vacant congregations around Taipei. The Evening Bible School which has been carrying on for two years is continuing its work. The matter of conscription for army service is causing concern as most of the college students are within the age bracket that are being called up. However, after a conference with the Governor, the students are being allowed for the present to continue their studies.

THE TAM KANG MIDDLE SCHOOL

With the opening of the fall term over 1,000 students wrote the Entrance examinations. Out of these, 300 were accepted, making a total student body of 610. Many of the new students were recent arrivals from the Mainland.

There are 27 teachers on the staff. Because of the influx from China, it has been easier than before to secure highly qualified teachers. A Science teacher on the staff took her post-graduate work in France.

The school day begins with a teachers' prayer meeting, followed by the flag raising and morning worship for the whole school. Before the evening study

period, devotions are held for the boarders, about 180 in number. Four afternoons a week are voluntary Bible study periods.

The School holds the Rugby championship for the whole Island. Several of the older students have recently accepted Christ.

TAMSUI GIRLS' SCHOOL

The enrolment is 411, with the largest number at any one time 310. Among the students are two grand-daughters of the Generalissimo. In June, 87 girls graduated from the Junior School, and 21 from the Senior School. At the beginning of the year the staff was increased by the coming of Miss Wells of the Southern Presbyterian Church, who had been a missionary on the Mainland.

MACKEY MEMORIAL HOSPITAL

During last year the work of rehabilitation of the hospital was completed. It is now equipped to care for 90 in-patients and 14 babies. In the out-patient department, 200 patients daily can be attended to. The staff has been increased during the year from 68 to 90. Three new Formosan doctors were engaged. Two classes of pupil nurses began their training. This increased the nursing staff to 39. Dr. Donald Dale, a graduate of the University of London, was appointed Director of the Medical staff.

In October, Dr. Fotland, a Norwegian missionary who had served on the Mainland, came to supervise the surgical department. A young Formosan woman doctor was engaged as dietitian.

On his arrival Dr. Dale made preparations for setting up the laboratory. Renovations were carried out, and a member of the graduating class of this year of the Taipeh Medical College began training under Dr. Dale's supervision. From E.C.A. a considerable amount of equipment and drugs was received. Later two Formosan Lab. Technicians were engaged, and the tests increased from 200 to more than 2,000 a month. The preaching and teaching mission of the hospital was continued. Great interest was shown in the Gospel message. Many learned to read the Bible, and some were admitted to Church membership. Dr. Dale and Mrs. MacMillan conducted regular Bible study classes for the doctors.

Statistical Statement

In-patients (total hospital days)	24,818
Free Treatment	22%
Out-patients (visits)	41,187
Free treatment	16.6%
Obstetrical Patients	465
Operations	263
Laboratory Tests	11,159
X-ray	1,126

ABORIGINAL WORK

The greatest growth in this work for the year has been among the Ami people.

Many regular meeting places have been established, and several churches have been erected. At one point, at one time, 176 baptisms took place.

The first aboriginal church on the West Coast was dedicated by Rev. James Munro in 1948. Before the end of 1949 there were five Tsal churches in that district.

Many Bible Study Conferences have been held for the Mountain people. The student body in the Bible School numbers 45, of whom half are from the Ami tribes.

CHRISTIAN LITERATURE

A new Church book store was completed during the year, and is now operating with Rev. James Montgomery of the China Sunday School Union in charge. Three organizations are working together harmoniously in this work. These are (a) The Presbyterian Book Room (b) The China Sunday School Union (c) The China Bible House.

The end of the year 1949 finds our Christian church in Formosa elated at the progress that has been made in evangelism during the past year, elated with the number of new churches which have been erected in spite of high prices and shortage of materials, elated with the progress made in sturdy self-support, elated at the progress that the young people have made in definite organization and in willingness to do active Christian work, but uncertain and a little fearful of what the future holds in store. We hope that the people in Canada will pray with us that nothing will interfere with the work of His Kingdom here in Formosa.

Respectfully submitted,

LILLIAN R. DICKSON.

Jhansi Mission Field

GENERAL

We arrived back in India by plane on the 17th of November, 1948, and before the end of the year I was in Bombay getting our baggage which had come by freight cleared through customs. One month later the audio-visual equipment and the station wagon, provided by the church at home for the Jhansi field, arrived and I had to make another trip to Bombay to attend to this. At the end of April I was in Bombay once more, this time to assist Dr. and Mrs. Sterrett through customs. Council felt that on account of my previous experience and knowledge of the customs regulations I was the one to go and assist the Sterretts. Thus within five months of our arrival in India I had travelled 4,200 miles.

On the surface this may seem unnecessary travel and expense, but when one realizes that in spite of the super-human effort of the young and inexperienced government to check corruption, there is still much bribery and theft within and without official circles, the expense and the trouble of such trips are necessary and legitimate. Even so, one tool box was missing before we ever left Bombay! While Dr. Sterrett and I were travelling from Bombay to Jhansi by car with all their luggage, (Mrs. Sterrett and the children had gone up country by train) fifty miles outside of Jhansi we were stoned by a gang of robbers, and were very thankful to escape with nothing more than a couple of dints in the car.

One of the enjoyable events of the year, in spite of the long business sessions, was the visit of Mr. Munro and Miss Pelton as delegates from the Home Church. Their stay in Jhansi and their final meeting with us in Jobat were very profitable as we were able to discuss quite freely with them all the various problems facing us in the work, and to receive from them valuable advice.

The rainfall in the Jhansi district was 15 inches below normal this year. This meant, on the one hand, fewer repairs to the houses and buildings, but, on the other hand, a food shortage so that the Jhansi area will not be able to augment the Government's stock of surplus grains to be sent to needy and famine areas.

We were sorry to say adieu, because of ill health, to one of our co-workers, Mrs. C. L. Young. During her stay with us she tackled a job which few missionaries like—that of being responsible for major repairs in Mission bungalows.

and buildings. All building materials were scarce and strictly rationed. In spite of great difficulty, Mrs. Young came out victorious in being able to secure the materials at controlled prices, to make the much-needed changes and repairs in a number of the buildings.

Our disappointment at the loss of one of our colleagues was followed soon by the joyful news of the appointment of Miss Margaret Leask, and then later by the news of Rev. Russell Self's appointment to our field. At the end of the year I was on the move—this time to Cocanada to be best man at Mr. Self's wedding. Mr. Self will be bringing to Jhansi the third recruit, his bride, Miss Alice Gleason, formerly a missionary with the Canadian Baptist Mission.

We do appreciate very much the effort of our churches at home, and the efforts of our Boards, in sending to us at this time these new missionaries, including Dr. and Mrs. Sterrett who work with us for six months of the year in the Bible School. We are much encouraged, for we now feel that we have the personnel with which to advance for Christ and His Church in the New India.

These new appointments are very timely as we may not have the same freedom, as a Home Church, in sending missionaries to India in the future as in the past. This is written in the light of the recent official statement released from the Government of India through the official organ of the National Christian Council, the National Christian Council Review, which reads as follows: "The National Christian Council has been authorized to state that, while the Government are engaged in formulating their policy, regarding the entry of missionaries, they have agreed to allow replacement of all evangelistic missionaries as well as their augmentation, if a satisfactory case can be made out for enlarged personnel."

BIBLE SCHOOL

The Bible School term opened on March 4th in a seven-day retreat at which were gathered former graduates of the School, as well as evangelistic workers from the surrounding missions. Teachers and students began class work with a greater determination to know and to be obedient to the teachings of the Word of God.

This year we had eight regular students and one part-time student. Four of these were from the Bhil field, two were from other missions, and two, who were being trained for work in our own district, received scholarships. One of these did not measure up and so, like Demas of old, he forsook us, having loved this present world.

There were fewer open-air meetings this year in the Jhansi market place due to periods of unsettled conditions. Frequently Order 144, forbidding more than five persons to assemble in one place, was in force. However, in spite of this, there were 46 meetings, including church services and mid-week prayer meetings, held under the auspices of the Bible School. One hundred and fifty Gospel portions were sold among non-Christians. At twenty of the meetings Kodachrome still pictures on the life of Christ were shown. About 4,000 people saw these slides.

With the visual aids and the car, we were able to reach out into many villages in the vicinity of Jhansi to hold night meetings, and in this way present the message of Christ.

During Easter week when a series of Kodachrome still pictures were shown on the life and passion of our Lord a goodly number of non-Christians attended these meetings night after night. (In fact, we had never seen before so many non-Christians attending Easter meetings). It was during these meetings that two of our pastor's daughters expressed publicly their desire to give their lives in service for the Lord Jesus Christ.

There were six women enrolled in the short course given for the wives of

the Bible School students. The course was extended after two months to include an additional study of flannel-graph methods in Bible teaching. During these two weeks the men and the women took these classes together. A demonstration as to how to teach the lesson was followed by a work period in which husband and wife together prepared materials for their own use.

Two students graduated this year, but only one of these received the School diploma; the other failed. The six women were also given small certificates on which were written the subjects which had been taught them and in which they had passed examinations. About 200 enjoyed the impressive graduation service at which Rev. W. Mahlow was the guest speaker, and about 100 enjoyed the graduation dinner.

Since the close of the school term two months ago we have been in camp in the city of Datia, 15 miles from Jhansi. This may be called and rightly so, the third term of the Bible School for it is here in camp that the students, under the supervision of the missionary, do a definite, practical work in the villages.

Datia was a native state previous to the departure of the British rule and, as in most states, the preaching of the Gospel was forbidden. Now that Datia is merged with other states, and now that India has given religious freedom and the privilege to propagate one's faith, thousands of people in and around Datia are hearing the Gospel for the first time, and we are glad to say that there are many encouraging signs. Since coming to Datia we have held regular Sunday church services as well as a mid-week prayer service, along with an aggressive evangelistic program. Apart from our own group here in camp in the city of Datia itself, there are two Indian Christian nurses working in a state hospital and a Christian school master and his wife and family teaching in a government school here. The regular attendance at church is 12 Christian adults and five children, and four non-Christian adults and four children. The weekly offering from this small group of believers is about one dollar and twenty-five cents.

During our two months' stay here we have had 150 meetings, including 60 meetings which Mrs. Muchan and the Bible woman have had in different homes. In travelling over 300 miles by cycle over hill and dale, through jungles and river beds we have been able to hold meetings in 30 different villages. (What a pounding the cycles take—to say nothing of the riders!). In these meetings, not including the women's meetings, we have preached to about 2,000 people of all castes and they have listened for at least ten minutes. We have sold 450 Gospel portions in Hindi and 100 in Sindhi (The Sindhis are refugees from Pakistan, of whom there are about 7,000 in Datia).

I have called on most of the officials in Datia and in conversation with them I have found that they have had previous contacts with missionaries having been educated, several of them, in Christian colleges. They have welcomed us and have invited us to work in this very needy area.

Respectfully submitted,

JOSEPH MUCHAN.

The Bhil Field

(As synopsisized because of its length)

The new political set-up in India is causing changes of names. What used to be known as Central India is now the Union of Madhya Bharat. The former ruler of Gwalior has now functions similar to those of a Governor. The Union in its Government will follow that of the Central Government with a Prime Minister and ministers of various Departments.

Our Mission formerly in nine Indian states is now in three districts of the Union.

This year in the Bhil country the corn crop was either a complete or partial failure and this does not make for contentment. This will be especially felt by the non-farmer Bhil. The Government has tried to encourage increased food production. Though the changes have not affected the Bhil as much as it has some others, yet even with him, changes are taking place.

As for the missionaries, they are being treated with more friendliness than previously. During the year the staff has been considerably depleted. There are now only three families and six single ladies covering the field.

ALIRAJPUR

Here are eleven Christian families. One of the elders, Mr. George Singh, a teacher in the Government School, has continued to assist in the conduct of services and in the Sunday School. Samuel Tezlo, a recent graduate of the Jhansi Bible School, has done good work as an evangelist under the resident missionary, Rev. C. L. Wood. Another theological student has worked with him.

There are a number of young men working in the Motor Transport services, who cannot attend services through the day, but cottage meetings are held for them on Sundays at 9 p.m. There is an active Women's group, meeting weekly for Bible study, prayer and sewing instruction. In the cold season a six-weeks camp was held where many non-Christians were reached. Two elders gave voluntarily six weeks of their time to assist in this camp. For most of the year a weekly clinic was held at Umrali, a large market centre, seven miles south of Alirajpur.

AMKHUT

The minister settled here has a large congregation scattered in several villages. He also has oversight of the children in the Central Boarding School. At one village there is a school attended by 40 Bhil children. There is a dispensary at Amkhut.

In the M. G. Abey Memorial Home, women and children of the community have received medical care. There are 14 orphan babies in the Home. In the boys' and girls' hostels the enrolment is 88 and 87 respectively.

In the field of education the parents have provided for their children the necessary clothing, books, and bedding, except where the families are too poor to do this.

The enrolment at the Central School is 231, with an average of 188. These children come from practically every corner of the field. In all, 107 Christian families are represented. Only 7 are non-Christian. Of those who completed their course, six boys and four girls were considered worthy of going on with their education; 23 boys and 7 girls have attended school elsewhere. Out of these will come the future workers.

As well as being engaged in school work, the teachers are active in the church. Some of them are elders. The lady teachers are leaders in a women's group.

In April most of the boys and girls who were finishing their course, attended a Communicants' class and professed their faith in Christ.

On August 15th, Miss Stringer began a Teachers' Training Class, attended by four male students, who had obtained their pass matriculation standing. The course followed that set for Government Schools. The Bhil Work Council has asked that the class be continued for the training of village teachers for the whole Bhil area. The Government is planning the opening of many village schools, so there will be openings for a great number of teachers.

SARDI

This Church has 34 families. A special evangelistic effort was made during

the year under the supervision of the local minister, with the aid of evangelists and missionaries. The effort was to revive the spiritual life of those men who were church members. Special classes were held for the women.

At the village of Vegra, three miles from Sardi, Miss Ruth Buchanan has continued her effort in rural uplift.

MENDHA

Here there is a flourishing church with a young ordained minister in charge. Seven adults were received into full membership. District Evangelism has been carried on with the use of the projector. The people of this district have shown a special interest of late. A non-Christian Bhil came four miles to purchase a Bible. The village postman has read the New Testament through four times.

The district Evangelism was supervised by Mr. Knox and several have shared in the effort.

The non-Christian Bhils in this area have shown marked interest in the education of their children and have asked for Christian teachers. The dispensary was under Jobat Hospital for the first part of the year.

JOBAT

This congregation is changing from a group of mission employees to one, also, of young people, engaged in various work in the town. The women are nearly 100% literate, and are potential leaders of work among women through the Church.

Handwork is being taught, and from its sale, \$150 was realized.

Six villages around Jobat have been regularly visited. The School here has an enrolment of 75. Two of the five teachers have had teacher training.

THE HOSPITAL

For the first half of the year a large number of patients received treatment in Jobat Hospital, where Dr. Quinn was in charge. Clinics were carried on in several places. On leaving for Canada, Dr. Quinn left an Indian doctor, Dr. Pannallal in charge. He has been assisted by three senior Compounders, three graduate nurses, and thirteen partially trained student nurses and Compounders. The number of patients has decreased considerably since July. The departure of a doctor as capable as Dr. Quinn has left a vacancy which will be hard to fill. His untiring efforts and readiness to care for any one and every one created a reputation for the Jobat Hospital, as a place where the needy always received help.

The first four months of the year before returning to the Language School at Landour, Miss Mary Nichol devoted part of her time to work in the Hospital. The experience there she found invaluable, learning of tropical diseases from the teaching of Dr. Quinn, and in observing and nursing patients. She also attended some of the Clinics with Dr. Quinn. In October, on completion of her language study, she was appointed to district work.

At CHACHANIYA there is an organized congregation of six farmer families. They have no minister, but services have been conducted regularly.

BARWANI

There have been four main centres in this section of the field, viz., Barwani, Khalghat, Osara, and Toran Mal. Rev. Gordon Agar is now in charge of this area. Khalghat is a distinctly Hindu area. The Christian congregation is made up of very poor laborers. The Christians here number over 100.

There are at present seven young Bhil Christians studying for full-time Evangelistic service.

This year for the first time, the Synod of the United Church of Northern India met at Jobat in November. Mr. Wood was chosen as Moderator for the ensuing term. The commissioners to the Synod meeting had evidence of a live Church in the Bhil area.

The following quotation is taken from a book put out by a Hindu organization, telling about their school which is one of the newer educational institutions, and in which there is not one Christian child and probably no Christian teacher. To commemorate special occasions they adopt different projects. One project was based on 'The Life of Jesus'. They said: "If there is one thing which can lift humanity out of the depths of its present misery and the sufferings caused by its own greed and hatred, it is the message of Jesus". This is our message to the Bhils.

Respectfully submitted,

CHRISTIAN LITERATURE SOCIETY — SHANGHAI

Christian Literature Society has come through a difficult year. Quite a few members of C.L.S. resigned during the year, largely due to sickness. Three died, one of them, Mr. Loh, Secretary of the International Bible Reading Association. One, Mr. Yep, is still in a mental hospital, as a war victim. Mr. Yep had to do three people's work when the editors of Happy Childhood and Women's Messenger were in Hong Kong. We pray for him. During the year I was granted sick leave for three months, and after that vacation, I resumed my duty again in the office of C.L.S. I am now much better and feel most grateful to God for my recovery.

Five tracts have been issued by C.L.S. since my recovery:

1. What Is the Chief Good? 2. What Is Providence? 3. The Meaning of Suffering. 4. The Problem of Evil. 5. What Is Justice?

These are in the series, entitled, Woodbrooke Tracts on Religion and Morals, by Loofty Levonian.

At the time Mr. Loh was sick, I was asked to do his work. So I.B.R.A. Bible Reading Course for January-June, 1950 was translated by my daughter Grace and me. It was published and came out of the press last week. We are now preparing the second half of the year's lessons for I.B.R.A.

My former colleague, Mr. T. M. Chen, has come back to help me again in the translation work, and with his help and that of my daughter, we have finished the translation and adaptation of Georgia Harkness "The Dark Night of the Soul"; this Mss was passed for printing recently. I hope this year, 1950, may see its publication. Another Mss, "Does God Care?", by Lindsay Dewar, was prepared and passed, but not issued yet, due to lack of funds.

Sermons by Martin Luther, John Wesley, F. Robertson and others have been translated and adapted. We are now waiting for more sermons, which we hope to publish in book form.

Besides, I spent some of my time in looking over Mss sent in by outsiders, and sometimes I made suggestions and corrections of those Mss.

Nowadays there are ever so many meetings in C.L.S. This new development is an effort to meet the new situation.

With the situation getting to be more quiet, I hope we may produce more books and tracts in the coming year. Once more I wish to express my hearty thanks for what God has done for us, and for your continued support and your untiring interest in our work in C.L.S.

May God bless you all, and the churches in Canada!

Z. K. ZIA.

MISSION TO KOREANS IN JAPAN

In February, Dr. Luther Young arrived in Japan, the first missionary to return to the work among the Koreans since the close of the war. In May Mrs. Young returned, and Rev. and Mrs. Paul Rumball and daughter Janet were welcomed in June. As the Koreans would rather have their services in their own language than in Japanese Mr. Rumball has been working on the language and preaching on Sundays through an interpreter, usually Mrs. Rumball.

PROPERTIES

The residence owned by the Board of Missions having been burned in March, 1947, the two families at present are living in the W.M.S. house. The contractor who built this house took several months to make the necessary repairs, as nothing had been done to the house for ten years, and many had occupied it. We are grateful to the Mission Board for these repairs so that we have a comfortable home again.

Two new Korean Churches were erected during the year. One in Osaka, called Nishinari, which was being built at the time of the visit of Miss Pelton and Mr. Munro, and was completed afterwards, thanks to the grant of \$1,000 from the W.M.S. (W.D.). A new church and manse were also built in Kobe during the year. A third church is now under construction at Mukogawa, halfway between Kobe and Osaka, but they are at present in the position of not being able to finish that which they have begun.

THE NATIVE CHURCH

When the missionaries were evacuated in 1940, they left a flourishing church. There were over seventy churches and prayer meeting places. When the first missionary returned in February, 1949, he saw few of the pre-war Christians in our present day churches; in one case in the city of Osaka where formerly there were 150 baptized members, there are just five of these Christians left. The situation is unique. Has it any parallel in mission annals? When the 400,000 Koreans were repatriated to Korea at the close of the war, nearly all our Christians returned to Korea. Therefore we miss the zealous Korean pastors, evangelists and Bible Women of former days, but we rejoice in the fact that a goodly number of new believers have come into the churches during the five years since the war ended.

WOMEN'S ORGANIZATIONS

One of the joys of returning to the work has been that of seeing how the women of the church have carried on. We were rather surprised to find that although there are only two Bible Women at present in the whole church, yet almost every church has a women's organization or Women's Preaching Society as is the literal interpretation of the Korean name. In spite of the many difficulties and lack of leaders, brave and faithful women who love the Lord Jesus are meeting every month and seeking to do their part in the church to which they belong. One does not meet many women who were in the church here previous to the war, but when we do meet the few who remain, there is great

rejoicing. On the other hand one is often introduced to some woman who has only recently made her decision to follow Christ, and again there is rejoicing.

In former days we had a sort of Presbyterial, at least, an annual meeting to which delegates came from the various groups. This was not held since 1940, but in October, 1949, it was reorganized. It was a time of fellowship for all. The reports were good, and we were pleased to see that some of the groups had carried on special evangelistic services in an effort to reach non-Christian women, but at the same time quite a number of men heard the message and gave their hearts to the Lord. Some of the groups have made generous contributions to their local church building fund, and in many other ways have been a blessing. We trust that these courageous, faithful women may be greatly used in the coming year.

YOUNG PEOPLE'S WORK AND SUNDAY SCHOOLS

The Young People's Society in the Korean Church is an organization for helping in any special meetings and campaigns of evangelism. Most of the churches have such an organization but some are not very active. The 20th anniversary of the Christian Endeavour at Kyoto was held last July. The meeting began in the afternoon with devotions and then the story of the First Easter was given by means of the flannelgraph. This was followed by an hour's discussion on various subjects, especially problems facing young people of today. In the evening about 200 people attended the preaching service, and pictures from the life of Stephen were shown. The meeting was inspirational and instructive. The Kobe group has recently added something of a social nature to their programmes, giving one or two meetings a year to such fellowship.

The Sunday Schools are not reaching out for the young people as we would like to see them do. However, in most churches there is a Bible Class for Young People and for adults. Some Daily Vacation Bible Schools were carried on in August, and these were quite successful. At Kobe about fifty children gathered together every day for a week and learned choruses, memorized Scripture verses, and had the Bible Stories presented in several ways. The last night there was an open meeting held when pictures were shown by means of the projector. Much valuable experience was gained which will be of benefit for next year.

BIBLE CLASSES

We had the privilege of having a former pastor, Rev. C. S. Kim, Th.D., with us for two months' special evangelistic meetings. He is pastor of South Gate Presbyterian Church in Seoul, Korea, one of the largest churches in Korea, which has a membership of over 1,000. With Dr. and Mrs. Young he held special meetings in all our Korean Churches in Japan, and Bible Classes in four of the churches. In his 57 days in Japan he spoke at 71 meetings. In the good old days in Korea, Bible Classes of one week's duration were held once or twice a year in most of the churches. It is a good sign here to see that the Christians are continuing these classes. Every church urged us to stay for a week's Bible Study. Concerning one of the classes held at Mukogawa Church, Dr. Kim says, "We met together four times every day; early morning prayer meeting from 5-6, Bible Study from 10-12, discussion hour 2-4, and a special evangelistic meeting at night, to which non-Christians were invited. We had a great time every day. The Holy Spirit led us by His power. Everybody had a wonderful time. We spent the whole day with tears, joy and gladness. We all felt more than ever that we ought to live for His Glory and His sake all our lifetime."

EVANGELISTIC WORK

Our work this year has been greatly hindered by the lack of Korean pastors. We have only four pastors for the 15 churches at present, and therefore much of the work has to be carried on by laymen. As the Seminaries in Southern Korea have now heavy enrolments, this lack of Korean pastors should be greatly

remedied in the coming year. Dr. Kim wrote an article called "The Korean Church that I saw in Japan" (November-December, 1949). In this article he writes "I arrived back in Tokyo on November 15th, having left in 1944, and found it greatly changed. Before Japan surrendered there were five Korean Churches in Tokyo; my own was filled with young people so that there was no more place to sit, and a large number of them had to stand; some were outside the church. But now there is only one church in Tokyo with about 70 Christians. They have no church, but worship in the chapel of the Y.M.C.A. It caused me sadness and great sorrow. I do pray God may bless the church so that she may increase as before the war." The condition in all localities is about the same as in Tokyo.

During the war many Koreans were brought over from Korea to work in coal mines and factories, so there are more Koreans in Japan now than previous to 1940, over 600,000. We regard it as our task to give the Gospel to all these Koreans in Japan. Please pray that we may soon be able to secure consecrated Korean pastors to fill the vacancies and reach out into the regions beyond. The time is now!

(MRS.) MIRIAM YOUNG.

REPORT OF THE WOMAN'S MISSIONARY SOCIETY (E.D.)

The Woman's Missionary Society (E.D.) respectfully submits the following report for the year ending September 1949.

HOME MISSIONS:

We have once more our own Presbyterian Immigration Worker at the Halifax Pier. Mrs. George Ingraham of Halifax has begun work and is executing it in a very capable manner. - Half of her salary is paid by the E.D. The carrying on of much of our H.M. work by our deaconesses has been in all cases praiseworthy. Our only regret is that we have not more in training for the work facing us.

One of the encouraging features from our Literature Secretary was the greatly increased expenditure of monies for study material, thus our women are being better informed on Missions.

The increase in the price of our *Message* did not affect the number of subscriptions. It has been increased to twenty pages.

Grants were given as usual to the Maritime Home for Girls, Interprovincial Home at Coverdale, N.B., Camp Geddies, as well as Visual Education. Bursaries to young men studying for the ministry were given as usual. Dr. Cameron, always welcome to the Maritimes, was our special speaker at our Annual Meeting in Charlottetown and gave us a very lucid picture of our Foreign Mission work, its "Lights and Shadows".

A cabinet has been placed in St. James Church, Charlottetown, by Mr. and Mrs. W. A. Stewart, for articles of historical value. This was viewed by many interested. Mrs. W. A. Stewart has been our Historical Secretary for many years.

FOREIGN MISSIONS:

We have another lady missionary in British Guiana, Miss Anna McDonald went down in October.

We have one deaconess. The Council is asking us to use \$3,716.97, which had been given for the building of the Corentyne High School, to provide a more suitable home for our E.D. workers in Berbice.

The car given to our workers is being used by some of the other workers.

Some of our societies have given Mrs. Dickson contributions for carrying on her work.

INDIA:

Miss Mary Nicholl, our missionary here, is doing district medical work under the Council.

From our Corresponding Secretary's Report:

OVERSEAS WORK

British Guiana: Miss Mary E. Anderson continues her work in Burns Memorial Church, Georgetown. The attendance in the Sunday School is now over one hundred and twelve Indian teachers assisting Miss Anderson. Country Women's Groups are held regularly in five districts. Open-air services for men and women are held and eight schools are visited each month. As a result of this work twenty people have been added to the Church. Miss Margaret Ramsay's work is on the Essequibo Coast and on the islands of Waakenam and Leguan. Evangelistic services under the leadership of Rev. John Elder have awakened interest and inquiry regarding the Christian way of life.

India: Bhil Field—One of the advances in this field has been the organization of a teacher-training class under the direction of Miss Irene Stringer, who was posted to this field on her return from furlough. Ten of the pupils in the Amkhut school have gone on to high school.

Miss Margaret Kennedy's work is among the women, Christian and non-Christian. With the Christian women the Laubach method has been successfully used and as a result many have learned to read. This ability and an added knowledge of sewing and weaving have helped to raise the economic level.

Miss Marion Williamson became Superintendent of the M. G. Abey Memorial Children's Home after Miss Gertrude Rollo, Reg. N., had to return home after a serious illness. In September Miss Isabel McConnell, Reg. N., returned to India and is on the staff of the Vellore Hospital. Miss Bessie M. MacMurchy, Reg. N., was loaned to the Mid-India Board as Director of Post-graduate Courses for Nurses.

Jhansi Field: Two hundred Christian girls are enrolled in the Helen Macdonald Memorial School. A number of younger non-Christian boys and girls come

as day pupils. Eighty per cent of all Christian girls from the Jhansi area, representing thousands of villages, are passing through our School. One of our graduates is the only Christian student from all of North India in the Women's Christian Medical College at Ludhiana. Two young women from our staff have taken special evangelistic training at Madras. We have now undertaken to become a higher secondary school which means that the training comes up to within two years of Bachelor of Arts degree. We hope to add a Science Department. Regular and competent Bible Training is conducted throughout the year.

Miss Margaret Leask, B.A., M.R.E., who was added to the staff in October will direct the Science Department of the School.

Miss Beatrice Scott, B.A., was transferred from the Bhil Field and is now Principal of the School.

Miss Hazel Reaveley has completed her language study and will do evangelistic work.

Many Christian girls leave this school well qualified for leadership in whatever field they chose to enter. Many become Christian while in the School. The School, from an academic point of view and also because of its distinctive Christian character, is highly regarded by neighbouring missions and by the government.

Taiwan: In this field opportunities for evangelistic work are greater than ever before. Four of the churches have purchased loud-speaker equipment which is most necessary in evangelistic work. Gospel portions and tracts are in demand and progress is being made among university students.

Girls' School—A maximum number of girls enrolled, 411. A larger proportion of Christians on the teaching staff.

Miss Dorothy Douglas continues to give counsel and leadership and to head up the classes in Scripture and in English.

Miss Isabel Taylor, A.T.C.M., continues her work in the music department.

Miss Hildur Hermanson, Reg. N., has had a most strenuous year. We have been able to engage a Norwegian nurse to assist Miss Hermanson and *Mrs. Hugh MacMillan, Reg. N.*, still gives full-time service.

A Bible woman with an assistant completes the hospital staff.

The Church, North and South, has printed and published jointly ten books and booklets, 11,972 Bibles and Testaments were sold and 58,708 Bible portions distributed.

Taiwan is perhaps the door most widely open to us and challenges us to manifest a daring and courage equal to that displayed by our ambassadors who are serving there at present.

CANDIDATES DEPARTMENT:

In June Miss Winifred Ripley of Armstrong, B.C., a graduate deaconess, was appointed to our staff of national missionaries. In September Miss Margaret Leask, B.A., of Uxbridge, Ontario, was designated for service in India and has since been appointed to the Helen Macdonald School in Jhansi.

NATIONAL MISSIONS:

Chinese in Canada: New interest is evident in the four centres, Victoria, Vancouver, Toronto and Montreal, where our work is carried on amongst the Chinese in Canada. Nine missionaries under our Society work in these four areas. All organizations report a splendid year. Special progress is noted in Young People's work. Classes in English have been conducted for the many Chinese young people who have come to Canada recently.

INDIAN SCHOOLS:

The total enrolment at the two Indian Residential Schools, Birtle and Cecilia Jeffrey, at Kenora, was 290, seventeen of whom were High School students. Due

to the untiring efforts of the Principals and members of staff at both schools many improvements have been made. We would express our appreciation to Rev. James M. Grant of Kenora and Rev. James Marnoch, Elphinstone, for their kindly assistance.

DEACONESS DEPARTMENT:

From British Columbia to Quebec our deaconesses are serving as hospital visitors and as a port receptionist, helping to establish work in new housing areas, assisting displaced persons, serving as leaders of girls' and children's groups, as directors of nursery schools and kindergartens and as directors and leaders at summer camps and Bible Vacation Schools. Student deaconesses are employed in summer months to assist at camps, Vacation Schools or to do some specific work as requested by Presbyteries.

ST. MARGARET'S GIRLS' CENTRE, TORONTO:

Thirty girls between the ages of twelve and fifteen have been admitted in residence at St. Margaret's Girls' Centre during the four years of its existence. The group has not exceeded eight at any one time and each year has shown an increase in satisfactory results.

The girls have done well in school. Their health has responded to care, Christian training and a regular way of life. The present group sings in Victoria Church choir, attends Sunday School, has taken prizes in C.G.I.T., and two seniors have won their credit at camp so that they can return as leaders.

There is a definite follow-up work by the Superintendent for those who, having finished school, have gone out from St. Margaret's to earn their living.

WELCOME AND WELFARE:

The number of visits made through this Department has increased and the appreciation expressed particularly by many of those coming from European countries is encouraging. Many of these people have joined the Church and were it possible to keep more accurate records we feel sure that the number added through this Department would be of special interest.

SUPPLY DEPARTMENT:

The money allocation for this Department was used in the purchase of clothing and necessary equipment in the two Indian Residential Schools, for the Chinese kindergartens, for St. Margaret's Girls' Centre, for Christopher Lake Camp and for many articles needed in overseas fields. Material supplies, generously supplied, went to the five Indian Reserves, to hospitals and to meet requests throughout the Church and Society.

CHRISTIAN LITERATURE:

Through the work of this Department we share in what is perhaps the greatest opportunity before the Christian Church today. In reply to urgent appeals from eleven countries, through the Committee on World Literacy and Christian Literature special grants were made. Many gifts have come in for this work and in all we have been able to give \$3,417.00 more than in any previous year.

LIBRARY:

The interest in this particular branch of service continues to grow and secretaries report the appreciation recorded by those who have enjoyed good reading material which otherwise would have been denied to them. Local hospitals, convalescent homes, homes for the aged, lumber camps, R.C.M.P. outposts, as well as Indian Reserves and Schools have not been overlooked. Missionaries at home and overseas have been remembered and have expressed their appreciation of the splendid books and magazine subscriptions sent to them.

PUBLICATIONS:

In 1949 the number of subscriptions for *The Glad Tidings* increased approximately seven hundred. This increase in subscriptions did not cover the increases in cost of publication which occurred during the year. Consequently the difference between the cost of publication and the amount the members of the Society are paying for the magazine is shown in the financial statement by a loss of \$2,206.67.

During the year 1949 free leaflets were issued for the *Welcome and Welfare Department* and for the *Literature Department*; the revised *Constitution* was printed as was *The Handbook for Officers*. As in former years the Literature Department co-operated in the preparation and distribution of *The Presbyterian Church Calendar*. The study theme for 1949-50 was *Japan* and materials on that theme were made available for Auxiliaries, Girls' Groups and Children's Groups. The total literature sales for 1949 were \$5,457.52.

THE PRESBYTERIAN COLLEGE, MONTREAL

REPORT OF THE BOARD OF MANAGEMENT

To the Venerable the General Assembly:

The Board of Management of The Presbyterian College, Montreal, has pleasure in reporting that during the Session 1949-1950 the College, apart from its finances, is in a better position than at any time during the past eight years.

The Faculty, under the able and inspired leadership of Principal Robert Lennox has done splendid work and the student body, the largest since the war years, is made up of men of excellent quality. A spirit of harmony and co-operation has prevailed and there has been a marked enthusiasm and confidence regarding the future. Your Board is confident that, with the filling of the vacant chairs, which it fervently prays may no longer be delayed, the College is entering upon a new era of fruitful service to the Church. As we contemplate the work of the coming year we wish to say that we have given much prayerful consideration to the work of the department of Pastoral Theology and Homiletics and have decided to expand it to include especially Field Work, in order that young men may be still better trained to perform the practical task of the Ministry. Besides supplying Mission Churches in the vicinity of the College, students will be assigned special work in the churches of the Synod of Montreal and Ottawa, all of which will be done now under the supervision of the head of this department. This new work will be in the nature of an experiment throughout the coming year and, we are happy to announce, will be directed by the Rev. Dr. C. R. Bell, who will devote all his time to it.

The College buildings are in fair condition. Much needed improvements to the interior were made at small cost during the past year by our permanent staff with a little outside assistance. There are indications, however, that outside repairs will have to be executed immediately or as soon as weather permits. This is particularly true of the roof, and is not surprising in view of the fact that little or nothing has been done in this respect for a number of years.

The financial condition of your College continues to be difficult, and calls for the most rigid economy in administration and even then, there is a deficit, as shown in the accompanying financial statement. This deficit is approximately the difference between the estimate in the budget prepared by the Board and our allocation. This statement does not include the accumulated debt claimed by the Pension Board, which now amounts to about \$5,000. and which we carry as a contingent liability until some final decision is reached regarding this matter.

Throughout the year your Board has given diligent attention to the instructions of last year's Assembly regarding the Chair of Church History and History of Religions. It has carefully reviewed its nomination of last year, the Rev. H. Keith Markell, B.A., giving consideration to the name of the Rev. W. Stanford Reid, M.A., S.T., Ph.D., and finds no reason to change its mind. Your Board is eminently satisfied with the scholastic training, teaching ability, theological soundness and devout religious life of Mr. Markell.

Furthermore, your Board has now for two years thoroughly canvassed the field for one suitable to occupy the Chair of New Testament Literature and Exegesis. During these two years this work has been performed to the entire satisfaction of all concerned by the Rev. Richard E. Mumma, B.A., B.D. His wide knowledge of the subject, his evident gifts as a teacher and the whole-hearted manner in which he has entered into the religious life of the College have commended him to us.

Your Board, therefore, respectfully recommends:

1. That the Rev. H. Keith Markell, B.A., be appointed Professor of Church History and the History of Religions, and,
2. That the Rev. Richard E. Mumma, B.A., B.D., be appointed Professor of New Testament Literature and Exegesis.

Respectfully submitted,

DAVID MCGILL,

Honorary Secretary.

GREGOR BARCLAY,

Chairman.

REPORT OF THE SENATE OF THE PRESBYTERIAN COLLEGE, MONTREAL

To the Venerable the General Assembly:

The Senate of the Presbyterian College, Montreal, begs to submit the following report for the session 1949-50.

The Session just concluded was marked first of all by being almost three weeks longer, permission for which was granted by last year's Assembly. In the second place, in accordance with plans intimated in last year's report, the work of the year was distributed fairly equally over two terms with final examinations coming at the end of each. This has worked out to the evident satisfaction of both Faculty and Students. In the third place the diligence with which the students have applied themselves was indicated in their request that the Library be open certain hours in the evening. This has been done through the voluntary service of the students themselves who have assumed responsibility for this in their turn.

The members of the teaching staff and their subjects are as follows:

Principal Robert Lennox—Old Testament.

The Reverend Richard E. Mumma—New Testament.

Professor F. Scott Mackenzie—Systematic Theology and Church Government.

R. LENNOX,
Principal,

AUDITOR'S REPORT

30th March, 1950

To the Finance Committee,
The Presbyterian College, Montreal
Montreal, Quebec.

We have examined the books and accounts of The Presbyterian College, Montreal, for the year ended 31st January, 1950 and append hereto balance sheet as at that date, together with relative statements.

We verified the correctness of the Mortgage Loans and the investments in stocks and bonds by certificate from the Montreal Trust Company.

In accordance with a resolution of the Board of Management, the statements have been compiled by treating revenue on a cash received basis and the expenditure on an accrued basis.

The revenues from mortgages and securities during the year under review have been pro rated according to the capital amounts of the various endowments, including scholarships.

We examined the records of revenue from students' fees and deposits for caution money, which are kept at the College. We also agreed the total cash received as shown by the cash book with the total amounts paid in to the Montreal Trust Company, the College's fiscal agent.

No provision has been made in the accounts covering depreciation on the buildings and equipment.

Subject to the above remarks, we report that the attached balance sheet is properly drawn up so as to exhibit a true and correct view of the financial position of the College as at 31st January, 1950, according to the best of our information and the explanations given to us, and as shown by the books of the College.

(Signed) RIDDELL, STEAD, GRAHAM & HUTCHISON,

Auditors.

KNOX COLLEGE

REPORT OF THE BOARD OF MANAGEMENT

To the Venerable the General Assembly:

The Board of Management of Knox College begs to submit its one hundred and sixth report.

The report of the Senate shows the important part played in the life of the Church by Knox College. The Board deems that the Church is immensely indebted to the Principal and to the teaching staff for their faithfulness in their service. During the past few years these have helped to add to the already great prestige of the College.

The residences were completely filled during the academic year. Last summer they were re-decorated and great satisfaction has been expressed by the resident students and others.

Two very welcome additions to our capital funds were received during the past year. The General Endowment Fund benefitted to the extent of \$32,443 from the Peace Thankoffering Fund making a total received from that source of \$92,443. The Bursary Fund received a bequest from the estate of the late Rev. A. E. Vert of \$5,000. This is to be known as 'The Reverend Albert E. Vert and the Nettie F. Vert Bequest'. Preference under this bequest is to go to students from British Columbia and the West. We commend this method of helping the College to other members of the Church, and would suggest that such gifts would be especially welcome at this time of high costs and low rates of interest.

And the words 'high costs and low rates of interest' need to be emphasized. The Board of the College almost despairs of arousing the concern of the General Assembly and the Church at large to the increasingly dangerous financial position into which the Board is being forced. Since the end of the war the rising costs of labour and material, the addition of a professor to the teaching staff, the calmant need of repairs and replacements, which have been only too long delayed, have had to be met by the Board without any corresponding increase in income. It is no wonder that during those years the current deficits amounting to \$50,000 have had to be met from the General Endowment Fund. If it had not been that several large bequests have fallen due, which more than cover the deficits, the picture would be black indeed. But there is a limit beyond which the Board cannot legally go with respect to this use of the Endowment Funds.

Let the Church consider these figures applying to the maintenance of the teaching department. The income available for this is as follows:

From Endowments, Interest	\$12,522
From Budget of Church	20,000
	\$32,522

The expenditures in this department:

To Teaching Staff	\$25,306
To Cavan Library	1,500
	\$26,806

This leaves \$5,716 to meet Insurance; repairs on a \$1,000,000 building; heat and light (the overall cost of these two items alone in 1949 was over \$12,000); secretarial work and office expenses; travelling expenses of members of Board and Senate; cost of help to operate the college and keep it clean; etc., etc. Is it any wonder that last year over \$14,000 had to be taken from the Endowment to meet the deficit. One thing must be remembered—these costs cannot be reduced without impairing the efficiency and adequacy of the theological training.

There are some who tell us that the deficit should not be taken from the capital of the Endowment Funds but they cannot tell us where it can be obtained excepting from the Budget Funds of the Church.

Certain major repairs to roof and entrances and to steam heating installations will have to be done in the immediate future. When General Assembly is considering the allocations to the different Boards we beg of it to keep these things in mind.

We are happy to report that negotiations for the Cavan Library have been successfully completed. The Library with all the contents thereof lodged in Knox College, with the Library Endowment Fund of \$25,000 is now in full and complete possession of Knox College.

The documents, etc., which have been kept in the Provincial Archives since 1925 and which were held by the Province for the use of both Churches are now being transferred to the possession of Victoria University where they will be lodged in an accessible place for study and consultation. The shadow upon that picture, however, is that for the past twenty-five years the burden of upkeep of the Library has been shared to a certain extent with Victoria University. Now the whole cost must be borne by Knox.

But it is not the Board of the College alone that is feeling the strain. There is a cry from Macedonia, otherwise the student-body. Attached to this report as an addendum is a letter received and studied by the Board of the College. With the sentiments of this letter the Board is in cordial agreement but feels it is not in a position to meet its prayer. We ask the General Assembly to take cognisance of the conditions which the letter presents.

Your Board, both within its own meetings and by consultation through a committee has been studying the matter of increased salaries to professors. The Board is still keenly insistent upon an outcome favourable to the professors, but realizes that all that can be done at this Assembly is to report progress.

We submit the following recommendations:—

1. That General Assembly, either within itself or by whatever means it deems best, consider the latter attached as an addendum to this report and take such action as may be possible to meet the problems raised.
2. That the authority given to the Board of the College at the last Assembly with regard to Professors' salaries be again granted for another year.

All of which is respectfully submitted.

W. T. McCREE,

Secretary.

R. M. SEDGEWICK,

Chairman.

REQUEST TO THE SENATE OF KNOX COLLEGE

FROM THE MISSIONARY AND THEOLOGICAL SOCIETY

The Missionary and Theological Society is becoming increasingly concerned about the financial difficulties facing students and prospective students for the Ministry of the Presbyterian Church. The Society has requested its Student Life and Work Committee to outline the situation from the point of view of the student and to present it, together with a suggestion for a possible solution, to the Senate of Knox College with the request that the Senate bring this matter before the General Assembly.

The Society realizes that the Senate is very much alive to many of the difficulties and hopes that the Society's voice and suggestions may serve towards obtaining some solution to the present difficulties.

The Situation:

- (1) The present costs of University life are becoming increasingly burdensome to the student.

ARTS (Toronto)		THEOLOGY	
Fees	\$250.00	Negligible	
31 Weeks Board and Room	310.00	Fees	\$ 20.00
		28 Weeks Board and Room	280.00
	\$560.00		\$300.00
		Miscellaneous—books, lockers, etc.	

- (2) The Church expects its students for the Ministry to serve during the summer on summer Mission Fields. Maximum 19 weeks at \$16.00 per week—\$304.00—gross income. It is conceivable that a Theolog could scrape through on what he earns during the year by preaching (presuming he is a single man with no extra financial responsibilities). It is far more difficult in the case of the man in Arts.
- (3) If a student does not take a summer field but seeks other employment, it is possible that in special cases he can make more money, but highly paid seasonal work is becoming increasingly scarce.
- (4) If a student has continually to take years off to work, it increases his already lengthy course of 6 or 7 years to a possible 10 or 12 years. In view of the tremendous immediate need for ministers this is surely highly undesirable.
- (5) The expense of the Arts Course discourages men from taking Honour Courses (4 years) and forces them to take the Pass Course (3 years). In the University of Toronto the Pass Course is certainly an inferior course which fails to realize the potentialities of the student.
- (6) There are at present a number of men enrolled in Knox College who feel that as far as finances are concerned, but for the accident (or providence) of the war (and subsequent D.V.A. assistance) they would never have been able to study for the Ministry of the Church.
- (7) It has been drawn to the attention of the Society (as is undoubtedly well known to the Senate) that there are men who have expressed an interest in and a desire to study for the Ministry of the Presbyterian Church, but due to the long course of study, and the expense involved have been discouraged from beginning.

Suggestions for Solution

The Society has no desire that students for the Ministry should be pampered, and is well aware of the fact that the financial aspect of recruitment for the Ministry is only one phase of a larger situation, but, nevertheless, a very important one. In view of the great need at present for ministers and the considerable lack of response among our young men, the Society feels that this is one feature which must be considered very seriously. Therefore, the Society would suggest:

- (i) That the General Assembly be approached with a view to setting up a fund over and above the present Bursary Fund, under the supervision of the Senates of the two Colleges to enable adequate assistance to be given to students in their complete course of training.
- (ii) Students receiving aid from such a Fund would be expected to serve on summer fields during their vacation and to serve for at least two years on an ordained mission field, or else to assume as a debt to be repaid to the Fund, the amount they had received.

Convener,

THE REPORT OF THE SENATE OF KNOX COLLEGE

To the Venerable the General Assembly:

The Senate of Knox College begs to submit the one hundred and sixth annual report.

The Session of 1949-1950 has, as usual, been an exceedingly busy one. In accord with the instructions of last year's Assembly, the academic year has been extended one month. This has proved a distinct advantage since, by the lengthened term, we have been able to adjust the necessary work more adequately to the needs of both the undergraduate and graduate classes.

We had an enrolment of fifty regular students, (the largest number since 1917), seventeen being in the first year, twenty in the second year and thirteen in the graduating class. Besides these, two young men from France, sponsored by the World Council of Churches, M. Pierre Lutz from Strasbourg, and Mr. Albert Charra from Montpellier, have taken the work of the third year. Also a guest student was a Korean young man from Japan, Mr. Wench Kim, who took part of the work of the first year.

The College continues to carry on extensive post-graduate work, with seventy-two students in various stages of B.D., M.Th., and D.Th. work. (B.D., 63; M.Th., 8; D.Th., 1)

The continued interest on the part of many of our congregations in the work of Knox College was apparent on the night of Convocation when the Chapel was again filled beyond its capacity. The main address was given by the Reverend Charles L. Cowan, B.D., D.D., Moderator of the General Assembly. Dr. Cowan reminded the graduates that in this present critical time "the Church and her ministry could not look for security such as the world seeks and regards it." Altogether, it was a most practical and challenging message, particularly for those about to begin their ministry in Jesus Christ. The names of those who were granted the diploma of the College are: A. K. Campbell, B.A.; K. C. Doka, B.A.; Fraser Dunbar, B.A.; James Farris, M.A.; G. J. Gendron, B.A.; D. G. M. Herron, B.A.; Alvin McIntosh, B.A.; M. S. McLean, B.A.; Wilfred McLeod, K. F. McKenzie, B.A.; J. K. L. McGown, B.A.; A. C. G. Muir, B.A.; Victor Raison, B.A.

The post-graduate degree of Bachelor of Divinity was conferred upon four of our young ministers: Rev. A. J. Calder, B.A.; Rev. R. T. Hall, B.A.; Rev. J. C. Hay, M.A.; Rev. R. H. M. Kerr, B.A.

The degree of Doctor of Divinity (honoris causa) was conferred upon Rev. Edgar Foreman, B.A., who has given long and distinguished service in his several pastorates both west and east, and especially in the Courts of the Church. This degree was also conferred upon Rev. William White Moore, B.A., who has laboured for over twenty years, most efficiently, in the Mistawasis Indian Reserve.

As in recent years, the College has concentrated upon thorough instruction in practical work. Practical Theology embraces Religious Education, Homiletics and Liturgics, Pastoral Theology (including Psychiatry and Mental Hygiene), Practical Ministerial Ethics, Church Government and Procedure. This work has been undertaken by four professors of the faculty. The special courses are being continued, namely, that of Public Speaking by Rev. G. A. McMullen, B.A.; Liturgical Music by Mr. Carman H. Milligan, Mus. Bac.; and lectures on Chris-

tian Missions by Rev. Arthur A. Lowther, M.A., B.D.; and by Rev. Dr. Albright, of the Canadian School of Missions. Students have frequently expressed to the Principal their deep appreciation of the practical training they are receiving in these various courses.

In recent years, the college authorities have become increasingly concerned about the many demands made upon the students by mission fields and vacant charges for Sunday supply. This, undoubtedly, has been a help to the students financially but the Senate believes that it is detrimental to their educational interests and to the academic status of the College. A college regulation states that a student may not take more than two Sundays' supply per month. However, due to the prevailing high costs which face students today, it has been deemed wise to relax that regulation in the meantime in cases of special hardship; but it is also believed that such regulation must be maintained in principle if the College is to function properly in that for which it has been established. Unfortunately, in the last two years, supply arrangements have been frequently made between Presbyteries, congregations and students without first consulting the college authorities, and in view of this, the Senate is asking that the Assembly issue an instruction that such practice be discontinued. The Minute, as adopted by the Senate, is as follows: "All supply engagements of students in course must be made through the Senate of the College or its duly appointed representatives." The Senate trusts that the Presbyteries will appreciate this difficulty and co-operate in this very important matter.

W. W. BRYDEN,
Principal.

**REPORT OF THE COMMITTEE ON CHURCH
ARCHITECTURE**

To the Venerable the General Assembly:

The responsibility for the work of this committee has been borne by the Convener, Dr. Stuart C. Parker, until his death on January 15, 1950. The whole church was indebted to him for his wise counsel out of an informed mind concerning the building of a proper place of worship. Dr. Parker answered the letters requesting advice so the committee did not meet.

The work of this committee is an important one, particularly at this time of the construction of many new Presbyterian Churches across the Dominion. Serious faults can be avoided if careful consideration is given to the plans by a competent architect. The congregation which has only a limited amount to spend cannot afford to be without the technical advice of a good church architect. There are certain forms of design which experience has proved create that atmosphere which makes the worshipper realize that he is in the house of God and not a concert hall. This committee can be of assistance when consulted by congregations planning new buildings or alterations to old ones.

Frequently, the minister has little knowledge of the proper forms of ecclesiastical architecture and the students in our theological colleges could profit from some instruction in the history of church architecture. A book such as A. L. Drummonds, "The Church Architecture of Protestantism" is invaluable.

The Presbyterian Church in Canada has some places of worship which are among the most beautiful in the land and it is hoped that this committee can be of help in planning other beautiful places of worship.

All of which is respectfully submitted.

KENNETH M. GLAZIER,

Member of the Committee.

REPORT OF THE BOARD OF EVANGELISM AND SOCIAL ACTION

I—EVANGELISM

It is clear from the action of the last two General Assemblies that the Board of Evangelism and Social Action was given the task of preparing a nation wide programme of **ADVANCE IN CHRISTIAN WITNESS**, with literature, posters, radio programmes, etc. After considerable study the Board now places before this Assembly a programme which is designed to implement the will of the Assembly. Copies of this programme have been sent to every minister of the Church and a number of laymen, and copies are now in the hands of the Commissioners. From the number of comments received the Board is led to believe that the programme has met with the favour of a considerable portion of the Church. It should be pointed out that it is set forth in the briefest and most concise form, but should the Assembly decide to adopt it, the Board is prepared to implement it with a number of pamphlets on such subjects: How to Conduct a Preaching Mission; The Meaning of Personal and Visitation Evangelism; The Importance of Teaching Missions, etc. The Boards of the Church have already made known their willingness to co-operate in this movement. The success or failure, however, will rest with the Presbyteries and individual ministers. The Board of Evangelism and Social Action will give all of the aid within its power, but it is desirable that the power and initiative of the Presbyteries be given every opportunity to forward and express the spirit of the *Advance*.

The Board therefore recommends:

1. That the programme for **ADVANCE IN CHRISTIAN WITNESS** be adopted forthwith.
2. That the Presbyteries be advised to set up special committees to implement the Programme of the **ADVANCE**.
3. That the Board be authorized to proceed with the preparation and publication of such pamphlets as will further and assist Presbyteries in the implementation of the **ADVANCE**.

II—SOCIAL ACTION

A. CHURCH AND NATION

The Committee on Church and Nation has been working in collaboration with the Committee on Articles of Faith with a view to rewriting Chapter 23 of the Westminster Confession of Faith. This was done in accordance with instructions from General Assembly. The Joint Committees are not prepared to make a complete report this year.

B. ECONOMIC JUSTICE

The purpose of this Committee of the Board is to awaken our Church to see the importance of relevancy in Christian witness. If the Church's faith is irrelevant to life then the Church's witness is very limited in the world. For Christ's Church to divorce the Gospel from the problem of life is to deny the transforming and sanctifying power of our Lord and Saviour Jesus Christ. There is no real victory or positive witness in a divorced conception of the Gospel. Christians are often critical of governments, but if Christians are

divorced from politics, how can there be righteous government? We would not minimize the place and importance of the great and primary work of bringing men to a profession of faith in Christ—but neither can we agree that this constitutes the whole work of the Church, for while a convert renounces all sin in principle he must still be taught the whole counsel of God if he is to live righteously. This means that even in the business of earning a living all believers are to glorify God. This will require understanding the gospel as it applies in each situation, and furthermore, teaching by teachers who understand these problems. Unless our faith is made relevant in all of these economic situations in which we find ourselves we deny the power of the Lord Jesus Christ to change and transform life. Unless the gospel has relevance to men where they are it will do little towards changing their lives. Our Church's future will be determined by the nature of her witness. Will it be the glorious witness of a relevant and living faith or the Ichabod witness of an irrelevant and dying faith?

Recommendations:

- (a) That special speakers such as Prof. Paul Lehman, Professor of Applied Christianity at Princeton Seminary, be used at Synod meetings where feasible. Such a speaker could preside over a panel discussion of leaders of Business and Labour.
- (b) That local ministers do everything in their power to arrange round table conferences with the men of their congregations and discuss with them their problems at work and in business. Thus ministers will come to understand these problems much more fully and be better able to apply the gospel.
- (c) That a Bibliography be established with the following books suggested: Fletcher—"Christianity and Property" (Westminster Press, Philadelphia); Haroutunian—"The Lust for Power" (Scribner's).

C. CHURCH AND ALCOHOL

The problems connected with the consumption of Alcohol have reached tremendous proportions. Not only is the enormous expenditure a serious consideration but also the tremendous Social Problems of Drunken Driving, Mounting Crime Rate, Broken Homes, etc., which put an added tax on all Social Provisions to meet such conditions. Our task will be to remedy this situation in whatever way possible. Two methods are largely at our disposal, Evangelism and Education. We stress the primary importance of the Redeeming Grace of Christ in attacking the Alcohol Problem. When a man finds God he has no need for Alcohol. The Church must study anew the causes for Alcohol consumption. (The Yale School of Alcohol Studies is providing leadership along these lines.) Your Board is seeking more and more to understand Alcoholism as a symptom of a deeper problem, a problem involving frustration, despair, guilt, monotony and anxiety which reach deeply into life. The first and most urgent need is Evangelism. The Second need is for Education. There is the necessity of providing new and relevant literature for the home, Church and School. Leadership Training is essential in this matter as far as our Churches are concerned. Likewise we must press for the inauguration of courses of instruction in Public and Secondary Schools, and even in our Universities to present some of the scientific facts concerning the use of Alcohol and its social consequences.

The Board reports a widespread acceptance in principle of the article on Church and Alcohol sent down to the Presbyteries by the last General Assembly. Some Presbyteries suggested minor changes but on the whole, replies were most favourable.

Recommendations:

5. That the Article on Church and Alcohol sent down to Presbyteries by the General Assembly, 1949, be adopted as a Scriptural Statement of the position

of The Presbyterian Church in Canada, and that it be published for the use of our people.

6. That as the central thesis of this article is the meaning of Christian Liberty as opposed to licence, we protest against the abuse of Christian Liberty by the excessive use of alcohol. We believe that drunkenness is a denial of liberty, a sin against the Lord Jesus Christ, and an evil meriting the wrath of God.
7. That we recognize that the use of alcohol in many instances is due to a failure of the individual to meet the outward and inward stresses of personal and modern life, and furthermore, that the Grace of God manifest in Jesus Christ is the only sufficient answer to human need.
8. That we recommend to the proper authorities that the nature and function of alcohol be taught not only in Sunday Schools, but also in Public Schools, High Schools and Universities.

D. THE CHURCH AND MARRIAGE

On instructions from the General Assembly of 1947, the Board has given serious thought to the question of Christian Marriage, with a view to publishing a pamphlet or handbook which would serve as a guide to the Ministers of our Church. The subject has necessitated prolonged study on the part of the Committee appointed by the Board to consider the matter and we present only a progress report.

An article on The Meaning and Responsibility of Christian Marriage was prepared in 1947 and this, in part, was embodied in the introductory draft of the proposed pamphlet which was placed before the General Assembly in 1948. As many of the questions involved were of the controversial nature and as it was important that the mind of the Church should be known concerning them, the Board, with the permission of the General Assembly, submitted a questionnaire to the Presbyteries. The replies, which were examined by the Board, were condensed and presented to the General Assembly in 1949. They indicated that the Presbyteries were keenly interested and that they appreciated both the difficulty and urgency of producing an adequate Church statement on Marriage. At the request of the Board, authority was given to continue and intensify the inquiry.

During the past year the Board has moved definitely toward the completion of the booklet. Its form has been decided upon and also its scope. It was not considered practicable to deal with all the questions raised in the various overtures presented by Presbyteries and Synods, but the following is an outline of the contents agreed upon: An Introduction, dealing with the influences which threaten to disrupt modern family life, A Brief History of Human Marriage, The Meaning of Marriage—its Origin, Nature and Purpose, Christian Marriage and the Home, Pre-Marital and Post-Marital Counselling, Civil Marriage, Mixed Marriages, Divorce and Re-marriage.

These subjects have been assigned to various members of the Board and to others who have been co-opted for the work. Much of the material is now on hand and it is hoped that the booklet will be ready for printing before the end of the current year.

E. MOTION PICTURES

The motion picture is still a tremendous influential force in the formation of public opinion and morality. Your Board has been concerned with offsetting some of these unfavourable influences. A public censorship would help a great deal—that is only the better films be supported—but something more positive must be done. The Board would reiterate its recommendations of last year that wherever possible the Church meet the secular challenge of movies by providing Saturday programmes of movies of a suitable nature, and other entertainment.

The Board is further cognizant of the use that the Roman Catholic Church is making of the commercial movie theatres and would suggest that it is interesting and worthwhile for Protestants to study this aspect and seek to discover how it is being done. The Board notes with satisfaction that it is becoming increasingly manifest that large numbers of people do not appreciate being propagandized in entertainment houses.

Recommendations:

9. That the Assembly commend to Synods the value of seeking representation on the several provincial Boards of Motion Picture Censorship.
10. That where practicable the Church meet the secular movie challenge to our children by organizing Saturday programmes, Christian movies, and good films of a suitable nature.

F. LORD'S DAY OBSERVANCE

The past few months have revealed persistent and organized efforts to break down the Lord's Day Act. The Board feels that the Spirit which motivated the Lord's Day Act should not be lost in the discussion of the problem. The Act was never meant to curb a person's personal liberty but to prevent those commercial interests who would exploit human labour from doing so. Furthermore, since Christian people are not under law but under Grace, the Board feels that they should use their Christian Liberty to influence and set a good example to others as to true function and use of the Lord's Day, as a day of Worship, Rest and Remembrance in which the redeeming mercies of the Lord of Sabbath may be acknowledged and renewed.

Recommendations:

11. That the following resolution be adopted: "In view of the present effort by 'commercialized' sport interests to break down the Lord's Day Act, and secure an open Sunday, we would lodge our protest against this whole approach, believing that an open Sunday would work great harm to our people."
 - (i) It would do away with Sunday as a day of worship and relaxation for many people.
 - (ii) It would reduce the stature of the individual, since without God the moral values that elevate life are weakened and this whole approach re-enforces the present materialistic trend, so much to the fore in the world of today.
 - (iii) With the Lord's Day Act as at present constituted there is every provision made for healthful activities. It is "commercialized sport" that finds the door closed by the Lord's Day Act.
12. That in view of all this we call upon our people to do everything possible to preserve Sunday as a day of worship, relaxation and rest.

G. CHURCH RELIEF ABROAD

The Church Relief Abroad Committee was appointed by the Board of Evangelism and Social Action. The personnel, however, was drawn from other Boards of the Church and the W.M.S. This committee worked in co-operation with the Inter-Church Aid Committee of the Canadian Council of Churches, which in turn worked in co-operation with the relief and rehabilitation organizations of the World Council of Churches. The Board is happy to report that Presbyterian people have been most generous in answering appeals for funds and clothing for relief purposes. No other Church in Canada responded as generously as did ours.

The situation as far as relief is concerned is much better in many regions where relief was necessary. England, Ireland and Scotland have asked that no

further aid be sent. There is still great need, however, in Germany, Poland, Greece, Italy and Asia. What relief supplies are now coming in is expected to meet this need.

There is now a need for financial assistance for Churches in Europe and Asia. If the life of these countries is to be rehabilitated it must be done in spiritual and ethical terms. The Church therefore is of paramount importance in these areas. The Canadian Churches are being asked for \$100,000 to meet some of this need and as their share in the project, The Presbyterian Church in Canada is asked to contribute \$15,000 for this purpose. Already some preliminary work has been done on this. Publicity has appeared in the Record and pamphlets have been mailed to all ministers. The Board urges that every congregation strive to have some share in this all important work. If our people respond as they did before then we will do our part.

Recommendation:

13. That the General Assembly urge all our congregations to take cognizance of the tremendous importance of the work of Rehabilitation of Church life abroad and that every congregation be urged to make some contribution to our objective.

H. INDEPENDENT BOARDS AND ASSOCIATIONS

The Board took under consideration the increasing number of independent councils, associations, organizations and boards which carry on various types of religious and social service and call upon the Churches for support and often personnel. It is evident that in many cases they are doing things for the Church which the Church ought to be doing for herself. In many cases the Church is asked to subscribe to policy and practice which she has not created. Representation is not officially from the courts of the Church but through individuals who are chosen by the organization itself. Furthermore, too often the Church is tempted to do nothing about certain issues all because there are independent organizations making this their sole concern. The Church's failure to deal specifically in these fields creates the danger of an unbalanced message to the world.

Recommendation:

14. That the General Assembly recognize that the question of Temperance, The Lord's Day Act and Religious Education ought to be the immediate concern of the Church and not matters to be relegated to outside organizations.

All of which is respectfully submitted.

E. C. McCULLAGH
Acting Chairman.

ALLAN L. FARRIS,
Secretary.

REPORT OF THE COMMITTEE ON HISTORY

To the Venerable the General Assembly:

In presenting the report of the Historical Committee for the past year, your committee would again express the regret that, in so many quarters in our Church, so little interest seems to be taken in this subject or in the work of this committee. Moreover, there seems to be a lack of co-operation shown between the various Courts of the Church as is evidenced by the report of the Convener of one of the largest Synods in the Church that, in response for information on the subject, only two Conveners in his Synod responded. The Assembly's Convener can bear a like witness for, of over twenty letters issued to the members of the committee, only a few replies were received. As this committee's membership is so widely scattered over the Church it has not been thought fit to call the committee together and this, not only because of the matter of expense but, also, of inconvenience to the members. The Convener has, therefore, had to depend for the information contained in the report on matter contained in the RECORD and other publications, on annual reports forwarded to him and on information supplied to him by members of the committee through correspondence.

The information to hand shows that there is progress being made in the Church and, as witness the number of Memorials, etc., in one form or another, a general air of prosperity abroad.

Cornerstones for new Churches were laid during the past year (some have been already built and dedicated) at Pickering, Ont.; Kimberley, B.C.; Armour Heights, Toronto; Val d'Or, Quebec; while in Montreal we have three, MacVicar Memorial, Ephraim Scott Memorial and the Chinese Church.

Churches completed and dedicated include Knox, Indian Brook, N.S.; Bethel, Scotsburn, N.S.; the Italian Church, Montreal; Geneva, Ont.; Chesley, Ont.; Picton, Ont.; St. Matthew's, Toronto; Lenore, Man.; Killarney, Man.; Strathcona, Edmonton and Westmount, Edmonton, Alta.; Hungarian Mission, B. C.; Kerrisdale, Vancouver, B.C. (new hall) and West Point Grey, Vancouver, B.C. (extensions to Church and Sabbath School Hall). Of Churches renovated and dedicated the following are reported viz: Olivet, Toronto; Snow Road, Ont.; Atwood, Ont.; St. Andrew's, Wingham, Ont.; Knox, Kincardine, Ont.; Knox, Glenarm, Ont.; St. Andrew's, Creemore, Ont.; Knox, Campbellton, N.B.; Rosetown, Sask. and St. Andrew's, Swift Current, Sask.

The following report mortgages burned, viz: St. Matthew's, Montreal; First Church, Verdun, Que.; Rogers Memorial, Toronto; Chalmers, Hamilton; Beaverton, Ont.; Sault Ste. Marie, Ont.; St. Andrew's, Biggar, Sask. and Knox, Calgary, Alta. Pulpits were dedicated in St. Andrew's, New Glasgow, N.S.; St. Andrew's, Merritton, Ont., while a new Vestry was dedicated in Central Church, Hamilton, Ont. A new Communion set was dedicated at Carragana, Sask.

Baptismal Fonts are reported by Kensington, P.E.I.; Knox, Ayton, Ont.; St. Paul's, Amherst Island, Ont.; St. Andrew's, Wingham, Ont.; Kinburn, Ont. and Rosetown, Sask.

Memorial windows have been installed in the following Churches: St. James, Charlottetown, P.E.I.; Big Bras d'Or, N.S.; St. Andrew's, Lunenburg, N.S.; Sedgwick Memorial, Tatamagouche, N.S.; St. John's, Cornwall; Glenarm, Ont.; Oakwood, Toronto; St. Andrew's, Guelph, Ont.; Thorold, Ont. and Rocky Mountain House, Alta.

The following is a partial list of new Organs installed and dedicated: Knox, Kincardine, Ont.; Knox, Teeswater, Ont.; Caledonia, Ont.; First Church, Seaford, Ont.; Trail, B.C. and Knox, Cranbrook, B.C.

Some congregations have had Memorial Bells or Chimes installed, among these are: St. Peter's, Madoc; Westminster, Smiths Falls; Penetanguishene; Knox, Tara; Knox, Oakville; St. Andrew's, Southampton, all in Ontario and Mistawasis Reserve, Sask.

Other Memorials include Plaques and Tablets: Knox, Ottawa, Ont.; Knox, Mitchell, Ont.; St. Paul's, Thornbury, Ont. and Rocky Mountain House, Alta.

Communion Table and Lectern, St. Andrew's, Que.

Offering Plates, St. Andrew's, Stirling, Ont., and Kensington, P.E.I.

New Lights, St. Andrew's, Lunenburg, N.S.; new seats, Knox, Dunnville, Ont., while a new nursery was dedicated in Knox Church, Ottawa, Ont.

Of special mention, the dedication of the Peace Memorial Camp, at Lancaster, Ont., by the Synod of Montreal and Ottawa is to be noted. This will fill a long felt want in that Synod.

All these Memorials show that there is a general prosperity throughout the Church and speak well for the interest taken by individuals and groups in the adornment and beautification of the Sanctuary.

Of Anniversaries observed, only those congregations celebrating their Centennials or are of older origin are mentioned. These include the following: Stamford, Ont. (166), Lancaster, Ont. (161), Niagara-on-the-Lake (158), St. Andrew's, Kingston, Ont. (143), Simcoe (134), New Glasgow, N.S. (132), St. Andrew's, Perth (132), Richmond Hill, Ont. (132), Tyne Valley, P.E.I. (130), Streetsville, Ont. (129), Howick, Que. (126), Georgetown, Que. (126), St. Andrew's, Ottawa, Ont. (121), Winterbourne, Ont. (120), St. Paul's, Peterborough, Ont. (116), Westminster, Smiths Falls, Ont. (116), St. Andrew's, Huntingdon, Que. (115), Woodstock, Ont. (115), Cardinal, Ont. (114), St. Andrew's, Tillsonburg, Ont. (113), St. Andrew's, Picton, Ont. (116), Fergus, Ont. (114), Gananoque, Ont. (113), Knox, St. Thomas, Ont. (111), Puslinch, Ont. (111), Merritt, Ont. (110), St. Andrew's, Hamilton, Bermuda (106), First Church, St. Mary's, Ont. (101), while the following have this year observed their Centennials: Ingersoll; Knox, Port Dover; Barrie; Markdale; Ashburn; Durham; Wick; Woodville and Norwich, all in Ontario.

Your committee would fain hope that, in this year when so much information has been sent down to all concerned as to the observance of the 75th Anniversary, an increased interest may be taken in the objects which this committee has at heart and that a closer co-operation might be established on the matter between all concerned in Congregations, Presbyteries, Sessions and the General Assembly. We again commend the suggestion that all books and documents pertaining to the history of the congregations be carefully preserved and, for safe keeping, placed in the hands of a central committee to be deposited in a safe place.

We, therefore, recommend:

1. That Synods arrange for the reception and preservation of all books and documents relating to the history of the congregations within their bounds and,
2. That the Convener of the committee be informed by the Clerk of the General Assembly of any sums allocated by the Board of Administration to this committee for its work.

All of which is respectfully submitted.

WM. MERRILEES,

Convener.

THE "PENMARVIAN" HOME

To the Venerable the General Assembly:

Under the capable direction of Miss Winnifred Ferguson, our Superintendent, the high standard of Penmarvian has again been well maintained throughout the year under review.

All work of rehabilitation has now been completed, including installation of new electric range, new washing machine and a new furnace; the latter having played out after more than 30 year's service.

During the year, we lost by death, two of our dearly beloved and venerable guests, Rev. Charles Lowry at the advanced age of 93, after one year's residence, and Rev. Jos. McNeill, after nine years of invalidism. Our average number of guests is 14, and with a resident staff of 3, makes a resident household of 17. At the moment we have 2 vacant rooms and desire the Church at large to know this fact.

We recommend that the magnificent homelike facilities which are available be made known throughout our Ministry. We know of no more congenial surroundings in which the retired servants of our Church can spend their eventide than in the environment of Penmarvian.

During the year we received the following donations from ladies' organizations throughout our Church. We gratefully acknowledge these kind tokens and record they are deeply appreciated:

Brockville, First Presbyterian	\$10.00
Women's Guild, Knox, Sarnia	50.00
Ladies' Aid, Monkton, Ontario	5.00
Burn's Church, Milverton	5.00
Ladies' Aid, St. Andrew's, Tillsonburg	15.00
Ladies' Aid, Burks Falls, Ontario	10.00
Personal Gift	10.00
Ladies' Aid, Creston, B.C.	10.00

The matter of financing Penmarvian from the revenue received from our guests, plus the interest from the Trust Fund still is a very vexing problem. This has been aggravated by the high cost of food and supplies and the low rates of interest prevailing on our investments on the one hand and the fixed income of our guests on the other hand. Under these conditions, it is impossible to balance our budget.

The Home has been completely redecorated. This has had the effect of not only changing the appearance, but also the atmosphere of the Home and made it, to quote Miss Ferguson's words, "A House Beautiful".

We cannot close this report without paying high tribute to Miss Ferguson and her capable staff. Their loyalty and devotion are unparalleled. To Mr. Fred Hughes, our gardener and houseman, goes a special word of praise for the way in which he tends to the outside, gardens and grounds, making them a showplace and a perfect setting for the Home.

All of which is respectfully submitted.

B. M. HANNIGAN,
Chairman,
Penmarvian House Committee.

E. A. THOMSON,
Secretary.

REPORT OF THE BOARD OF ADMINISTRATION

To the Venerable the General Assembly:

Your Board of Administration have dealt with the various matters of routine and special business assigned to them.

THE PEACE THANKOFFERING CHURCH BUILDING FUND

In the general distribution of the proceeds of the Advance Fund, the Peace Thankoffering Church Building Fund received the sum of \$307,890.40. Against this, thirteen loans, amounting to a total of \$341,500.00 have been approved. Five further applications for loans amounting to a total of \$125,000.00 have also been received. It is with the greatest regret that the Board find themselves unable to make any further loans from this Fund. The Board have therefore been reluctantly compelled to advise the Presbyteries of the Church that no further applications can be entertained.

63 ST. GEORGE STREET, TORONTO

The Board reported to the General Assembly of 1949 that the property known as 63 St. George Street, Toronto, was at that time in the hands of the City of Toronto under Emergency Shelter Regulations. On October 31, 1949 the City relinquished all control and on behalf of the Church the Board took over the premises. Negotiations as to space required by the various boards of the Church were immediately commenced. On April 14, 1950 the offices moved into the building and intimation of this fact was made to the Church. In the meantime extensive repairs and replacements were effected to make the building at once suitable for offices and a credit to the Church. While not entirely completed, most satisfactory progress has been made. The Board would record their deep sense of appreciation of the splendid services rendered by Mr. Allan George, F.R.A.I.C., of the firm of Messrs. George and Moorhouse, Architects, of Toronto. Mr. George took a personal interest in the work and brought to bear upon it the great gifts of mind and heart which he possesses as well as the benefit of long experience in his profession.

A Committee of the Board under the able convenership of Mr. J. M. McIntosh of Toronto was appointed, first, to press for possession of the building and, second, to carry out the many details incidental to repair and renovation. The Board would take this opportunity of thanking Mr. McIntosh for his fine leadership throughout all the undertakings and for the great interest, patience and care he exercised in carrying forward the task to a successful conclusion. The Board plan the dedication of the building as soon as the remaining work is completed.

For some years the business offices of the Church have occupied the 8th Floor of 100 Adelaide Street, West. When the rent of these premises was greatly increased two years ago, the Board were deeply concerned over the tremendous financial burden thus imposed. The Board were therefore greatly relieved when the manager of the building intimated that he had secured three tenants and that he was ready to relieve the Board of the heavy responsibility of the lease after April 30, 1950. A happy solution of this problem was thus effected.

THE PRESBYTERIAN RESIDENCE, SASKATOON

Thirty-four male students in attendance at the University of Saskatchewan have been in residence during the academic year. A Committee composed of ministers and laymen of the province of Saskatchewan with the provinces of Manitoba and Alberta represented has been formed to have direct oversight of the work of the residence. The Chairman of the Board of Administration pre-

sided at the inaugural meeting of the Committee; Rev. E. S. Mackay was elected Chairman, and Rev. J. M. Young, Secretary. A dean of residence has not as yet been appointed. The Board have expressed approval of an appointment for a three-year period as an encouragement to some suitable minister to undertake this work and are recommending financial support accordingly. A word of especial appreciation is due the Superintendent of the residence, Mrs. J. H. Cameron.

THE PRE-THEOLOGICAL SCHOOL, HALIFAX

Dr. H. L. Stewart, Dean, reports that his work has been extensive among the Presbyterian students in the various faculties of Dalhousie University; with the candidates for the ministry of our Church in Arts and Science at Dalhousie and Acadia Universities; and with three catechists appointed to fields within the Synod of the Maritime Provinces.

THE BOOK OF PRAISE

New arrangements with the University of Oxford Press promise to make the different editions of the Book of Praise more readily available. It is now possible for the trade throughout Canada to place in stock all editions. The Board have recently authorized the following printing: P100-1, 20,000 copies; P200, 15,000 copies; and P400, 5,000 copies; all three in England; and P300, 10,000 copies, in Canada. This will assure an adequate supply both for the Church and the trade.

RE STANDARD OF SALARIES IN EDUCATION

The Board of Knox College approached the General Assembly of 1949 seeking authority to increase the salaries of the professors. A recommendation, adopted by the General Assembly, permitted both Knox College and Presbyterian College, Montreal, to make appropriate allowances for the college year commencing October 1, 1949 and this was carried out. Further, the Boards of the two Colleges and the Board of Administration were instructed to study the whole matter of the standard of salaries in the field of education. The Board are recommending further study of the question, as to date, the report can only be one of progress.

RE TAXABLE INCOME OF MINISTERS

The Board referred this problem to the Inter-Church Committee on Legal Affairs. Largely as a result of the efforts of this Committee, amendments favourable to the ministers were made in the Income Tax Act, retroactive to 1948. The Board were thus enabled to intimate this relief to the ministers of the Church in time to adjust their annual income tax returns.

BOARD OF SABBATH SCHOOLS AND YOUNG PEOPLE'S SOCIETIES

To the Venerable the General Assembly:

In presenting this report your Board gives thanks to Almighty God for His continued mercy and blessing upon the work of the Church among our children and youth, and prays that God will strengthen our Church with His Grace and guide her with His Spirit that we may give to Him our obedient service and glorify His Holy Name.

The Annual Meeting of the Board was held on April 20th and 21st, 1950.

With gratitude to Almighty God your Board reports encouraging increases in the Sunday School department and in the mid-week groups for the boys and girls. Reports have been received from 36 new Sunday Schools. There are 308 additional teachers and officers and an increase of 3,372 in the enrolment of pupils. The total enrolment in all departments is 83,406, an increase of 5,216 from 1948. We commend to the General Assembly a study of the Summary of Statistics which is attached to this report and would especially mention the contributions of \$30,169.00 to missions by the Sunday Schools and Young People's Societies.

While we are grateful for the increases in the number of mid-week groups, your Board would remind the General Assembly and the Church that there are more than 700 congregations and preaching stations which have no such groups for Christian teaching of our boys and girls. There is great need for Kirk-Sessions to instruct parents in their responsibilities for the Christian nurture of their children. The Sunday School can never replace the parents as the first teachers of the children. The Board will give assistance to congregations wishing to establish Parent-Teacher Associations.

Your Board feels that the problem of adult Christian teaching is one of the most serious for the strength and future of the Church. Less than 3% of the adult membership of the Church is enrolled in Bible classes today. Even the majority of these are teen-age young people. This indicates clearly that our Church members have forsaken group Bible study. This can have only grave effects upon the vitality of the Church's faith and life. The Board is presenting an important recommendation concerning this matter.

During 1949 the Church was without the services of a National Girls' Work Secretary. Mrs. H. Keefer, Secretary of the Girls' Work Department of the Women's Missionary Society (W.D.), gave splendid leadership in this work, and the Board expresses to her their sincere appreciation and gratitude. Miss Lily Macarthur, Children's Work Secretary of the Women's Missionary Society (W.D.), has worked in co-operation with your Board and has rendered a most valuable service in our Children's work and in Vacation Bible Schools. To her and to the Women's Missionary Society we express our sincere appreciation and gratitude.

In co-operation with representative young people throughout the Church your Board prepared a new study book for Young People's Societies entitled "Jesus Christ is Our Lord". A second study book entitled "The Church of Jesus Christ" is being prepared for this present year. While there are some decreases in the number of Societies, there is reason for thanksgiving and encouragement because our young people are undertaking serious Bible study which will prepare them for active Church membership. The Board requests every minister to give assistance to the young people in the use of these study programmes.

Upon the instructions of the General Assembly, 1949, your Board co-operated with the Synod of Alberta in establishing the Presbyterian Training School at Medicine Hat. A committee of the Board has prepared a very fine curriculum which includes twelve courses of study in the Bible, the Christian faith and the history and work of the Church. Rules and regulations for the operation of this school have been prepared. In September Rev. J. E. Bigelow, B.A., B.D., S.T.M., was appointed Superintendent of the School. A Board of Management composed of members of the Synod of Alberta, and representatives of the Office of Western Missions and the Women's Missionary Society (W.D.), was also appointed. The Board of Management, of which S/L Rev. James Dunn is chairman, has assumed responsibility for recruitment, management, publicity and finance for the operation and maintenance of the School. The School building and property were purchased by the Women's Missionary Society (W.D.), with funds received from the estate of the late Miss Jessie Davidson through the Auxiliary of St. Andrew's Church, Guelph. The Women's Missionary Society also made extensive alterations to the building. For this most generous gift and assistance, the Board expresses deep gratitude to the Society. Plans are completed for a four weeks' summer course and a six months' course of study beginning on October 1st. The Board records its appreciation for the valuable leadership which is being given by the chairman and members of the Board of Management. There is great need for the training of Church workers and this School is established for this purpose. Your Board seeks the prayers and support of the whole Church for this important new School.

The Curriculum Committee has worked faithfully throughout the year, studying the Scriptural basis of Christian teaching and the Lesson Helps of denominations and Publishing Houses on this continent. It is pursuing its study of Lesson Helps from Presbyterian Churches in Great Britain, Australia and New Zealand. Commendable features in these have been drawn to the notice of lesson-writers, and constant effort is made to make our Lesson Helps more useful. The Curriculum Committee is agreed that our own Presbyterian Lesson Helps should be used in our Sunday Schools. The Committee is preparing a statement of the Biblical doctrine of Christian teaching.

The General Assembly of 1949 requested the Board of Sabbath Schools and Young People's Societies to consider programme material and literature suitable for Young Married Couples' Groups. The Board has discovered that there is a wide variety of activities and a lack of uniformity in these groups throughout our Church. Because of this it is not advisable to produce new literature at the present time. In reply to the request of the General Assembly, your Board has prepared to send to ministers a list of books which are recommended as study books and programme material for such groups. The Board will continue its study and give every assistance possible to these groups.

The work of the Board of Sabbath Schools and Young People's Societies is constantly expanding. Because the ministry of Christian Teaching is so vital to the life and growth of the Church, it is necessary that every effort be made to intensify the work of Christian Teaching in every area of the Church's life. This alone can assure the Church of strong membership and increase the Church's witness to Jesus Christ in the world today.

RECOMMENDATIONS

1. That the thanks of the General Assembly be extended to the teachers and officers of our Sabbath Schools and the leaders among our young people, to the conveners of our Synod and Presbytery committees who have been faithful in the discharge of their important duties, to the ministers who have given instruction in the various normal, secondary and elementary schools where such is permitted under provincial statute, to Dr. John McNab, Editor of the *Presbyterian Record* for providing space for the presentation of the work of

our Board, to Rev. N. G. Smith, who, both as a minister and Editor of Presbyterian Publications, has given unstintingly of his time, talents and energy in the work of the Church, and to the Women's Missionary Society for co-operation and assistance in Children's Work, Girls' Work, and Youth Work, and in our camps.

2. In view of the studies and report of the Curriculum Committee respecting Sunday School Lesson Helps, the Board recommends that the General Assembly encourage all Sunday Schools to use our own publications.
3. That, in view of the sacred vows and promises made by parents when their children are received into the Church by baptism, and in view of the unique blessings and responsibilities bestowed upon families by God in the covenant relationship, it is recommended that the General Assembly request Kirk-Sessions to instruct parents in the responsibilities as believing parents and as recipients of the grace of Baptism, and exercise necessary Christian discipline in this matter.
4. That the General Assembly request Kirk-Sessions to give serious consideration to the formation of Parent-Teacher Associations or other steps necessary to bring the home and the Sunday School more closely together.
5. That, in view of the fact that the Church can only give a living witness to Jesus Christ when her members are being continually instructed in the knowledge of God's Word, and in view of the fact that adult Christian teaching through Bible classes has almost completely disappeared from our Church at the present time, the General Assembly request Kirk-Sessions to provide periods of Bible study for all Church members and parents.
6. That the General Assembly request Synods and Presbyteries to keep before all congregations the importance of the Teaching ministry of our Church and to establish within all Presbyteries or congregations schools for the training of Sunday School teachers and Church workers.
7. That, in view of the fact that a Boys' Work Secretary has not been appointed, and, in view of the varied, extensive and expanding work of this Board and the urgent necessity of preparing new literature for all branches of Christian teaching, such as, Vacation Bible Schools, Summer Camps, and Teacher Training Classes, the General Assembly give consideration to the need and advisability of appointing an Assistant Secretary of the Board of Sabbath Schools and Young People's Societies.

All of which is respectfully submitted,

C. J. MACKAY,
Convener.

J. S. CLARKE,
General Secretary.

THE COMMITTEE OF REPRESENTATIVES TO THE CANADIAN COUNCIL OF CHURCHES

To the Venerable the General Assembly:

The sixth annual meeting of The Canadian Council of Churches was held within St. John's College, Winnipeg, on November 23-26, 1949, and was attended by the following representatives of our Church: Rev. Wm. Barclay, D.D., Rev. E. A. Thomson, D.D., Rev. Stuart B. Coles, Rev. D. W. Campbell, Rev. R. A. Sinclair, Miss Laura K. Pelton, Mr. H. S. Mann, and the Convener. Rev. W. Gordon Maclean, D.D., of Winnipeg, was asked to sit and correspond. His morning devotions were a singularly fine contribution to the meetings of the Council.

The bracing atmosphere of Winnipeg may have been responsible for some of the more exciting items of business. Some concern was shown over the misunderstanding with The Canadian Council of Laymen's use of the term "Council". The suggestion that the Council of Churches change from annual to biennial meetings produced a lengthy discussion. In favour of the status quo it was agreed that, in view of the many pressing problems faced by the churches, annual meetings should be continued for a few years longer. Others claimed that biennial meetings would have to come ultimately, if for no other reason than on the score of expense, and that in the intervening years, regional conferences under the aegis of the Council could be arranged, in the hope that the regional denominations would become more interested in the work of the Ecumenical Movement. It was claimed that only by such devolution of effort can the Council be really effective in fulfilling its mission.

Evangelism, described as the main function of the individual churches, received the attention it deserves. The Week of Prayer—the spearhead of ecumenicity—proved that the various denominations can co-operate without any sacrifice of essential principles. The University Christian Missions were said to constitute a functional part of evangelism, and the Student Christian Movement the ecumenical meeting place for student representatives from the various universities. A plea was made to the churches to try to understand the secular attitude of modern students, and by co-operation with the Student Christian Movement enlist them in the work of their own churches and inspire them to become useful members of interdenominational fellowship. Christian education was described as a means of co-ordinating the work of the various denominations in the field of leadership among young people. Four conferences of religious workers were held in 1949, and literature of various kinds produced for the great army of workers in religious education.

In the field of social relations carefully worded resolutions were passed dealing with such urgent problems as—temperance, housing, salacious literature, immigration. Particular reference was made to the growing habit of gambling, the crime record of our cities and the disturbing number of juvenile delinquencies—the visible evidence of moral and social decline.

In presenting the Report on Ecumenical Affairs, Dr. Barclay emphasized the opportunity for Christian charity which the sad plight of the distressed churches of Europe presented to us. \$100,000 is being asked for in voluntary gifts for Inter-Church Aid and Service to Refugees in 1950. Since 1945, the churches

have contributed the sum of \$318,152, and 369 tons of clothing. Plans are on foot to have the Central Committee of The World Council of Churches meet in Toronto in July, 1950.

An outstanding contribution to the agenda was the able presentation of the subject of "Faith and Order" by Professor David Hay of Knox College. In an Ecumenical gathering the emphasis was naturally on inter-communion, which was described as an attitude of mind that elevated the transcendent over the merely institutional. Where grace existed there was inter-communion. Professor Hay also discussed the question of the relationship between the Sacrament and Preaching and the Nature of the Ministry: give preaching its place, what happens to the Sacrament? The conclusion was that they must be held in unity. Strangely enough, in a gathering of theologians, very few of the delegates contributed anything constructive to the discussion that followed; they seemed more anxious to evade the issue than come to grips with it.

All of which is respectfully submitted,

NORMAN MACDONALD,
Convener.

REPORT OF THE 75TH ANNIVERSARY COMMITTEE

To the Venerable the General Assembly:

Your Committee desires to present its final report.

The Committee has issued the Seventy-Fifth Anniversary book "Our Heritage and Our Faith" by Dr. John McNab and Dr. F. Scott Mackenzie. This book has met with a fine reception and a large number of copies has already been sold.

Two letters were sent to the Clerks of Presbyteries during the year in order to keep the Church informed as to the plans of the Committee. Radio broadcasts commemorating the Anniversary have been arranged for "The Church of The Air" on Sundays May 21 and June 18. This General Assembly has been requested to mark the event during the sederunts on Thursday evening and in the morning and evening services in the Assembly Church on the Lord's Day. Individual congregations and Presbyteries have arranged programmes and services of commemoration.

In the spirit of penitence and thanksgiving we present this report mindful of the long way God has led us as a Church to render service in His Name and express our gratitude to Him for opening before our Church doors of opportunity through which His people would gladly enter to do His Will.

RECOMMENDATIONS

1. That pursuant to the request already presented by the Committee to the Presbyteries this General Assembly call upon the Congregations of the Church to observe a service of Rededication as far as possible at the first diet of worship on the Lord's Day June 25, 1950.

2. That your Committee having completed its work be now discharged.

C. RITCHIE BELL,
Convener.

E. A. THOMSON,
Secretary.

N.B. In connection with the 75th Anniversary Dr. T. Wazlaw Taylor, Clerk of the Assembly, will broadcast over the National Network of the CBC on Sunday, June 11, 1950 at 2.30 p.m. (EDT).

have contributed the sum of \$218,125, and 389 tons of clothing. Plans are on foot to have the General Committee of The World Council of Churches meet in Toronto in July, 1950.

REPORT OF THE COMMITTEE ON CHURCH WORSHIP

To the Venerable the General Assembly:

Your Committee does not meet but all the members were consulted by letter as to any matter which should be brought before the Assembly. There is a widespread conviction in the Committee that the types of question which should be discussed by it are not such as can be adequately considered except in the atmosphere of prolonged debate which only a meeting makes possible. Some members are further persuaded that in our day, in view of the growing interest in Church Worship as a subject of study, and in view of the increasing interest in worship as an act of the whole congregation, with all the problems that involves, it is necessary that the Committee should be enabled somehow to meet and formulate a policy on these questions. For this reason a number of members of the Committee are of the opinion that, if the Assembly is not prepared to finance an annual meeting of this Committee, then this subject could well be referred to a permanent and appropriately named sub-committee of the Board of Evangelism and Social Action. This suggestion is made, be it understood, rather because your Committee is persuaded that the subject is of first-rate importance than otherwise. It is important that this Committee should definitely be named as a sub-committee on Church Worship. It would be altogether wrong that our church should not have a body specifically entrusted with this subject.

The following matters were suggested by members of the Committee in their letters. It will be noted that they are all such as could form subject for considerable discussion.

The need for most careful preparation by ministers for all parts of the Sunday Service as well as for the sermon: the need for instruction in the principles of worship in the colleges (your Committee is glad to know that this matter is receiving attention): the need for reverence in the conduct of worship: the fitness of the reading of at least two portions of Scripture at every diet of worship (many members deplore the tendency to reduce Scripture reading in public worship): the need for a wide use of objective psalms and hymns in the service of praise (indeed the Committee as a whole is persuaded that, as one member puts it, "we must remember that 'worship' is a transitive verb"): the need for a wide scope in the offering of prayer, which should include all the great moments of prayer—adoration, confession, absolution, supplication, thanksgiving, intercession: the need for order and simplicity of language in the prayers offered: the need for instruction of the people in the meaning and order of the sacraments: the need for the use of the Psalter read responsively in worship.

These matters were brought to your Convener as the suggestions of individual members of the Committee. Most of them were the suggestions of more than one member. None of them was contradicted by any other member. He is persuaded that the Committee as a whole would agree with them all.

RECOMMENDATION

THAT in view of the importance of the subject and the necessity of adequately considering the questions connected therewith, the Committee on Church Worship be enabled to meet or be reorganized as an appropriately named sub-committee of the Board of Evangelism and Social Action.

All of which is respectfully submitted,

COLIN F. MILLER,
Convener.

REPORT OF THE COMMITTEE FOR RADIO BROADCASTING

DR. EPHRAIM SCOTT BENEVOLENT FUND

To the Venerable the General Assembly:

The fund was established in 1932 in the form of a Trust under the will of the late Dr. Ephraim Scott "to be used to relieve cases of distress and misfortune happening to ministers of The Presbyterian Church in Canada or their families through ill health or misfortune, especially in cases where the amount available from other funds of the said Church are insufficient to provide adequate relief, or are not available."

Dr. Scott placed the Fund under the direction of the Board of Administration who annually appoint a Committee to administer the Trust. In order that the Pension Board and the Committee may be kept in touch with considerations which affect both, the Chairman of the Pension Board is added to the Committee.

The small amounts forwarded to the eighteen beneficiaries of the Fund month by month during 1949 proved of great assistance to these good people who are in such need of help.

The share of the Peace Thankoffering Fund falling to the Fund together with certain cash on hand has been invested by the Treasurer of the Church with the result that the income of the Committee will be increased.

REPORT OF THE COMMITTEE FOR RADIO BROADCASTING

To the Venerable the General Assembly:

The Committee for Radio Broadcasting was unable to meet during 1949 because the authorized expenditure for this committee was only \$1000.00. The Executive carried on the work of the Committee, meeting four times during the year. As in former years the Committee co-operated in the "Church of the Air" broadcasts and "Religious Period" each Sunday afternoon. Rev. A. L. Farris and Rev. J. M. Milroy were appointed representatives of our Church on the National Religious Advisory Council of the Canadian Broadcasting Corporation in 1949. Those who participated in the 1949 "Church of the Air" broadcasts were: Rev. W. B. Mitchell (Dundas), Knox College Students, Rev. Hugh Jack (Sydney), Rev. E. J. White (Montreal), Rev. J. M. Miller (Edmonton), Rev. C. L. Cowan (Hamilton), Rev. J. C. Hay (Toronto), Rev. J. A. McGowan (Kensington), Rev. F. Lawson (Halifax), Rev. W. L. MacLellan (New Glasgow), Rev. A. J. Gowland (Calgary) and Rev. David Lang (St. John's). Rev. H. R. Pickup (Montreal), Rev. W. A. Cameron (Toronto) and Rev. E. G. B. Foote (Ottawa) took part in the broadcasts of "Religious Period".

The Committee was unable to undertake any planned series of broadcasts in 1949 through the lack of financial resources. Grants were made to the following Presbyteries to assist with broadcasts within their bounds: Peace River, Kootenay and Kamloops. These grants are made upon the request of Presbyteries according to the regulations of the General Assembly in 1947 (App. pp. 187 and 188). The Committee expresses gratitude to the Women's Missionary Society (W.D.), for funds to assist in making recordings.

The Committee has studied the service which our Church may render through a radio ministry in every Synod. Recommendations are here presented for the production of two series of recorded broadcasts which will be made available to Synods.

RECOMMENDATIONS

1. That the Committee for Radio Broadcasting be instructed by the General Assembly to prepare and produce a set of twenty-six recordings for the promotion of Christian teaching among children and a set of twenty-six recordings for the promotion of Adult Christian Education and Evangelism, and that at least one set of each of these recordings be made available to each Synod. It is estimated that the cost of these recordings will be \$4,000.
2. That the attention of Presbyteries be drawn to the regulations of the Radio Committee as adopted by the General Assembly in 1947, pp. 187, 188, App. 1947. Unless these regulations are followed the Assembly's Committee for Radio Broadcasting will be unable to assume any financial responsibility for Church broadcasts.
3. In order to maintain the highest standard of religious broadcasts it is recommended that the General Assembly instruct all ministers who do broadcasting to give more careful preparation to the production and presentation of their radio broadcasts, whether these be local morning devotions, Church services, or national broadcasts.
4. That Presbyteries discover and use all possible ways and means to finance their own broadcasts before requesting financial assistance from the Assembly's Committee.
5. That the allotment for the Committee for Radio Broadcasting for 1950 be \$5,000. in order to prepare the two series of recorded broadcasts as outlined in Recommendation No. 1 and in order to give assistance to Presbyteries who seek it according to the conditions established by the General Assembly in 1947.

Convener.

J. S. CLARKE,

Secretary.

REPORT OF THE COMMITTEE TO ADVISE WITH THE MODERATOR

To the Venerable the General Assembly:

Rev. C. L. Cowan, B.A., D.D., minister of St. Andrew's Church, Hamilton, was elected Moderator of the General Assembly of 1949. During the Autumn months following his election he visited the four Western provinces. In the winter and spring engagements were arranged for him in Quebec and Ontario. His Alma Mater, Manitoba, honoured him with the degree of Doctor of Divinity. Many ministers wrote letters expressing their appreciation of the helpful messages delivered by the Moderator and of his helpfulness to them and to the Church.

RECOMMENDATIONS

1. That the thanks of this General Assembly be extended to the Clerks of Presbyteries, to many other ministers, elders and people who assisted the Committee in arranging the itinerary of the Moderator.
2. That the thanks of this General Assembly be extended to all who rendered courtesy to the Moderator while he was visiting throughout the Church.
3. That the thanks of this General Assembly be extended to the Kirk-Session and Congregation of St. Andrew's Church, Hamilton, Ontario, for sparing their minister to the whole Church for the services which he so ably rendered.

All of which is respectfully submitted.

E. A. THOMSON,
Secretary.

COMMITTEE ON HOME RELIGION

To the Venerable the General Assembly:

Your Committee continues to publish the devotional guide of the Church, EVERY DAY. During 1949 the cover designs were as follows: January to March—the Bible placed by a hand against a globe of the World; April to June—the statue of the Pioneers; July to September—family of four starting on a summer holiday; October to December—boy with his left hand holding a Bible and his right on the handle of a Church door. The circulation was as follows: January to March—11,984; April to June—12,960; July to September—12,050; October to December—13,000.

During the year ministers in most of the Presbyteries of the Church kindly consented to present the claims of EVERY DAY on the floor of their several courts with most gratifying results. The experiment was so successful that the Committee plans to carry out a similar programme in the fall of 1950. We are grateful for the assistance of our representatives so cordially rendered.

God has been pleased to use EVERY DAY to His own glory. We invoke His continued blessing.

RECOMMENDATION

That the Committee on Home Religion be continued as a special Committee of the General Assembly.

All of which is respectfully submitted.

A. C. STEWART,
Convener.

E. A. THOMSON,
Secretary.

REPORT OF THE ASSEMBLY'S BUDGET CAMPAIGN COMMITTEE

To the Venerable the General Assembly:

This Committee was appointed by the Board of Administration, on instruction of the General Assembly, to develop a three-year campaign to secure an increase in Budget Revenue, and to raise a Special Campaign Fund of \$100,000.00 by special subscriptions. This fund is to finance the Three-year Campaign without burdening the Budget, and to permit the development of projects, not provided for in the Budget, which will enrich the fellowship and witness of the Church and add to the success of the undertaking.

The Assembly also approved of the Pre-Assembly Congress as a part of the first phase of the Three-year Campaign.

It was expected that many individuals throughout the Church, especially within the larger communities, would make special contributions of \$100.00 or more to this effort, without affecting their regular congregational or Budget givings.

The response to the appeal was disappointing, in that many congregations did not welcome this direct approach. Personal solicitation was a greater task than was anticipated and time did not permit its being organized.

After consultation with the Board of Administration it was decided to reduce the projected costs of the Congress insofar as practicable without endangering the success of the undertaking. The number of delegates having their expenses paid was limited to commissioners to the General Assembly plus an equal number of other delegates. Presbyteries were authorized to certify additional delegates who might want to attend at no expense to the Committee.

Your Committee is confident that this Congress will be a blessing and an inspiration to the Church for many years to come.

RECOMMENDATIONS

1. That the remaining work of this special committee be left with the Stewardship and Budget Committee, as directed by the Board of Administration.
2. That this Committee be discharged.

REPORT, INTER-CHURCH COMMITTEE ON WEEK-DAY RELIGIOUS EDUCATION (Ontario)

To the Venerable the General Assembly:

The General Assembly of 1949 enlarged the Presbyterian Section of the Inter-Church Committee on Religious Education in Ontario to eight members and instructed that the three central Synods be given the privilege of naming their two representatives. The Convener and the General Secretary of the Board of Sabbath Schools and Young People's Societies are also members of this Committee. The former members of the Committee have continued to act until the Synod appointments are made. They are: Rev. H. M. Coulter, Rev. P. A. Ferguson, Rev. C. J. MacKay, Rev. B. S. Black, Rev. R. B. Milroy, Rev. J. K. Lattimore, and Rev. J. S. Clarke.

The major work of this Committee is performed by a Joint Advisory Committee, composed of representatives of the Churches and the Department of Education. This Committee, in consultation with teachers, has revised the Daily Bible Readings to conform to the Guidebooks which are used in Grades 1 to 6. Rev. P. A. Ferguson prepared a suggested revision of Guidebook No. 3. Specific recommendations for the revision of this Guidebook have been sent to the Department of Education with the request that a new edition be printed. Rev. R. B. Milroy has prepared a suggested revision of Guidebook No. 6.

Religious liberty is preserved through the granting of exemption by the Department of Education to School Boards which make application and to individual teachers who do not wish to teach this course. Upon application by the parents, pupils also may be exempted from attending classes during the periods for religious instruction. There are approximately 4,000 School Boards in the Province of Ontario. During 1949-50, 37 of these sought exemption.

In a special survey conducted by the Committee on Research in Religious Education of the Fellowship of Women Teachers Association of Ontario in District No. 4—that portion of Ontario east of Oshawa and Lindsay—it was reported that from outside the cities 69% of the teachers responding to the survey considered the content of the Guidebooks to be reasonably satisfactory. Twelve per cent said that they were not satisfactory. In the cities the respective percentages were 58% and 26%. In one school of 1,100 pupils representing 21 religious denominations it was discovered that 34.6% receive no other formal religious instruction. One public school principal in Toronto reported that of 3,140 pupils of whom he had knowledge 40.3% had no Church affiliation and 55.6% were not attending any Sunday School.

Instruction in the knowledge of the Bible and Christian teaching is given to Presbyterian students at all Normal Schools in Ontario by our own Presbyterian ministers. Leadership Training certificates are presented to all who are successful in the examinations in these courses.

The Committee wishes to express its gratitude to Rev. P. A. Ferguson, to Rev. R. B. Milroy, and to all ministers of our Church who teach in the Normal and Public Schools throughout Ontario.

All of which is respectfully submitted.

C. J. MACKAY,
Chairman.

J. S. CLARKE,
Secretary.

OVERTURES

No. 1.—PRESBYTERY OF ALGOMA AND NORTH BAY.

Re A COHERENT EDITION OF ASSEMBLY'S ACTS AND PROCEEDINGS
To the Venerable the General Assembly:

1. WHEREAS, the present practice is to place in the hands of the commissioners to the General Assembly at the time of their registering—that is to say, scarcely with any interval for study before the opening sederunt—a volume running to 500 pages; and

WHEREAS, this volume is compiled of two quite distinct documents:—(a) the Minutes of Assembly of the year preceding, and (b) the Reports of the Boards and other Committees for the current year together with the Overtures of Synods and Presbyteries; and

WHEREAS, this composite volume is equipped with two sets of page numberings, one for the Minutes and the other for the appended Reports and Overtures; and

WHEREAS, this volume unavoidably works confusion to great numbers of the Commissioners every year, creating for them severe vexation and discouragement and alienating their affections from the often technical and intricate discussions on the floor; and

WHEREAS, consequently this state of confusion and vexation reduces to a mere fraction the full potential of informed participation in the acts and proceedings of our Assembly, and places our Church all too much in dependence upon that class characterized by Apostle Paul as "These who seemed to be Somewhat, in conference; . . . who seemed to be Pillars, etc.;" and

2. WHEREAS, further, following Assembly each year, when the composite volume of (a) Minutes of the Assembly and (b) the Appended Reports, etc., is distributed at no small expense throughout the Presbyteries, it is always a matter of most excessive difficulty and patient struggle to decipher what the Assembly determined regarding the sundry items of any entire Report or Overture; and

WHEREAS, the net result is that only a limited fraction of our ministers and a very very small fraction of our other elders can or will devote sufficient persistence to unravel the Acts and Proceedings of our Assembly and accordingly achieve adequate information and understanding of the current business of the Church;

THEREFORE, the Presbytery of Algoma and North Bay overtures the Venerable the General Assembly to instruct its Clerks:

1. To desist hereafter from the practice of prefacing the Stitched Reports and Overtures with the reprint of the preceding year's Assembly Minutes;

2. To re-order the annual printed volume of the Acts and Proceedings of Assembly as follows:—(a) to issue only to those who may request their name to be included in a mailing-list established for the purpose, a copy of the consecutive Minutes of the General Assembly each year; (b) to issue promptly after Assembly's close each year the Reports and Overtures with the relevant Minutes inserted as black-type annotations (e.g., "Approved"; "Amended as follows"; "Not Approved"; etc.) at the appropriate place in the Recommendations of each Board or other Committee Report or in the prayer of each Overture. A short supplement

following these Annotated Reports and Overtures will set forth those acts and proceedings of the Assembly not embraced in the annotations.

Upon motion by Messrs. Stuart B. Coles and Patrick J. O'Neil the Presbytery unanimously adopted the Overture.

NO. 2.—PRESBYTERY OF HAMILTON.

Re ERECTION OF PRESBYTERY OF NIAGARA

To the Venerable the General Assembly:

WHEREAS, the Presbytery of Hamilton has oversight of two very different districts; namely, the City of Hamilton, with its surrounding rural area and small towns; and the Niagara Peninsula, with its own distinct social and geographical characteristics and problems;

AND WHEREAS, the two districts are large and populous, and yet so remote from each other that there is little contact between them;

AND WHEREAS, under these conditions it is impossible for Presbytery to give adequate attention to the business of congregations;

AND WHEREAS, it is also impossible for committees of Presbytery to confer except at its actual meetings;

AND WHEREAS, important business is inevitably transacted at many special meetings in the Hamilton area at which representatives from Niagara are not present, and vice versa;

AND WHEREAS, the church membership of the peninsula is equal to that of many strong presbyteries, while the Presbytery of Hamilton would yet be the fourth largest in Canada;

THEREFORE, the Presbytery of Hamilton humbly overtures the General Assembly of The Presbyterian Church in Canada to erect a Presbytery of Niagara; and to appoint the first meeting of that Presbytery to be held on the adjournment of the Presbytery of Hamilton on Tuesday, the 20th of June, 1950, in the Town of Niagara-on-the-Lake, and within Saint Andrew's Church there, and the Rev. Stuart Woods, B.A., to convene and to constitute the court;

THAT the Presbytery of Niagara consist of the following charges:—Beamsville and Smithville; Chippawa and Crowland; Dunnville; Fort Erie, Knox and St. Andrew's; Merritton; Niagara-on-the-Lake; Niagara Falls; North Pelham and Louth; Port Colborne; St. Catharines, Knox; Stamford and St. David's; Thorold; Welland, St. Andrew's; St. Catharines, St. Andrew's; Welland, Hungarian; and Welland, Knox;

THAT the bounds of the new Presbytery be the shores of Lake Ontario, the Niagara River, and Lake Erie, and a line drawn to the west of the charges of Dunnville, Smithville, and Beamsville;

THAT the general fund of the Presbytery of Hamilton be divided as of June 30, 1950, in proportion to the membership reported to the General Assembly;

THAT the Abingdon Cemetery Fund and the Rutherford Trust Fund be administered by the Presbytery of Hamilton, the latter for the use of students within the bounds of both Presbyteries;

THAT the records of the present Presbytery remain in the hands of the Presbytery of Hamilton, and that available copies of prior minutes be given to the Presbytery of Niagara;

THAT any adjustments required be referred to the moderators and clerks of the two presbyteries.

WHEREAS, considerable monies are required for the proper maintenance of these camps, and

WHEREAS, full advantage of this opportunity is not being realized because of insufficient funds, and

WHEREAS, special local appeals for camp funds have not received a favourable response, and

WHEREAS, we believe special appeals for funds interfere with the raising of general Budget revenue,

THEREFORE, the Synod of Alberta humbly overtures the Venerable the General Assembly to include the maintenance and extension of Church camps as a charge upon the Budget funds of the Church, and instruct its Board of S.S. and Y.P.S. to include a suitable sum for this item in its yearly Budget estimate.

Re COST-OF-LIVING BONUS

To the Venerable the General Assembly:

WHEREAS, ministers in certain outlying areas of our Church are finding it difficult to support themselves and their families on the minimum stipend of our Church, of which the Presbytery of Peace River is a case in point,

THEREFORE, the Synod of Alberta humbly overtures the Venerable the General Assembly that there be made available to all such men a special cost-of-living bonus so that their purchasing power shall be commensurate with that of a minister receiving the minimum stipend in less costly areas.

WHEREAS, no action was taken by the Synod at the time to implement the recommendation, and

WHEREAS, there is a tendency on the part of certain groups to appropriate for their own use hymns not included in our Book of Praise, and

Re WELFARE OF THE HOME

To the Venerable the General Assembly:

WHEREAS, the concept of modern democracy has developed from the concept of Christianity itself, and

WHEREAS, a true democratic process is, in our opinion, the political, social, and economic expression of Christianity, and

WHEREAS, it is our opinion that in a democratic nation the home and family are the basis of Society; and

WHEREAS, the solidarity of family life, and consequently of community and national life, is dependent upon continuity of the family relationship, and

WHEREAS, the existence of the home is, in many cases, threatened by the ever-increasing incidence of divorce, and

WHEREAS, the State, in our opinion, has granted divorce in a manner too easy, and without full consideration being given to the children of divorced parents, and

WHEREAS, the said children become a charge on the community or upon a "welfare" society,

THEREFORE, it is humbly overtured by the Presbytery of Brandon that the General Assembly shall request action to be taken as follows:

1. That due care be exercised in the issuance of marriage licenses.
2. That no divorce proceedings of any kind whatsoever be permitted before the fifth year of marital status has been completed.
3. That no license for any re-marriage whatsoever be granted until at least two full years have elapsed after the final decree of divorce has been granted.
4. That responsibility for the care of any children be determined before any divorce is granted, and that such responsibility be secured by financial bond.
5. And further, that they do for this cause what in their wisdom may seem best for the welfare of the home, family, community and national life.

Re CHURCH INSURANCE

To the Venerable the General Assembly:

WHEREAS, many of the congregations of our Church have suffered severe loss through fire during the past number of years; statistics can be adduced to show that in the period 1938-1947, 26,000 Church fires have taken place in the United States and Canada, 238 of these totalling a loss of \$15,694,011.00, and

WHEREAS, in many cases these fires have meant a total loss of Church buildings, and in many cases the insurance on the buildings burned has been a mere fraction of their replacement value, thus causing serious loss and hardship to our congregations;

THEREFORE, the Presbytery of Montreal respectfully overtures the Venerable the General Assembly to order that all Presbyteries make a careful survey of the insurance carried by all the Churches within their bounds, and that where the insurance is found to be inadequate to urge upon such congregations to secure insurance which will to some extent be commensurate with the replacement value of their Church buildings.

Re SABBATH OBSERVANCE

To the Venerable the General Assembly:

WHEREAS, on January 2, 1950, a plebiscite in Toronto recorded a vote favourable to commercialized sports on Sunday, which vote may eventually result in the weakening or removal of legal restrictions on Sunday desecration throughout Canada, and

WHEREAS, this vote, being counter to both the stand of Protestant Churches and the editorial advice of Toronto's leading newspapers, spotlighted the growth of paganism in this land and revealed the failure of the churches in the past thirty years to educate even church people in the Scriptural sanctity of the Lord's Day,

THEREFORE, we, the Presbytery of Kootenay, humbly overture the Venerable the General Assembly (1) to instruct its Board of Evangelism and Social Action immediately to institute a campaign, if possible in cooperation with the Lord's Day Alliance and other denominations, to re-educate Presbyterian people in Lord's Day observance before more ground is lost, using every available means such as visual aids, moving pictures, recordings for use in Sunday Schools, pamphlets, and articles in the "Presbyterian Record"; (2) to set aside a sum of money for this purpose; (3) to instruct the Board of Sabbath Schools and Young People's Societies to ensure that at all Presbyterian summer camps Sunday is observed as a day of rest and religious activity free from sports and secular recreations.

Re GENERAL BOARD OF MISSIONS AND W.M.S.

To the Venerable the General Assembly:

WHEREAS, throughout the Church there has been a growing feeling that the present set-up whereby the foreign mission work of the Church is carried on by two separate boards, viz:—the General Board of Missions and the Women's Missionary Society, is not in the best interests of the work as a whole;

WHEREAS, difficulties have arisen in the conduct of the work overseas, which we believe have their origin in this dual control, and

WHEREAS, we believe that The Presbyterian Church in Canada in the carrying forward of its missionary endeavour should do so under one unified control;

THEREFORE, the Presbytery of East Toronto humbly overtures the Venerable the General Assembly to take such action as in its wisdom it sees best to bring about unified direction of all foreign mission work under one Board.

WHEREAS, therefore, it appertains in the profoundest meaning of the term to the Church's traditional "Loyal Address" to the civil ministers of Christ in Canada, to embrace therein any Scripturally based protests or criticisms that may upon occasion be constrained from us in His sovereign name, together with constant recognition and encouragement of instances of godly government:

Re LOAN FUNDS

To the Venerable the General Assembly:

WHEREAS, the Loan Boards report to the General Assembly but are not appointed by it, and

WHEREAS, the Loan Boards are appointed by the Board of Administration but do not report to it nor operate under its supervision, and

WHEREAS, the Loan Funds are in an unsatisfactory condition there being old loans on which there has been no payment of either interest or principal for years and recent loans which come after such heavy prior claims or bear such a ratio to the financial ability of the borrower that the prospect of repayment is slight, and

WHEREAS, there is practically no provision for making sound loans of a reasonable amount to Congregations evidently able and willing to repay their loans in due course who require loans for repayment of current mortgages maturing or past due or for the extension, erection or purchase of a Manse or Church.

THEREFORE, Westminster Presbytery humbly overtures the General Assembly to examine the workings of the Loans Boards particularly their regulations, policies and practice and the results therefrom and to ascertain whether improvement might not be made in them, particularly by having the Loan Boards report to and be under the supervision of the Board appointing them and by setting aside a portion of the Loan Funds for loaning on a normal business basis to Congregations, on first mortgage, in amounts bearing a reasonable ratio to the value of the security offered and to the probable ability of the borrower to repay, thus creating a revolving fund that would steadily gain in usefulness, a living stream instead of a glacier of frozen assets.

Re REVISION BOOK OF PRAISE

To the Venerable the General Assembly:

WHEREAS, many of our congregations in different parts of Canada have had great difficulty, in recent years, in obtaining copies of various editions, and, in fact, any edition of our Book of Praise, and

WHEREAS, temporary arrangements have been made to remedy this difficulty, and WHEREAS, our present Book of Praise has been in use for more than thirty years, and in the opinion of some of our qualified leaders of our Church praise as well as some of our devout worshippers is in need of several improvements, and

Re CONDITIONS OF RETIREMENT

To the Venerable the General Assembly:

WHEREAS, there are ministers of The Presbyterian Church in Canada who have reached the full age required for retirement, and

WHEREAS, many such ministers are still willing to give years of service to the church and are physically capable of so doing, and

WHEREAS, if any such minister accepts a Call or an appointment, his pension at that moment ceases, and

WHEREAS, this Synod is of the opinion that such a regulation works for the disadvantage of the Church and the financial disability of the minister concerned, and infringes upon the rights of the pensioner,

THEREFORE, resolved that the Synod of Manitoba humbly overtures the Venerable the General Assembly to order the Pensions Board to correct this situation in order that pensions may be granted on the rights of the pensioner concerned and without any reference to his condition of employment.

Re IRISH CATECHISTS

To the Venerable the General Assembly:

WHEREAS, two congregations in this Presbytery have had great difficulty in recent years to secure a minister to serve them due partly to the location of the congregations and the great need for Ordained Ministers within our Church.

WHEREAS, these two congregations, Rose Bay and the two point charge of Dean and Musquodoboit Harbor have been served most acceptably for the past one and one-half to two and one-half years by Mr. David Mawhinney and Mr. E. C. MacLarnon both Irish Catechists under appointment of the General Board of Missions.

WHEREAS, these two men have more than ten years practical experience in general work of the Presbyterian Church in Ireland together with their experience since coming to this Presbytery.

WHEREAS, due to the leadership of these men and the work which they have accomplished in these congregations both congregations have become self-sustaining since shortly before these men commenced their work. This represents a yearly saving of (\$1,000.00) One Thousand Dollars grant from the Mission Board.

WHEREAS, these men are serving these congregations under great difficulty due to the fact that they cannot administer the Sacraments of the Church or hold meetings of their Kirk Sessions without the presence of an Interim Moderator, which due to the distance of travel is a real hardship on the Interim Moderators of these congregations.

WHEREAS, these congregations are very anxious to have these men remain with them, and have requested the Presbytery to place their request before the Venerable the General Assembly, knowing that if the prayer of this Overture be granted it will be a great stimulant to the work of the Church in these congregations.

THEREFORE, we the Presbytery of Halifax and Lunenburg humbly overtures the Venerable Assembly to:—

(1) Grant them permission to ordain David Mawhinney and Edward Carson McLarnon to enable them to administer the Sacraments of the Church to the Congregations which they now serve or within the bounds of the Presbytery of Halifax and Lunenburg.

(2) This Ordination if granted to be reviewed yearly by the General Assembly until the requirements of the General Assembly for Ordination be completed or that the General Assembly for this object do what to their wisdom may seem best.

REPORT OF THE STEWARDSHIP AND BUDGET COMMITTEE

To the Venerable the General Assembly:

The response of the congregations to the appeals of the General Assembly and its boards in 1949 exceeded anything reported in the past twenty years. The net increase in revenue, amounting to some \$50,000, is one indication of this response. An analysis of the statistics shows that more congregations and more Sunday schools shared in this increase than in the increases of the past few years. The committee is of the opinion that this increase is the fruit of the work done in 1948 and in the first half of 1949—and that it does not yet fully indicate the results of the major effort begun in September, 1949. These will not be evident until the 1950 statistics are compiled.

The Committee believes that many endeavours contributed to the year's increase. Foremost is the leadership given by ministers and by able laymen in certain congregations. Every instance of exceptional giving has as its background a known interest and initiative in the local charge. Then too the outstanding diligence of some Presbytery Committees should be acknowledged. The Missionary Letters, circulated by the Committee on Missionary Education, have a wide acceptance in the Church and produce definite results in some congregations. The use of materials prepared by the Stewardship and Budget Committee, and the adoption of the Every Person Canvass, were also decisive factors in some situations. All in all the increase is to be regarded as the fruit of co-operative effort—with local leadership as the critical factor. It is the hope of the Committee that this now obvious fact will impress itself upon Presbyteries, ministers, and congregations.

Co-operation between the Stewardship and Budget Committee and other committees has been definitely advanced in 1949. A project in the Stewardship Education of Children is a specific example: The Missionary Leaflets were authorized by the Committee on Missionary Education and written by Dr. W. A. Cameron; the children's story-book was published by the Stewardship and Budget Committee; these materials were introduced to the congregations by the Secretary of the Board of S.S. and Y.P.S.; all were distributed by the Stewardship and Budget Committee. The Committee also co-operated with the 75th Anniversary Committee, mailing the publicity materials and the book "Our Heritage and Our Faith".

Work of the Field Secretary

A substantial part of the work of the Field Secretary consisted in the visitation of congregations preparing for the Every Person Canvass. It was thought a more profitable use of time to respond to definite invitations rather than to engage in general itineraries. It is expected that the financial response will sustain this opinion. Congregations were addressed at regular services, at weekday gatherings, and at laymen's meetings—particularly at dinners launching Canvasses.

Distribution of Materials

Materials were prepared in variety for the 1949-50 work. Gratifying reports were received from congregations making general use of them. The total distribution of pledge-cards, thankoffering envelopes, folders and pamphlets, approximated 350,000 units.

About 40% of the congregations made some use of this material. An extensive area of the Church still awaits thorough development in Christian Stewardship—but local initiative is required to open the door.

Trial Offer of Duplex Envelopes

The trial offer of duplex envelopes, authorized by the Board of Administration in 1949, has been accepted by some 30 congregations, including several newly-formed charges. We believe that this will prove a worthwhile undertaking.

Allocations for 1951

The Committee believes that the extensive acceptance of the 1950 allocations (outside of the Synod of Montreal and Ottawa)—as either immediate, or three-year, objectives—is encouraging. It recommends that a similar church-wide basis of allocation be followed for 1951.

Reply-Cards

About 250 congregations returned the reply-cards prepared by the Committee, indicating that in an increasingly large number of congregations the allocations are reported to, and dealt with by, the Annual Meeting.

The information returned this Spring, while still limited, is valuable in estimating the probable revenue for the year. We believe that use of the reply-card should be continued.

Stewardship in Support of Congregational Revenues

The Committee has had a specific demand in correspondence received in 1949-50: that materials be produced to encourage stewardship in support of the local work as well as of the Budget Funds. This need, we hope, will be met by materials produced for 1950-51.

Objectives

The objectives of this Committee may be summarized under the following heads:

1. The teaching of Christian Stewardship.
2. Special projects for the stewardship education of young people and children, and for the development of their support of the Budget work.
3. Encouragement of liberal financial support of the Church—for local as well as for general needs.
4. Distribution of information on the general work of the Church, as a support of Budget appeals.

We believe that the specific emphases should continue to be on (i) the regular weekly offering, (ii) the use of the duplex envelope, (iii) the Every Person Canvass, and (iv) the distribution of informative materials in every congregation.

General Outlook

The Committee believes that it will be more difficult to raise money *casually* in 1950-51 than it has been in the past few years. Where planned and enthusiastic effort is lacking, revenues may decline. It is hopeful, however, that the decisions indicated by the reply-cards, and by the growing use of Stewardship and Budget materials, will be fruitful and that the total revenues for 1950 and 1951 will exceed those of 1949.

In view of the general economic situation the Committee would strongly urge that every Presbytery and congregation undertake planned educational activities to assure that there be no decline in the response within their bounds.

We would remind the Assembly, and through it the Church, that there is no end to the task of education in Christian Stewardship—it has to be continued from year to year and from generation to generation.

RECOMMENDATIONS

1. That the Presbyteries be asked to urge the Sessions within their bounds to arrange for education in Christian Stewardship, both in adult groups and in the Sunday Schools; to undertake the distribution of materials prepared by the Stewardship and Budget Committee; to encourage the Every Person Canvass; to use the Fall Thankoffering to engage the support of those who do not contribute regularly to the Budget Funds; to seek to extend the use of the duplex envelope, in particular inviting new members and young people becoming wage-earners, to undertake regular support of the work of the Church.
2. That Presbyteries and Sessions be asked to consider the arrangement of special meetings in the Spring and the Fall for the development of interest in the general work of the Church and the support of the Budget Funds.
3. That the Budget Allocation be submitted by the Session to the Board of Management and the Annual Meeting so that it may receive consideration as a primary responsibility of the whole congregation.
4. That Budget contributions, insofar as possible, be remitted monthly to the Church Treasurer.
5. That special objectives *within the Budget* be approved: i.e. that the various Boards extract from their approved estimates items that may be assigned, on request, to the congregations, as the goal of their budget support; and that this be developed as agreed among "the Spending Boards".
6. That use of the reply-card be continued, to transmit allocations to the congregations and to report their actions to the Presbyteries and the Stewardship and Budget Committee.
7. That the same basis of allocation, used for 1950, be followed for 1951—with the necessary adjustment of the scale.

Respectfully submitted,

HAROLD M. JACKSON,
Convener.

A. NEIL MILLER,
Secretary.

REPORT OF THE COMMITTEE ON PUBLICATIONS

To the Venerable the General Assembly:

The Committee on Publications during the early part of the year submitted inquiries among the various Boards and Committees of the Church, seeking suggestions with regard to greater co-ordination. In no instance did we receive any constructive suggestion since it was felt that there were no other lines of co-ordination that they could suggest.

The meeting of the Committee explored the amount of co-ordination that is now in effect. This Committee was very happy to find that a splendid spirit of co-operation with regard to publicity canvass material and the periodicals exists among the various Boards and Committees of the Church.

It did appear, however, that on special occasions each of the periodicals might emphasize from their own point of view such matters as Stewardship, Rural Life and Missions.

It was felt that the spirit of co-ordination could go no further.

The following recommendations were submitted:

1. This Committee is delighted to find that among the various Boards of the Church there exists a fine spirit of co-ordination and co-operation, moreover there is a growing disposition to co-ordinate publicity work and we believe that this will be progressive.
2. The Committee feels that there is need of a unified emphasis on the work of the Church, for example, an emphasis of Stewardship Sunday, Missionary Sunday, Recruits for the ministry, Record Sunday, Youth Sunday, and Home Religion.
3. The Committee would recommend that the Church explore the possibility of having printed devotional booklets, either by our own ministers or by other writers in this field.
4. Since the Committee feels that the work of co-ordination has been furthered because of its presence, we would recommend that this Committee be continued.

All of which is respectfully submitted.

H. M. COULTER,
Convener.

Secretary

THE REPORT OF THE COMMITTEE ON FULL TIME RECRUITMENT

The General Assembly of 1949 directed our Committee to set up the machinery and curriculum for training home missionaries by special course. Rev. Joseph Wasson, D.D., is the chairman of that sub-committee. The course and method of instruction have now been set up and your committee is ready to receive applicants. We advertised in the Presbyterian Record last autumn and received eighteen inquiries. When we forwarded the course of special training and instruction we received no applications in return. We will continue to make this opportunity known to the laymen in the church over thirty-three years of age.

Considerable research has been conducted in the problem of propagating a well-trained and sincere ministry. From this research a definite programme of encouragement is planned and already under way.

1. A Choral and Preaching Mission by twenty-four students of Knox and Presbyterian Colleges has been completed with encouraging results throughout the portion of the Church visited.

2. A listing of all young men and women of our colleges and high schools considering full-time service is being compiled. Encouragement and information are given to these folk during their courses.

3. An effort will be made throughout this year to have Kirk Sessions appoint committees on the training of student ministers and deaconesses. The responsibility of these committees will be to keep alive the call of full-time service. Secondly they will encourage and support men and women within the bounds of the parish. In churches where there are no students financial support could be given to churches carrying a heavy responsibility toward several students.

4. We are purchasing a forty-minute film available to be shown throughout the Church. It will present a challenge to young men and women towards full-time service.

5. Through an ever increasing use of our periodicals we plan to keep our cause constantly before the Church.

6. We express our gratitude to the retiring Moderator and to the secretaries and servants of the Church who have had the opportunity of visiting throughout the nations during the past year. They have kept our challenge constantly before the congregations they were addressing. We are deeply indebted to them.

RECOMMENDATIONS

1. The Committee be empowered to continue its programme of arousing the interest of young men and women in full-time Christian service.

2. The present allocation of \$2,500. be continued to enable a development of projects underway or planned.

All of which is respectfully submitted.

FINLAY G. STEWART,
Convener.

E. A. THOMSON,
Secretary.

THE LAYMEN'S COMMITTEE ON STIPENDS

To the Venerable the General Assembly:

The Laymen's Committee on Stipends has received submissions from 40 of the 46 Presbyteries on the Augmentation Plan. These were divided as follows:

29 APPROVE IN PRINCIPLE:

Pictou, Halifax-Lunenburg, Saint John, Miramichi, Glengarry, Kingston, Lindsay, East Toronto, Temiskaming, Saugeen, Hamilton, Chatham, Sarnia, Huron-Maitland, Bruce, Superior, Winnipeg, Assiniboia, Saskatoon, Peace River, Red Deer, Edmonton, Calgary, Kootenay Kamloops, Victoria, Brockville, and Brandon.

9 APPROVE WITH SOME QUALIFICATION:

Cape Breton—"urges—simplifying the Plan".

Prince Edward Island—"subject to more careful scrutiny and possible revision of details later".

Montreal—change "car allowance" to "transportation allowance" in the relevant sections.

Peterborough—"approve as in the Acts and Proceedings of the General Assembly of 1949. This is much more than approval in principle".

Barrie—approve in principle—excepting sections 4 and 5 of the Basic Supplement.

Algoma-North Bay—"That clauses 3, 6 and 7 of section 8 (Supplement for ownership and operation of a car) be struck out and the following be substituted for clause 3: "The Presbytery when certifying the need of a car for the minister in any charge, shall fix the amount of the allowance, which shall not in any case exceed \$300.00 unless authorized by the General Board of Missions".

Guelph—"provided that the administration of augmentation grants is continued under the General Board of Missions instead of being put under the Board of Administration".

Paris—"the basic stipend should be an assured minimum and only the supplements of the plan should be operative proportionately to the revenue available".

Prince Albert—"there are several minor matters on which we desire more enlightenment:—approve—and that time be set aside at the next meeting to give the matter more consideration".

2 PRESBYTERIES DISAPPROVE:

London and Lanark-Renfrew.

These replies were reported to the Board of Administration and the General Board of Missions prior to their Spring Meetings. Further consideration of the Augmentation Plan now rests with these Boards.

Information collected by a questionnaire indicates stipend increases in many congregations. Full returns are not yet available but it is hoped to have them by June.

During the year the Chairman and other members of the Committee addressed meetings in several Presbyteries—in support of the Augmentation Plan, increased Budget givings and higher stipends.

Some members of the Committee have served on the Committees preparing for the Pre-Assembly Congress, and developing the Three Year Campaign for

Budget Revenues. In general however members of the Committee were not able to attend meetings held in connection with Budget matters.

We therefore recommend:

- (1) That the arrangements of 1949 be set aside, and that the Stewardship and Budget Committee, enlarged as required, be made directly responsible for the Three Year Campaign for Budget Revenues and for the Special Campaign Fund.
- (2) That the Laymen's Committee on Stipends be discharged.

Respectfully submitted,

B. M. HANNIGAN,
Chairman.

A. NEIL MILLER,
Secretary.

REPORT OF THE "RECORD" COMMITTEE

To the Venerable the General Assembly:

Your Committee begs leave to report for the year 1949.

One of the gratifying features of the past year has been the amount of material sent forward from congregations throughout the Dominion. This reveals the marked interest that is steadily growing in the Church publication. A weakness in this regard is seen in the fact that items of news from many congregations are delayed, thus losing their effectiveness and timeliness. It is imperative that the information concerning Church activities be forwarded immediately following each noteworthy occasion. This is also true of all obituary notices.

During the year informative articles on the Reformation and the missionary activities of the Church have been featured in connection with the 75th Anniversary. These have been received with great enthusiasm.

The format of our journal continues to win ever-increasing appreciation. The illustrations and numerous features have commended themselves to our own readers and won for us warm approbation from authorities in the field of journalism. Most of the Reformed Churches of the world and journals of other denominations have sought an exchange with our paper.

There may be some thought that the average home receives too many periodicals and that the Presbyterian Record can be dispensed with. It is only through its pages that a complete picture can be obtained of the Church in action. Vital Christianity can only be obtained when members are in the heart of the Church. Because of the stream of erroneous publications both secular and religious, the Presbyterian Record is indispensable for each family in our Church.

Although we are encouraged by the generous comments and kindly criticism of so many, we feel that there is a large field still untouched and ministers and sessions, if they displayed enthusiasm and foresight, could introduce the Presbyterian Record into almost every home in our Church. The energy thus expended would not be ill spent for each family won to the Record would be an enlightened force not only for the Church at large but for the local congregation. It is recommended that each congregation should have an active Record Committee, which would solicit subscriptions and bring to the attention of every person the value of the Record for Christian living.

It will be recommended that Record Week be observed in every congregation this autumn. Your Committee recommends that the Sunday known as Reformation Sunday, October 29, be the beginning of this intensive period of stimulating interest.

Apart from the editorial oversight of the Record, the Editor has also been responsible for the business management, which includes the promotion and circulation of the journal. In addition, the Editor has acted as officer for Church Public Relations with the secular press.

The 75th Anniversary Committee asked the Editor to be responsible for the writing of the historical portion of the Anniversary book, "Our Heritage and our Faith." He was also responsible for the gathering together of the illustrations and editing of the volume.

We are delighted to report that we have balanced income and expenditures for the year 1949, this despite the fact that the cost of labour in the engraving and printing fields have continued to rise. Our only hope for the continuance of a balanced budget is a greatly increased circulation. The figures are given below:

CIRCULATION

FINANCIAL STATEMENT

	Feb. 1, 1948 to Jan. 31, 1949	Feb. 1, 1949 to Jan. 31, 1950

RECOMMENDATIONS

1. That the Assembly instruct all Sessions to bring before their congregations the fact that the Presbyterian Record, which was authorized by the newly-formed Presbyterian Church in Canada in 1875 is now in its 75th year. All Sessions are therefore urged to canvass their congregations with the end in view of bringing every family to subscribe, in order that a wider knowledge of the activities of our Church and a deeper sense of responsibility be awakened.
2. That Record Week be observed from Sunday, October 29, to Sunday, November 5, inclusive, noting that the first date is also Reformation Sunday, and that these Sundays be specially used, by the minister, to commend the Record to all our people.
3. That this General Assembly thank heartily all Contributing Editors who have given so freely of their time and talents for the inspiration of our people.
4. That the General Assembly compliment the Garden City Co-Operative Press on their fine technique and skilful workmanship in printing the journal.
5. That such Presbyteries as have not already appointed a Record Committee be asked to appoint such a Committee at their next regular meeting and report the name of the Convener to the Clerks of Assembly.
6. That the Clerks of Presbyteries be asked to send copies of notification of vacancies and inductions to the Editor of the Record, so that an accurate picture may be rendered in the Church Calendar each month.
7. It is further recommended to the Assembly that the Record Committee be enlarged so that it may consist of eighteen members plus the Conveners of all Synods, who are to be named members by correspondence.
8. That the Rev. Dr. John McNab be warmly commended for his untiring labours. Through his skill and efficiency the Presbyterian Record has been brought to a foremost place among Church papers.

All of which is respectfully submitted.

WM. J. WALKER,
Convener.

REPORT OF THE ALLIANCE OF REFORMED CHURCHES, WESTERN SECTION

To the Venerable the General Assembly:

The Western Section of the Alliance of Reformed Churches convened in the General Brock Hotel, Niagara Falls, on February 21, 1950. The Chairman of the Western Section, Professor F. Scott Mackenzie, Th.D., a professor of the Presbyterian College, Montreal, presided at the meetings and also delivered a paper on "The Reformed Idea of the Church and Its Relevance for Today." Dr. Mackenzie emphasized the divine origin of the church and its unity in Christ Jesus. He said that he felt we ought to develop a higher regard and reverence for the church. The purpose of the reformers was to restore and rebuild the church.

One of the features of this meeting was the prominence given to the subject of religious liberty. Dr. James Hastings Nichols, who is professor of Church History in the Faculty of Divinity at Chicago University, gave an excellent paper on "The Historical Aspects of Religious Liberty." He spoke of different waves of Catholic liberalism from time to time in the Roman Catholic Church. Although liberal hopes were raised within the Catholic Church in certain places, the alliance between that church and totalitarianism means that religious liberty has been flatly rejected.

Dr. William Barrow Pugh reported for the World Alliance of Reformed Churches and its executive of fifteen which met at Cambridge last July. The only office in Europe today is the office at Geneva since the Edinburgh office has been closed. A greater interest has been aroused since the appointment of Dr. Marcel Pradervand, among the Presbyterian Churches on the continent. These are being more closely knit into the family of Presbyterians. The Rev. W. S. Robertson of England has been appointed to knit together the various reformed branches in the British Isles. Dr. Pugh urged that we maintain the family solidarity of our Presbyterian Churches within the Alliance by strengthening our Reformed family, since that is the only way we can put backbone into the World Council.

Dr. James McCord of Austin, Texas, in presenting the report of the Special Committee on Religious Liberty, pointed out that any threat to religious liberty today comes from the Roman Catholic viewpoint. The Roman Church is now making a systematic attempt to alter the cultural progress of nations and on the North American continent to bring the Negroes, the forces of labour and the rural areas under their domination. The committee urged that the Western Section appoint a committee to investigate into the relations of church and state and issue their conclusions in popular form.

There were many other interesting subjects discussed. Professor R. D. MacLennan, one of our Montreal laymen, who is head of the Department of Philosophy at McGill University, gave a paper on "The Relationship of Christianity to the University." This paper provided a great deal of discussion and it was shown by several of our American participants that the denominational colleges of United States provided a much more favourable training-ground for the culture of religion than we are privileged to have in Canada.

Dr. Edgar F. Romig of the Collegiate Reformed Church in New York city, and Dr. Phillips P. Elliot of Brooklyn, N.Y., spoke of aspects of Protestant

action in the city. The Alliance was also privileged to hear the Rev. Dr. Arthur R. Siebens, who is Pastor of the American Church of Berlin, give a very gripping recital of the work of that church has accomplished in the American Sector of Berlin. The witness of this church in Berlin has brought many refugees to seek counsel and assistance because of its strategic position. Dr. F. Scott Mackenzie conducted the closing Communion service for the delegates.

Our Church was represented by Professor F. Scott Mackenzie, Th.D., Principal W. W. Bryden, D.D., Dr. C. J. St. Clair Jeans, Mr. C. M. Pitts, Mr. E. W. McNeill and Dr. John McNab.

Professor Mackenzie and Dr. John McNab were elected to the Executive of the Western Section of the Alliance of Reformed Churches.

All of which is respectfully submitted.

JOHN McNAB,
Secretary.

REPORT OF THE COMMITTEE ON CORRESPONDENCE WITH OTHER CHURCHES

To the Venerable the General Assembly:

Last year it was our good fortune to be represented at the General Assemblies of the Church of Scotland, the Free Church, and the United Free Church by the Rev. G. S. Lloyd of Cornwall. We were also represented at the Presbyterian Church of Ireland by the Rev. Charles G. Boyd of Peterborough. Both of these ministers spoke of the warm reception accorded them by our Sister Churches.

Dr. C. Younger-Lewis was also commissioned to the Presbyterian Church in England and in Wales but the late sailing of his ship prevented him from carrying out this commission.

Our past-Moderator, the Rev. C. Ritchie Bell, D.D., was accorded a warm welcome at the Assembly of the Presbyterian Church, U.S.A., which met in Buffalo.

Throughout the year there has been correspondence with various Presbyterian Churches in different parts of the world and we have emphasized the fact that our 75th Anniversary is being held and have requested the different Churches, if it is at all possible, to send us representatives.

All of which is respectfully submitted.

JOHN McNAB,
Convener.

REPORT OF THE PRESBYTERIAN MISSIONARY AND DEACONESS TRAINING SCHOOL, 1949-50

To the Venerable the General Assembly:

The Board of the School reports a successful year, characterized by steady, systematic effort and real progress. The School year has been a very busy one in spite of the fact that the session had been lengthened by two weeks. We hope it has proved helpful to the students who worked consistently and conscientiously throughout the year. At all times a happy, friendly atmosphere has been evident in the residence.

Westminster House has been filled to capacity. Sixteen of the young women in residence were students in training for service within the Church. The others were University students who entered readily into the activities of the residence and made a worthwhile contribution to its life.

In the Courses offered by the School Bible Study is given a foremost place. The practical use to be made of the Bible by the deaconess in her varied service is ever kept before the student. Other Courses given are,—Christian Doctrine, Church History, Missions, Christian Education, Personal Evangelism, Psychology, Social Work, English, Typing and Office Practice, Public Speaking, Recreational Leadership and Choral Music. This represents a weekly average of lecture hours above that required in an Arts Course. The standard of work required of the students is being steadily raised. It is the hope of those responsible for the School that in the near future arrangements can be made whereby degrees in Christian Education may be obtained by students successfully completing the Course.

The School is indebted to the Principal and other members of Knox College staff for the help and instruction they have given in their respective subjects. We are also indebted to Knox College for the use of a classroom in the college building. We appreciate the service of others who have instructed the students and are grateful to the ministers and sessions of congregations in which the students did their practical work.

Our students have again benefitted from Courses arranged co-operatively by the three Church Training Schools for women workers.

Reverend Professor D. V. Wade, Ph.D., delivered the address at the Graduation Service when graduation diplomas were granted to Ann M. Bain, Peterborough, Ontario, Margaret M. MacDougall, Belle River, P.E.I. Scholarships and prizes were awarded as follows:—

First Year General Proficiency Scholarship—Grace Baron, Carberry, Man.

First Year General Proficiency Prize—Betty Grant, Galt, Ontario.

Second Year General Proficiency Scholarship—Annabelle Stewart, Cochrane, Ontario.

Final Year Proficiency Scholarship—Margaret M. MacDougall.

Final Year Proficiency Prize—Ann M. Bain.

Alumnae Scholarship—Margaret M. MacDougall.

Encouraging reports have been received concerning the worthwhile service given by graduates of the School. Our graduates are eagerly sought after for positions within the Church. For the past number of years it has been a matter of regret to the Principal and Board of the School that young women are not being graduated in sufficient numbers to meet the needs of the Church. The great need of the School is more earnest, devoted, conscientious, well-educated young women possessed of good physical and mental health who will train for full time Christian service.

We would suggest that sessions of congregations, Young People's Societies and interested Church members should consider the possibility of providing

financial assistance to promising young women who might think of training for full time Christian service.

Respectfully submitted,

JOSEPH WASSON,
Chairman of the Board.

HUGHANNA RALSTON,
Principal.

REPORT OF THE JOINT COMMITTEE ON CHURCH AND NATION

This Committee received its appointment from the 1949 General Assembly in the following manner: An Overture (No. 18) on Church and State from the Presbytery of Montreal had been referred to the Board of Evangelism and Social Action to report at a later sederunt. The Board recommended and the Assembly approved, "That the prayer of the Overture be granted in the following terms:— That the Committee on Articles of Faith and this Board's Committee on Church and Nation be instructed to act as a Joint Committee to prepare a 'Declaratory Clause' for the Westminster Confession of Faith, Chapter 23, in terms of the 1945 Statement on Church and State and the 1949 Resolutions on Church and Nation, to be sent down to the presbyteries for constitutional adoption under the Barrier Act." (Minutes of Assembly, 1949, p. 61). The 1945 Statement on Church and State was that submitted to the General Assembly by the Articles of Faith Committee, and the 1949 Resolutions on Church and Nation were part of the report of the Board of Evangelism and Social Action.

The Articles of Faith Committee met on October 31, 1949, and decided to sit with the Committee on Church and Nation from the Board of Evangelism and Social Action until the work assigned to this Joint Committee should be completed. The Joint Committee was called to meet on Nov. 28, 1949. The members of the Joint Committee are: the members of the Articles of Faith Committee, viz., Dr. J. G. Berry, Principal W. W. Bryden, Rev. G. L. Douglas, Rev. John Fleck, Rev. W. H. Fuller, Rev. D. W. Kerr, Principal Robert Lennox, Dr. J. B. Rhodes, Dr. T. W. Taylor, Prof. D. V. Wade, Dr. Joseph Wasson; and the members of the Committee on Church and Nation from the Board of Evangelism and Social Action, viz., Rev. W. F. Butcher, Rev. S. B. Coles, Rev. E. C. McCullagh, Rev. G. A. Peddie. Organization of the Joint Committee was effected by the election of Mr. Douglas as Convener, and Mr. Butcher as Secretary. During the year leave of absence was granted to Drs. Berry and Rhodes on account of illness, and Principal Lennox also was absent from the meetings in the latter part of the year because of an unfortunate accident.

The Joint Committee herewith presents a report of progress. Despite the fact that seven meetings were held during the year we find that we still have a considerable amount of work to do before our task is completed. We trust that the Assembly will bear with us in appreciation of the difficulties involved, and that the need for further study will be evident to the church when the nature of our commission is fully set forth.

In view of the following considerations it will be obvious that an adequate Declaratory Clause cannot be prepared without the most intensive research: (1) Many years were spent in studying the problem prior to the unions of 1861 and 1875, yet this resulted only in statements which are now seen to require careful re-statement; (2) Rapid and radical changes have occurred in conceptions of the civil state since 1875; (3) Economic power has developed into a vast political force; (4) The increased pressure of the political pretensions of the Church of Rome since the establishment of Vatican City has greatly heightened the whole problem of Church and Nation.

The object of the Assembly's instructions to this Joint Committee was the removal of the ambiguity in our own doctrinal position emerging from the Union of 1875. This ambiguity is seen when we examine the Basis of Union, which states: "The Westminster Confession of Faith shall form the subordinate standard of this Church; the Larger and Shorter Catechisms shall be adopted

by the Church and appointed to be used for the instruction of the people; it being distinctly understood that nothing in the aforesaid Confession or Catechisms regarding the power and duty of the civil magistrate, shall be held to sanction any principles or views inconsistent with full liberty of conscience in matters of religion." (Book of Forms, p. 99).

The purpose of the clause concerning 'liberty of conscience' was to permit the uniting bodies to enter into union without being bound by the Westminster articles, particularly Chapter 23, on the relationship of Church and State under the Lordship of Christ. The effect of this clause was twofold: (1) to leave our Church without a confession of faith on this most important doctrine; and (2) to introduce 'liberty of conscience' as a criterion in matters of faith, which is a virtual denial of the Scriptural doctrine of liberty of conscience as set forth in Chapter 20 of the Westminster Confession.

We were instructed to prepare our Declaratory Clause partly in terms of the 1945 Statement on Church and State. This Statement provides a clear doctrine on the relationship of Church and State, up to a point. At its close, however, it gives two possible interpretations of the ambiguity in the Basis of Union, without attempting to say which one is correct. The two interpretations given are: (1) "That this revision means that the civil magistrate may not interfere with the full liberty of conscience of the Christian in matters of religion;" and (2) "That this revision means that, in regard to the power and duty of the civil magistrate, The Presbyterian Church in Canada permits to its members full liberty of conscience in matters of religion." (App. to Minutes of Assembly, 1945, p. 308).

The Committee is agreed that the second alternative correctly interprets the Basis of Union. But the recognition of this fact does not provide us with an adequate doctrine. Indeed, the ambiguous statement of the Basis of Union arose out of an inadequate doctrine. No mere interpretative clause can remove the ambiguity. This can be removed only by a statement of doctrine which avoids the concepts and language giving rise to the ambiguity, and at the same time does justice to the commission given us by the General Assembly.

We have said that the 1945 Statement to which we were referred presented a clear doctrine, up to a point. This Statement, however, was not prepared as a confession of faith, but as a basis for study in the Presbyteries. Furthermore, that Statement does not take into account the ramifications of the problem opened up to us by the other terms of reference, viz., the 1949 Resolutions on Church and Nation. The importance of these Resolutions will be perceived when it is remembered that they are concerned with the relationship of our faith to the social, economic, and political problems of our Nation, and, in particular, with the problem of our Nation's relationship to the Vatican. (Minutes of Assembly, App. p. 154).

From the outset it was unanimously perceived that the relationship of Church and Nation under the Lordship of Jesus Christ is not only one of the major issues before the world today but also the basic problem of this Committee. A statement, which we have tentatively entitled, "Christ, the Lord of All", could have been presented to the General Assembly at this time. It was thought inadvisable to do this, however, in view of the fact that it must be seen in concrete relationship to the practical issues involved. Only thus can the doctrine be delivered from meaningless abstraction.

While we were formulating this Statement the particular aspects of our whole problem gradually emerged. These have been assigned to members of the committee for preliminary drafting.

We recommend:

- (1) That the Joint Committee be instructed to continue its work;
- (2) That this report be drawn to the attention of the Presbyteries as a definition of the problem raised by the Basis of Union of 1875, and a statement of the Committee's approach to its task.

GEORGE LEES DOUGLAS,
Chairman.

WILFRED F. BUTCHER,
Secretary.

REPORT OF THE COMMITTEE ON THE ARTICLES OF FAITH

To the Venerable the General Assembly:

Your Committee on The Articles of Faith beg to report that a full-day meeting was held on October 31st, 1949, at which the year's work was outlined. In view of the agreement reached a year ago to prepare a Statement on the Sacraments, various assignments were made to the Committee members to prepare studies on the Doctrine of Baptism.

The General Assembly, however, had given the Committee definite instructions to act jointly with a sub-committee of the Board of Evangelism and Social Action, to prepare a Declaratory Clause on Chapter 23 of the Westminster Confession of Faith. It was therefore agreed that all other work should be set aside until this task was completed. Since this work is still in progress, The Articles of Faith Committee has no separate Statement to present to the General Assembly.

It is recommended:

1. That the Committee on The Articles of Faith be continued.
2. That Presbyteries which have submitted no reply concerning last year's Report be requested to advise the Committee of their findings.
3. That in view of the fact that the 75th Anniversary of The Presbyterian Church in Canada is now being observed, this General Assembly re-affirm our Church's adherence to the historic Reformed Faith taught in the Westminster Standards.

GEORGE LEES DOUGLAS,
Convener.

W. H. FULLER,
Secretary.

THE MORGAN MEMORIAL HOME

To the Venerable the General Assembly:

The Morgan Memorial Home is situated at Markham, Ontario. It is so named in memory of the late Mrs. Thomas Morgan who bequeathed it to The Presbyterian Church in Canada as a home for retired ministers and missionaries. Mrs. Morgan also left certain funds to assist in its maintenance.

The home is divided into three self-contained apartments which are all occupied at the present. The Committee has carried out certain improvements including painting and decorating which have added much to the cleanliness of the apartments. The Committee proposes to complete this renovation as soon as workmen can give the time required to the work.

As yet there has been little activity in the operation of the Comity Agreement with the Presbyterian Church in the U.S.A. but the status of all who come under its provisions is being noted.

Correspondence with the Church of Scotland with regard to a Comity Agreement has brought out several difficulties which that Church finds in entering into such an arrangement. For the present the whole matter rests awaiting further study and consideration on their part.

On July 8th, 1949, your Chairman attended the funeral service of Professor M. A. Mackenzie, in Trinity College Chapel, Toronto. Professor Mackenzie had given freely of his talents and services as an actuary and consultant to our Church long before 1925. He was largely responsible for the Fund in its present form and the Church owes to his memory a great debt of gratitude for a great service of love, for such he always considered it.

To his successor, Professor N. E. Sheppard, the Board records its most sincere thanks for his untiring efforts to promote the health and the interests of our Fund and for his unflinching courtesies and prompt assistance on the frequent occasions upon which he is consulted.

A very careful survey of our resources has been made by a special committee of the Board, whose report has been concurred in by our Actuary, who find that due to the increase in the actuarial assets of the Fund since its last valuation in 1948, it is now possible to recommend to Assembly that the present pensions to retired ministers on the Fund be increased on the basis of \$11.25 per year of service, instead of \$10.00 as at present, and that widows' pensions be increased \$25.00 per annum, which is equivalent to an increase of $\frac{1}{8}$ of the present amount of pension purchased by the Church's contributions. Orphans' allowances will be increased correspondingly. A comparative table is as follows:

	Annuity		Church's		Total
	Purchased by	Ministers' Present	Contribution	Increase	Pension
Present Pension	Rates				
Minister:					
\$650.00 (full ratepayer)	\$250.00	\$400.00	$\frac{1}{8}$	\$50.00	\$700.00
\$450.00 (optional ratepayer)	50.00	400.00	$\frac{1}{8}$	50.00	500.00
\$274.29 (non-ratepayer)		274.29	$\frac{1}{8}$	34.28	308.57
Widow:					
\$325.00 (full ratepayer)	125.00	200.00	$\frac{1}{8}$	25.00	350.00
\$225.00 (optional ratepayer)	25.00	200.00	$\frac{1}{8}$	25.00	250.00

This is made possible by the additional receipt of the "Advance" Funds of \$107,890 and the increased average income from both Congregational Rates and Budget givings for the five years from 1946 to 1950 as compared with 1944 to 1948. Should there be a reduction in the support afforded annually from Congregations, Boards or Budget, then the basis for this increase would be partially destroyed and the process of encroachment on our assets would commence. We are confident that the Church will welcome this increase as a mark of progress and will see that there is no diminution in support until the full objective of \$1,000 for a retired minister of 70, with 40 years of service and \$500 for a widow has been fully attained. If this increase is approved it will take six similar additional advances to attain our objective, or approximately one and one-quarter million dollars.

In view of the increased benefits since 1948 which the Fund now provides for the Widows and Orphans (\$50.00 annually if the recommendation of this report is adopted) the Board and the Actuary find that the provision of Section VII, paragraph (5) should be revised as of June 10th, 1950, by striking out the figures "\$30.00" in the third line and substituting "\$40.00", so that the paragraph will then read:

"(5) Any minister withdrawing from the Church shall continue to enjoy his rights in this Fund, on condition of his paying annually into the Fund \$40.00 in addition to the rate previously paid by him."

It is further recommended that this paragraph be transferred from Section VII (5) under "Orphans' Benefits" to Section XI (1) under "Withdrawal from the Church" and that the present section under this heading become paragraph (2).

The Board and our Actuary have further studied the Widows' and Orphans' Rates in the case of a minister who remarries, that as an alternative for increased rates adjusted by the Board in consultation with the Actuary (either annual, or single payment or annual in the case of a minister over 70 years), it is now recommended that there be no change in W. & O. rates when a minister remarries, but that a deduction of 2½% be made in the Widows' pension for every year that the new wife is more than 5 years younger than the minister, and in addition that a further 2½% deduction shall be made for every year less than 10 years which they both continue to live after their marriage. It is further recommended that this provision be made retroactive for three years if the minister should so elect.

It is further recommended that Section VII (4) be now transferred to Section VI under "Widows' Pensions" and become paragraph (2) (a) and the above recommendation, if adopted, be paragraph (2) (b).

Last Assembly directed that "The Pension Board consider the feasibility of a pension plan that would include other employees of the Church." A study has been made and the Board finds that a scheme to provide retirement allowances for the Church's lay employees is feasible, but must be entirely separate from the operation of the present Pension Fund for Retired Ministers and their Widows and Orphans, as such funds as are at present in the Pension Fund are specifically trust funds for the purposes specified in the present regulations. It is recommended that Assembly give the Pension Board power to further investigate the possibilities of setting up a retirement plan for Church employees (as distinguished from ministers) on the basis of equal contributions on the part of the employee and the Church, the specific details to be submitted to next Assembly for final approval. There are considerations such as recognition of past services, and age of retirement, amount of annual contribution which will be mutually satisfactory (i.e. 4% or 5%) and the exact determination of the qualifying status of the employee, all of which it has been impossible to finalize during the past year. There is a considerable interest on the part of a number of the office staff and the supervisory officials and office staff of the colleges and insti-

tutions, but there is no evidence of extreme urgency. The matter of including deaconesses employed in congregations presents problems for which the Board at present has no solution other than suggesting it is the responsibility of such congregations to make the necessary provisions individually. The same difficulties do not arise in the case of Catechists and provision for these servants of the Church could be included as they come directly under the supervision of the Mission Board and the terms of their employment are definite. On ordination the Catechist could disjoin from the Employees' Fund to join the Pension Fund to which he would then be eligible and could transfer his equity in the former fund. It would appear that the Pension Board has all the facilities to administer such a Fund, keeping the Employees' Fund completely separate from its present duties.

The Pension Pamphlet in the form of Questions and Answers explaining the function and operation of our Pension Fund has been well received by the Church following its initial appearance at last Assembly. The Board has recently published a revised edition of the Pension Fund Booklet containing an up-to-date summary of the regulations and suggested forms of bequest. These have been circulated throughout the Presbyteries and are in the hands of all ministers, as forecast in our last report to Assembly.

The 35th Annual Church Pensions Conference was held in New York on November 30th and December 1st, 1949. Our Board was invited to attend these and future meetings. There are twenty-one participating Protestant denominations including the Church of England in Canada, the United Church of Canada, and the Y.M.C.A. and the Y.W.C.A. Statistics are submitted which are comparative and interesting, and methods and administration, benefits and contributions are presented by experts in this field. Lay Employee Pension plans are also included and mortality trends and actuarial reserves are analyzed and reviewed. It would appear in our interests to be represented at this Conference, and to pay the nominal annual contribution of \$40.00 for the benefits of this association.

The Treasurer's Report on page 170 clearly indicates the progress in the past year. The assets have increased \$144,032.13 to \$1,456,679.86. This is accounted for by the further payment of \$107,890.40 from the "Advance for Christ" Fund, but Ministers' Rates, interest on investment, receipts from the Church Budget, Congregational Rates, all show increases which are healthy and indicative of the support of both ministers and people.

On the expense side, the payments of annuities have increased \$3,777.63 to \$85,388.60 while the expenses of the year decreased \$687.62. If the increase in pensions as recommended is approved this will mean approximately \$9,000.00 additional annually. At present our income account shows a surplus of \$9,337.82.

Congregational rates are continuing an important source of revenue. During 1949, \$31,073.23 was received which included \$8,162.02 in arrears of rates prior to 1949. The receipts increased in the amount of \$4,354.78 over last year's total of \$26,718.45. Many congregations have this year commenced paying present and back rates. Cancellation requests in the amount of \$5,360.26 were received, considered and granted by the Board on the authority of the Assembly, and approved by Presbytery. Credits were allowed on mortgage payments in the amount of \$1,224.19; building fund campaigns in the amount of \$303.48; errors in reporting \$525.47 and charges without a minister and paying no stipend \$509.17—a total credit of \$11,906.05. Congregations in arrears of rates are being regularly reminded of the outstanding rates. Unpaid rates as at January 31st, 1950, totalled \$42,979.28, a decrease of \$4,505.94 from last year. Ministers' rates in arrears at January 31st, 1950, were \$23,839.66, an increase of \$3,697.96.

Attention is again directed to the receipts from Gifts and Bequests amount-

ing this year to a total of \$14,660.57, as compared with \$7,817.18 in 1948 and \$92,426.08 in 1947. This year's totals are made up as follows:

Gifts from individuals	\$ 1,806.25
Bequests:	
Estate of George Allen	11,529.32
Estate of John Penman	1,325.00
	12,854.32
	<u>\$14,660.57</u>

The Pension Report of last year indicated that gifts and bequests form one of the principal sources of assets by which this Fund will reach its full objectives. Through the years faithful and devoted members of the Church and the interested supporters of the Pension Fund, the Aged and Infirm Ministers' Fund, the Ministers' Widows' and Orphans' Fund (Maritime Provinces and Western Sections) which latter Funds were the antecedents and have been incorporated into our present Pension Fund, have made provision in their last will and testament to provide for the future stability of this Fund. The present generation must be encouraged to make similar suitable provisions and it will be one of the duties of this Board to promote interest and action to this end. Any bequests to any of the above-mentioned Funds of The Presbyterian Church in Canada become trust funds and assets of The Pension Fund and should be so administered under the regulations of the General Assembly. Bequests or gifts designated for emergency relief of the ministers or their dependents should properly be administered by the Dr. Ephraim Scott Benevolent Fund under the committee appointed by the Board of Administration, as such duties have been divorced from the responsibilities of the Pension Board as such, as the Pension Fund regulations of Assembly have no provision for disbursements on compassionate grounds. It should not be necessary for Assembly to give more explicit direction in the matter than is at present recorded in the regulations.

Attention was drawn in last year's Report to the condition arising from the non-payment by some of the Boards of the Church of the rates due based on the salaries of the ministers in their employ. Last year \$3,621.53 was received on this account, and this year nothing. The Regulations of Assembly are clear and definite in their direction that these amounts are payable annually but for one reason or another no receipt of money or transfer of equity has been made from these Boards to the Pension Fund on this account. The whole situation has been remitted to a joint conference of representatives from the Board of Administration and the Pension Board to devise means by which these Rates will be collected in full annually. It is unfortunate that no findings are available from this conference at the date of this report. The position of the Board is unchanged as to its responsibility to collect all these Rates as authorized by the Regulations of Assembly.

Grave damage can be done to the stability and integrity of the Pension Fund by the mistaken idea being entertained in any section of the Church, that due to the almost spectacular increase in its assets in the last six years, it is therefore in so secure a position that some or any of the statutory supports of its revenues can be temporarily or permanently withdrawn or reduced. It is true that the Fund is actually sound on the basis of its present responsibilities to its present membership as to so-called capital cash or investment securities, and also evaluating its present rate of income for all sources including a conservative estimate of annual receipts from bequests and gifts. But this only provides for seven-tenths of the pension which fifty years ago was considered adequate. The way we have come since 1927 only has made firm our foundations for what was then being paid and an additional \$100 per year to a minister of 40 years

service and \$50 to a widow. It should never be forgotten that at least a million and a quarter dollars in assets must be found before this old objective can be attained for those currently connected with the Fund. Surely honour and justice require us to accomplish this speedily. Something of the magnitude of the task ahead can be best appreciated by the fact that this represents an increase in annual income of the Fund of more than \$100,000.

Let there be no misunderstanding of either our duty or our objective. While it is most evident that in the majority of congregations we are not paying adequate remuneration for present services, let us not forget that honour and justice demands a living provision for the past faithful and devoted services of our retired ministry who have complied with all the stipulated requirements of the Church to qualify them for financial care in their retirement as well as care for their dependents on their death.

May we as a Church be granted the strength and fidelity of purpose to meet our past obligations for services rendered before launching out beyond our depth in the beckoning opportunities of future conquests at the further expense of those who can no longer fend for themselves.

Grateful acknowledgement is here recorded of the splendid co-operation which has been given by the staff in the Church Offices of all departments, and for the many courtesies extended in sharing office space and facilities. The condition at 100 Adelaide Street, West was necessarily cramped and the change to the Church's own building at 63 St. George Street is most welcome for the additional room now available.

Our special thanks are given to the Treasurer of the Church, the Chief Accountant and his office staff, the Secretary of the Board of Administration, and Miss Gray for her ready and effective co-operation in the Statistical Department, and to the Editor of the Record for his interest and support, and to all Pension Committees and Conveners in Synods and Presbyteries upon whom many extra burdens of detail have been imposed in the past year. The efficient and faithful services of Miss Margaret Robertson as Secretary of the Pension Office is gratefully acknowledged. The accounting and detailed work of the records and correspondence have been brought into most satisfactory order. The affairs of the Board were never in better condition.

Mackenzie in whose passing The Presbyterian Church in Canada has lost a staunch and devoted friend whose experience and helpfulness in the last forty years has been of such vital assistance to the Pension Fund.
2. That this General Assembly record its grateful appreciation of the services of Professor N. E. Sheppard who as the Actuary has continued to generously contribute of his time and professional services in the interest of our Pension Fund.
3. That the present contribution of the Church towards the pensions paid to all present pensioners, ministers and widows, (including orphans) be increased by one-eighth as of July 1st, 1950, as outlined in this report.
4. That Section VII (5) of the Regulations be amended by substituting "\$40.00" for "\$30.00" in the third line, so as to read "Any minister withdrawing from the Church shall continue to enjoy his rights in this Fund, on condition of his paying annually into the Fund \$40.00 in addition to the rate previously paid by him." This provision to be effective from June 10th, 1950, as recommended in this report.
5. That in the case of a minister remarrying, his second wife shall participate in the benefits of the Fund without increased rates as presently provided in Section VII (4), if he elects the alternative of a deduction of 2½% from the widow's pension for every year that the new wife is more than

5 years younger than the minister, and in addition that a further 2½% deduction shall be made for every year less than 10 years which they both continue to live after their marriage, this alternative provision to be made retroactive for three years if the minister should so elect.

6. That the Regulations as contained in Section VI, VII and XI be re-arranged and designated as recommended in this Report to promote clarity and continuity in their sequence under the proper headings.
7. That the details of a retirement Fund of Lay Employees of the Church be referred to this Board for further study, the general scheme being that of equal contributions of the Church and employee as outlined in this report.

AUDITOR'S REPORT

To the Venerable the General Assembly of The Presbyterian Church in Canada:

We have examined the books and accounts of The Presbyterian Church in Canada for the year ended 31st January, 1950.

Bonds, debentures and stocks owned by the Church as at 31st January, 1950, were examined by us and are shown at cost adjusted for amortization.

We received confirmation from the Church's bankers of the amounts on deposit at the close of business on 31st January, 1950, and cash in the principal office was confirmed by count.

We certify that in our opinion, the attached balance sheet and statements which accompany it are properly drawn up so as to show a true and correct view of the affairs of the Church according to the best of our information, the explanations given to us and as shown by the books of the Church.

HENRY BARBER, MAPP & MAPP,

Toronto, 28th April, 1950.

Chartered Accountants.

Memorial Record

DR. LUTHER LISGAR YOUNG

Luther Lisgar Young was born November 21st, 1875 at Millsville, Pictou County, Nova Scotia. He was educated at Pictou Academy, graduating from that High School in 1898. He served three years as a teacher in Nova Scotia. He received the B.A. degree in 1903 from Dalhousie University and graduated from the Presbyterian Theological College at Halifax in 1906.

Mr. Young was ordained to the ministry of The Presbyterian Church in Canada in June, 1906, and went to Korea as a missionary in October of that year. He was appointed to the Mission Station of Hamheung on the east coast of Korea. He was Principal of the Boys' Academy at Hamheung and had oversight of the evangelistic work in three counties in Hamheung Province in the north eastern part of Korea. In this district he founded three churches which increased to 74 churches by 1925, at the time he withdrew from the field.

Subsequent to 1925 Dr. Young was appointed to serve in Japan among the 500,000 Koreans residing in that place. That has been his field of labor since except for the war years, when unable to return to Japan, he served in different parts of Canada, Fergus, Beamsville, East River, Nova Scotia and Briercrest, Saskatchewan.

He returned to Japan in January, 1949, to reorganize the work among the Koreans in Japan and laboured until he passed away on February 21st, 1950.

In the passing of Dr. Young another link is broken in the chain of devoted missionaries who in 1925 decided to continue their work under The Presbyterian Church in Canada. None gave more devoted and efficient service than this fine Christian gentleman.

Synod of Montreal and Ottawa

REV. GEORGE W. MINGIE, B.A., M.A., B.D., B.C.L., LL.B.

The Presbytery of Montreal hereby places on record its sense of deep loss in the passing of Rev. George Walter Mingie, B.A., M.A., B.D., B.C.L., LL.B. After a brief illness Mr. Mingie passed away in the Homeopathic Hospital in Montreal on the 13th day of March, 1950, at the age of Seventy-four years.

Mr. Mingie was born in the City of Montreal where he continued to make his home during most of his lifetime. His education was received in the schools of Montreal. As a young man he worked for some years as Clerk in a law office in the city, and entered first year in Arts in McGill University in September, 1900. Mr. Mingie had a brilliant College record. Entering the University in September, 1900, he graduated from the Presbyterian College with high honours in 1905. During those five college terms he obtained his Bachelor of Arts degree, Master of Arts (McGill), Bachelor of Divinity (Presbyterian College), and graduated with the Gold Medal and the David Morrice travelling fellowship. He then spent a year abroad where he did post-graduate work in Edinburgh.

On his return to Canada in the year 1906 he was called to the pastoral charge of Lunenburg and Wales in the Presbytery of Glengarry. In the year 1910 Mr. Mingie was appointed Secretary of the Lord's Day Alliance for the Province of Quebec, and his territory was later extended to include the Maritime Provinces. Finding it difficult to secure the legal assistance necessary in carrying

on his work in this position, he re-entered McGill University and in the spring of 1913 graduated with the degree of Bachelor of Common Law and was called to the Bar in July of the same year. Mr. Mingie continued to represent the Lord's Day Alliance in Eastern Canada until about 1930. After that time he lived in semi-retirement. He was frequently called upon to supply vacant pulpits where his services were always acceptable, and he carried on a semi-private law business.

Mr. Mingie was almost a lifelong member of St. Matthew's Presbyterian Church, Montreal, and for many years served as an Elder in that congregation. He always took a keen interest in the work of his own local Church and in the work of the Presbyterian Church as a whole and was willing to render any possible service. He was a man of strong, clear intellect and most kindly disposition.

The Presbytery extends its deepest sympathy to his bereaved wife and his brothers and sister.

Synod of Toronto and Kingston

REV. STUART CRAWFORD PARKER, M.A., B.D., D.D.

Early on Sunday morning, January 15, 1950, Rev. Stuart C. Parker, M.A., B.D., D.D., passed into higher service. Born in Glasgow, Scotland, on November 21, 1888, he attended Hutchinson's Grammar School, the University of Glasgow and Glasgow Divinity Hall. All through his academic career he gave evidence of great brilliance of intellect. He served as minister of Lockerbie in Dumfriesshire, Belmont parish in Glasgow, and later as Assistant at Glasgow Cathedral whence he was called to St. Andrew's Church, Toronto, and inducted in May, 1923. Immediately he was recognized as a leader of the Church and rendered leal service during the distressing years which followed. He was elected Moderator of the 1939 General Assembly and during the year following his election visited the Church, encouraging and strengthening ministers and people alike. Widely known for his able pen, he wrote many books which were eagerly read and studied, chief of these being, *Little Tales of Jesus*, *Jesus Asks a Question*, *The Guest Chamber*, *Jesus Stresses a Point*, *Yet Not Consumed*, and *The Book of St. Andrew's*.

In World War I Dr Parker served as an officer with the Tank Corps of the British army and in the late war he held a roving commission for one year in the Royal Canadian Air Force. For many years he was Chaplain of the 48th Highlanders, Toronto.

Besides Mrs. Parker, Dr. Parker leaves two sons to mourn his passing—Major H. H. A. Parker of Ottawa and Mr. Stuart P. Parker of Richmond Hill. Funeral services were held in St. Andrew's Church on Wednesday, January 18th, under the auspices of the Presbytery of East Toronto, Rev. Alexander McLean, Moderator, being assisted by the Rev. C. L. Cowan, D.D., Moderator of the 1949 General Assembly, and Rev. R. E. G. Dennys, formerly Assistant to Dr. Parker. Dr. William Barclay of Hamilton, Moderator of the 1940 General Assembly, paid a fitting tribute to those great gifts of mind and heart which were Dr. Parker's in full measure.

REV. J. O. RALSTON, M.A.

The Rev. J. O. Ralston, M.A., minister of St. Andrew's, Campbellford, died in the Civic Hospital, Peterborough, Sunday, August 7, 1949. He had been reported ill at the June meeting of the Presbytery of Peterborough, but it was the first of August before the gravity of his illness became known and the word was given

to all evening congregations of August 7 within the bounds of Presbytery that a greatly beloved and popular minister had passed on.

Mr. Ralston had been inducted at Campbellford on May 28, 1942, and was the oldest in point of service on the Presbytery's Roll at the time of his death. His previous charge had been at Parry Sound. A great portion of his ministry had been spent in the West, and at one time he had served as a naval chaplain. Mr. Ralston was an excellent preacher and a faithful pastor. He had a fine command of the English language, and was happiest in the impromptu speech, which was always characterized by wit and the felicitous phrase. He was well versed in the law and procedure of the Church, holding to the exactness of the canons with a vision of the great fellowship of faith. The funeral was held August 9, at St. Andrew's, Campbellford, and was conducted by the Rev. Dr. Rupert Stewart of Toronto, assisted by the Rev. Horace Kaye of Lakefield and the Rev. Dr. Smith of the United Church, Campbellford.

REV. CHARLES H. LOWRY

At the age of ninety-three, the Rev. Charles Henry Lowry, lately minister on the Appendix to the Roll of the Presbytery of West Toronto, passed to his rest in "Penmarvian", Paris, where he had resided after the death of his wife a year ago.

Mr. Lowry was one of the senior ministers in The Presbyterian Church in Canada, having graduated from Knox College in 1894. Even before entering the ministry, he was an ardent Sunday School worker and lay preacher. Mr. Lowry served pastorates in Bridgeburg (now Fort Erie), Newcastle, Waterdown, Hagersville, and at his retirement was in charge of the Nelson and Trafalgar congregations. On his retirement he came to Toronto, and was always an acceptable supply minister.

Mr. Lowry's ministry was characterized by a deep evangelistic note. He was an earnest preacher and a faithful pastor, and was greatly devoted to the Church of his fathers, which he served with untiring devotion all his life.

The funeral service was held in Toronto, and was presided over by Rev. John M. MacQueen, minister of Runnymede Church, where Mr. Lowry had been an eager worshipper. Surviving are a son, Charles A. Lowry, Canberra, Australia, and a grand-daughter, Miss Ariel Lowry.

REV. WILLIAM MARSHALL ROCHESTER, D.D.

The Rev. William Marshall Rochester, D.D., who was ordained to the ministry in the year 1890, died at the Queen Elizabeth Hospital, Toronto, on Friday, October 21, 1949, in his 87th year.

He was graduated from McGill University in 1886 and from Presbyterian College, Montreal, in the year 1890. After a short term as assistant minister of Erskine Church, Montreal, he volunteered for the home mission field and was appointed to Prince Albert, which was then part of the North West Territories. After five years in that pioneer charge, he became minister of Cowan Avenue, Toronto, for a short period. Kenora was then an outpost of the Church and this congregation invited Dr. Rochester to be their minister. He accepted and laboured there until 1906, when he was appointed Western Secretary of the Lord's Day Alliance. With fairness, and yet with fearlessness, he occupied this post until the year 1910, when he was made General Secretary of the Alliance and came once more to reside in Toronto.

As General Secretary, he became known throughout the various denominations in all the Canadian provinces. With a singular loyalty to his own Church,

he remained Presbyterian during the struggle of 1925 and in the year 1926 the General Assembly appointed him to succeed Dr. Ephraim Scott as editor and manager of *The Presbyterian Record*.

His Alma Mater awarded him the degree of Doctor of Divinity for the outstanding work that he had accomplished in the Christian ministry. From 1926 until the spring of 1945 he edited the Church journal with his own conspicuous ability.

During the period of illness since he was stricken, his wife ministered to him with care and remarkable devotion. She survives him. Two sons, Herbert C. of Montreal and Reginald B. of Toronto, are among the mourners. During the first World War, his two sons, Harvey and Ernest, both of whom had won medals for bravery, were killed. This loss the Doctor constantly remembered.

The funeral was conducted by the Presbyteries of East and West Toronto. Participating were the Moderator of East Toronto, the Rev. R. H. M. Kerr, the Moderator of West Toronto, the Rev. D. P. Rowland, M.C., Dr. T. Wardlaw Taylor gave the address, Dr. Joseph Wasson and Dr. John McNab also assisted in the service.

REV. GEORGE PETRIE DUNCAN, D.D.

There passed away on July 23, 1949, at his home in Toronto, after a brief illness, one of the Church's best-loved ministers in the person of the Rev. George Petrie Duncan, D.D., in his eighty-second year.

Dr. Duncan was born in the village of Charleston, County of Angus, Scotland, on April 5, 1867. As a boy he expressed the wish to be a minister. This ambition was fulfilled when he entered Knox College, Toronto, in 1890, a few years after coming to Canada. He was graduated in 1897, and that year he began his first pastorate at Unionville, Ontario, where he served for nine years. For two and one-half years he ministered to the congregations at Whitechurch and Langside in the Presbytery of Huron-Maitland. Port Credit was his next sphere of labour for some sixteen years. In 1925 he was called to St. Andrew's Church, Stratford, and he rendered sterling service both to that congregation and to the city. It is said that he knew every child in St. Andrew's large Sunday School by his or her first name. He loved children and was singularly successful in winning their affection and trust. Whilst in Stratford he was honoured with the degree of Doctor of Divinity by Knox College. In 1937 he retired, having completed forty years of active service in The Presbyterian Church in Canada.

During his long and faithful ministry Dr. Duncan served on various committees of the Church, and latterly on the Pension Board. In 1916 he went overseas as Chaplain of the 126th Peel Battalion, and later went to France as a Chaplain with the First Canadian Division. He and his three sons all served in the armed forces; Captain George Gordon and Captain Alan Barrie Duncan, M.C., were killed in action.

Dr. Duncan was a great Scotsman, and an ardent Britisher. He loved the Presbyterian Church with unstinted affection and served her with true devotion. He had laid himself upon God's altar and everything was placed at the service of his Lord. He was always and everywhere a minister of the Gospel, and could truly have taken as his own the words of St. Paul to the Ephesian elders: "None of these things move me, neither count I my life dear unto myself, so that I might finish my course with joy, and the ministry which I have received of the Lord Jesus, to testify the Gospel of the grace of God." As a minister and as a citizen he seemed to live continually under the constraint of the searching words of The Preacher: "Whatsoever thy hand findeth to do, do it with thy

might." He will be remembered for his noble character, the earnestness which filled his soul, his kindly disposition, his fine optimism, his literary culture, and his courageous faithfulness to what he believed was right and true. His heart and mind kept ever young.

For the last twelve years Dr. Duncan lived in Toronto, where he was a member of Rosedale Church, and was always in his place on the Lord's Day unless he was engaged in preaching, always and to the last his dearest work.

The funeral service was conducted by the Rev. J. B. Paulin, D.D., minister of Rosedale Church, who gave the address, assisted by the Rev. James McNeill, D.D., who read the Scripture and offered prayer. Interment was in Dixie Presbyterian Cemetery.

Dr. Duncan is survived by his widow, formerly Kate Westman, a daughter Muriel of Toronto, and a son Dr. Wallace Duncan of Cleveland, Ohio, U.S.A.

This Presbytery commends the bereaved family to the Eternal God who is our refuge, and whose everlasting arms are always underneath.

REV. DONALD McKAY

The Rev. Donald McKay, died on Tuesday, January 3rd, 1950, at his home in Drayton, after a lingering illness.

Born in Stayner seventy-six years ago, Mr. McKay was the son of the late Donald and Mrs. McKay. He attended school at Stayner and Collingwood, then entered Knox College, from which he graduated and was ordained to the ministry in 1902.

His first charge was at Bala, Muskoka, and from there he went to Chalmers' and McBride in 1907. From 1918-22 he served at Dorchester Presbyterian Church and later at Bolton until in 1926 he came to Drayton where he remained until 1930, when he was called to St. George's, London. Ill-health necessitated his removal to a smaller charge, and in 1941 he was called to Burnbrae in Kingston Presbytery. On his retirement from the active ministry he made his home in Drayton. In 1934-35 he was Moderator of the Synod of Hamilton and London.

He was a faithful minister, and able preacher, a kindly and gracious pastor; finding no service too great to render he served his Master well. Rev. Donald McKay won the love and respect of congregations and communities alike.

He leaves to mourn, his widow, the former Elizabeth Canning, and one daughter, Mrs. H. V. (Dorothy) Rice, of Edmonton, Alta. A son, Dr. Kenneth, predeceased him in 1940.

The funeral was held in London, January 6th, Rev. J. R. Waldie, Clerk of the London Presbytery, conducted the service. He was assisted by Rev. Richard Stewart, Dr. John McNair and Rev. John Fleck, who brought the message.

The Presbytery of Kingston would record their deep sense of loss in the passing of our late brother in the Lord, whose name has continued on the Appendix of our Roll at his request since his removal from the bounds. We would, also, express sincere appreciation of the faithful services he has rendered his Master within the Presbyterian Church. Further, we desire to convey our sympathy to the bereaved widow and daughter, commending them to the source of all comfort.

REV. GEORGE ROWLAND, B.A., B.D.

The Reverend George Rowland was born in County Monaghan, Ireland, in the year 1884, and came to Canada in 1902. His Arts studies in preparation for the Ministry were in Queen's, Kingston, and McMaster, Toronto; from the latter

he received his Bachelor of Arts degree. His theological course was taken in Knox, Toronto, from which he was graduated in 1914. In 1921 he returned for post-graduate studies, having resigned his charge at West Flamborough, and received his Bachelor of Divinity degree. He was called to Dixie, where he remained for three years, thence to Cowan Avenue, Toronto, and to Knox, Stratford, being inducted there on October 11th, 1925. Following his pastorate at Stratford, he was called to Maisonneuve Church, Montreal, and thence to St. Paul's, Port Hope. The date of his induction at Port Hope was May 16th, 1940. He was elected Clerk of the Presbytery of Peterborough on April 22nd, 1942.

It was in the Port Hope pastorate that Mr. Rowland's health began to fail him, and compelled him to resign. It was with great reluctance that the Congregation and Presbytery accepted the severance of the pastoral tie: the effective date was August 31st, 1945. Some months later he moved to the Morgan Memorial Home, Markham. His health showed considerable improvement, and hopes were held for more recovery, but he passed away on September 27th, 1949.

The funeral was held in Toronto, and was conducted by the Presbytery of East Toronto, with Dr. McCree, Dr. Kenneth Glazier, Rev. John Galloway and Dr. E. A. Thomson taking the service. Burial was made in Albion Cemetery, Prince Edward County, on Friday, September 30th, where the Rev. J. Goforth Hornsby of Belleville conducted the service.

Mr. Rowland is survived by his widow, who was Miss Florence Peck, and three daughters, Phyllis (Mrs. John Orns), Doris (Mrs. Hugh Ritchie), and Betty.

The Presbytery of Peterborough held the late Mr. Rowland in high esteem as a Presbyter, Clerk and Christian gentleman. His work for the Court was precise, and his knowledge of Church law and procedure profound. As a preacher he was scholarly and warm, and gave consecrated service in his sympathetic ministry. He was particularly faithful in his duties with the aged, infirm and unfortunate. His service to the Church at large covered many activities and in these he was a diligent worker. His ministerial life covered a notable time in the history of The Presbyterian Church in Canada, and the Presbytery of Peterborough gives thanks to the King and Head of the Church for His servant, George Rowland, now passed to his reward among the spirits of just men.

REV. PETER WRIGHT MACINNES

After a long and trying illness, the Rev. P. W. MacInnes passed to his rest on August 16, 1949.

He was born in Glasgow, Scotland in 1876, and studies in the Bible Training Institute there. In early life he came to Canada, settling in Brantford, where he at once interested himself in the work of the Church. Becoming aware of the need of workers in Western Canada he accepted an appointment in Southern Saskatchewan where he served most acceptably on a number of heavy mission fields.

He enrolled in St. Andrew's College, Saskatoon, returning each week-end to his field for the Sunday services. He graduated in 1926, and came to Ontario, and was called to Boston in the Presbytery of Toronto. Later he ministered to the congregations of Leaskdale, Bracebridge and Durham with great acceptance. Ill health caused his retirement in 1948.

Surviving are his widow, two daughters and two sons, one of whom is Rev. P. Gordon MacInnes of Elora, Ontario.

The funeral services were conducted in the Durham Church by Rev. W. A. Cameron, a friend of many years standing, assisted by Rev. G. L. Hamill, Rev. Andrew McKenzie, and Dr. Charles H. MacDonald.

Synod of Hamilton and London

REV. WILLIAM GARTSHORE

The Presbytery of Sarnia desires to place on record its sincere sorrow on the passing of Rev. William Gartshore, minister of Brigden, Bear Creek, and Knox, Dawn churches, who died on April 16th, 1949. Though only with us for a short time, by his unassuming and kindly nature, he had won a warm place in our hearts.

Mr. Gartshore was a graduate of Pine Hill College, Halifax. As a young man he served in various congregations in the Maritime Provinces. For a period he occupied a pulpit of the United Presbyterian Church of the United States but soon returned to Canada where he enjoyed a brief but happy ministry.

He was a man of wide interests and amazing breadth of mind. His study in various colleges and services in many parts of the United States and Canada gave him a vision of the church that is the possession only of a few. He was a good companion, a faithful Presbyter, and a devoted servant of the church he loved.

We all miss him, and to Mrs. Gartshore we extend our deepest sympathy.

REV. JOHN C. DAVIES

The Rev. John C. Davies, lately pastor of Burns Church, Mosa, in the Presbytery of London, passed away in Toronto on February 23, 1950.

Mr. Davies was born at Llanelly, South Wales in 1873, the son of John Davies and Esther Williams. For a few years he was engaged in business. But, feeling a strong call to the ministry, he entered Travecca College and graduated in 1905. Being ordained he was called and ministered to two Presbyterian Churches in Wales, Miller Cross, at Haverford and Gilead in Pembrokeshire.

Being approached to come to Canada he arrived here in May, 1914. Being received into our Church, he received and accepted a call to Clifton, N.S.

In 1920, owing to his wife's illness, he went to the United States as Superintendent of Home Missions in the Southern Presbyterian Church, ministering also for 1921 to Corbin Church, Kentucky.

Returning to Ontario he ministered to Fenelon Falls from 1922 to 1925, to Woodbridge from 1926 to 1930, to Westminster and Willowdale from 1930 to 1936, and finally to Burns Church, Mosa until the time of his retirement through ill-health, May 31, 1949.

As a preacher Mr. Davies was winsomely spiritual, as a pastor attentive and sympathetic and as a Presbyter, faithful and brotherly.

By his first wife Ellenor Morris, he had three children, a daughter, Miss Olwen, of Whitby, and two sons, James A. and Dr. John S. both of Toronto.

He is survived by his wife, Adelaide Thompson, whom he married in Toronto in 1937, who proved a most gracious and loyal helpmate.

The funeral service was conducted by Rev. J. M. Laird and Rev. J. M. Milroy. Interment was in Mount Pleasant Cemetery.

REV. PETER A. DUNN, M.A., B.D., D.D.

The minister of St. Paul's Presbyterian Church, Hamilton, Ontario, for 16 years until his retirement in 1948, Rev. Peter A. Dunn, D.D., passed to his reward June 10th, 1949. He was 63 years old.

Born in Stellarton, N.S., Dr. Dunn was a graduate of Edinburgh. His first charge was at Morningside Parish Church, Edinburgh. He held other charges at Arbuthnott Parish Church, Scotland; Woodside Parish Church, Aberdeen; Greenside Parish Church, Edinburgh; and Central Congregational Church, Boston, Mass. Dr. Dunn came to St. Paul's Church, Hamilton, in 1932.

The funeral service, largely attended, was held in St. Paul's Church, June 13th, and was under the care of Hamilton Presbytery. The Moderator, Rev. W. B. Mitchell, presided, assisted by Rev. Stanley Vance, Rev. Forbes Thomson, Rev. W. H. Fuller. Dr. William Barclay paid tribute to Dr. Dunn in these words:

"Peter Dunn was a good churchman because his first concern was his congregation, over whom he exercised the office of a Pastor with a great devotion; while Sunday by Sunday he took them into the green pastures of God's Word with steady faithfulness. He exemplified an all-round Presbyterianism, being faithful in attendance at the courts of the Church and a diligent student of the Theology of our Reformation Fathers.

"He was a good churchman because he made the best of his training and upbringing in the Church of Scotland into which he was born and of which six others of his kith and kin, besides his father and himself, were loyal and devoted ministers. A well prepared preacher, a life-long student, a diligent visitor, and a worthy representative of the Church in community leadership as an educationalist and a support of such social and welfare work as needs the inspiration and active direction of Christian men and women, both clerical and lay, if the full benefit is to accrue to citizens, old and young, whose misfortunes are the concern of those whose lot has been of a happier sort."

Dr. Dunn is survived by his widow, the former Dorothy Burton Dewar of Hamilton, and one son, Dr. Charles W. Dunn, on the staff of University College, University of Toronto.

Synod of Manitoba

REV. MATTHEW PHILLIP FLOYD

Rev. Matthew Phillip Floyd was born in Low Wath, Cumberland County, England, on the Scottish border, May 31, 1866. He died at the home of his daughter in Melfort, Sask., on July 20, 1949.

Mr. Floyd came to Canada as a boy with his family and settled at Cobourg, Ontario. After teaching school for a number of years he entered Knox College, graduating in 1897. He answered the call of the West, serving as student at Fort Frances, Ontario, and after ordination was called to Erskine Church, Killarney, Manitoba. He remained there until accepting the call to Melita, Manitoba. He left the active ministry for a few years to farm at Lashburn, Saskatchewan.

Being a staunch Presbyterian, he answered the call to return to Melita to carry on the work in the Presbyterian Church there following the disruption in 1925. Mr. Floyd played an important part during the drought years, organizing relief work in the south-west area of the province. He was active in all the courts of the Church, serving a number of years as Moderator of Presbytery and Synod, Missions' Convener of Presbytery and Synod, and also as a valued member of the General Board of Missions. Ill-health and advancing years forced his retirement in 1946. He continued to reside at Melita and was a member of Brandon Presbytery until April, 1949.

The funeral was conducted by the Presbytery of Brandon from the Melita Presbyterian Church on July 25, 1949. The Moderator, Rev. W. O. Nugent, conducted the service assisted by the Clerk, Rev. Douglas Anderson. Honorary pall-bearers were members and former members of Presbytery and the Sessions of Melita and Elva Churches.

His wife predeceased him in 1928. He is survived by three sons and three daughters.

Synod of British Columbia

REV. FRANCIS McAVOY, Th.B.

The Presbytery of Victoria places on record its high esteem of Rev. Francis McAvoy, Th.B., who passed away on the 14th day of April, 1950. Though he had been in failing health for some time, the end came suddenly whilst in the General Hospital, Nanaimo, B.C. Mr. McAvoy was born 66 years ago in Glasgow, Scotland. After serving in the Boer War in South Africa he arrived in Canada, settling in Brantford, Ontario. During his stay here he decided to study for the Ministry, moving to Wolfville, Nova Scotia, where he entered Acadia University, graduating in the spring of 1917. He was ordained in August of the same year. His first charge was Aylesford, N.S. He went overseas in the first great war as a private, losing an arm in that conflict. After his recovery he received a call to Elmira, Ontario, where he served with much acceptance. He also held charges in Chesley, Watford, Ridgetown, and Grimsby before coming to Nanaimo, B.C. During his two and a half years in Nanaimo he endeared himself to his congregation, and took an active interest in city welfare. He was Assistant Padre in the Canadian Legion. The Presbytery of Victoria elected him as Moderator in February, 1949, serving until February, 1950.

The funeral service was held in St. Andrew's Church, Nanaimo, under the auspices of the Presbytery of Victoria. Rev. E. G. Thompson, Moderator, presided, assisted by Dr. C. M. Kerr, Rev. Frank Conkey, and Rev. J. L. W. McLean. Interment took place at Nanaimo Cemetery, Veterans of the Legion taking part at the grave.

To his wife and daughters, the Presbytery extends deepest sympathy and commends them to the upholding comfort of the Heavenly Father's love.

REV. HECTOR N. MACLEAN, Ph.D.

The Rev. Hector N. MacLean was born in the Isle of Skye, Scotland, and came to Canada in 1892. In 1898 he received his Testamur from Manitoba College. He served as student missionary on the prairies, and held pastorates in the Western Provinces, also in Ontario and Quebec.

In 1913 he was invited to St. Paul's, Victoria. While there he was honoured with the Chaplaincy of the Naval and Military Forces at Esquimaux. During his ministry he was honoured with the following degrees from American Institutions viz.: Ph.D., S.T.D. For seven years he travelled throughout Canada as an Assembly Evangelist. He also spent five years in New Zealand in pastoral work. Dr. MacLean was a well known Gaelic scholar and frequently preached in the Celtic language. He was a devout Christian and had an unwavering faith in the goodness and mercy of God. His sermons were evangelical, and he always had in mind the man in the pew. Believing also that Christ's ambassador should proclaim the truth by his deeds he put his faith into practice in the discharge of his pastoral duties. He was supported by a helpful partner who took a deep interest in his work.

Our esteemed brother crossed the Great Divide peacefully on Friday morning, January 20th, 1950, and in company with his spiritual Leader climbed the Great White Way to the House of Many Mansions.

"I believe," declared Professor John Fiske, "in the existence of another life as a necessary supplement of this, in order to adjust life's inequalities and imbue it with moral significance."

"Thou wilt not leave us in the dust;
Thou madest man, he knows not why;
He thinks he was not made to die;
And thou hast made him: thou art just."

What we call death, the King of Terrors, disappears and vanishes in the presence of the Easter Christ. "And they shall see His face; and His name shall be in their foreheads; and they shall reign forever and ever."

The memorial service was in charge of the Rev. J. Evans with the Rev. J. R. Frizell and the Rev. Dr. McLean-Bell assisting.

Members of the Presbytery desire to assure the widow and the inner circle that they have the sympathy of the brethren and pray that our heavenly Father may bring them spiritual comfort until that day when they shall meet and greet each other on the shimmering shores of heaven's untroubled sea.

REV. DAVID LISTER, Th.D.

Rev. David Lister was born in Fifeshire, Scotland. His early education was received in Edinburgh. For a while he conducted a business as a druggist and chemist during which period he was always interested in Church work, being a member of Session where he worshipped.

Several years ago he came to Canada and made his home for a time in the Okanagan. Later he entered Westminster Hall, Vancouver, and after a course in Theology received his Testamur and was licensed and ordained as a minister of our Church. His first pastorate was St. Aidan's, Victoria. During the war of 1914 and following he enlisted as a private and served in His Majesty's forces. When peace was declared he was discharged as a sergeant. Shortly after he was called to St. Andrew's Church, Nanaimo. While there he took an active interest in the Union issue. In 1926 he was invited to the pastorate of Kerrisdale Church where he remained until retirement.

During the latter part of his ministry he held the following offices: viz:—

Moderator of the Synod of British Columbia; Moderator of the Presbytery; Clerk of Presbytery. While ministering at Kerrisdale he took an extra mural course in Theology and was honoured with the degree of B.D., and Th.D., by a United States Theological Seminary.

As an expounder of God's Word Dr. Lister's sermons were logical and practical, his pastoral work was faithfully discharged and with a profound sense of duty. He was a man of strong convictions who never hesitated to express in private and public what he believed to be the truth. He relied emphatically on the inspired Word as contained between the covers of the Book of Books. He believed that the Giver of all Good Gifts gave Christ to salvage wrecks and bring men and women in out of the darkness and the storm. Standing at the gate of man's soul he proclaimed the glad tidings of God's redeeming grace with zeal and fervour. When we listen to the voice from the unseen and obey then the hidden shrines of our being become melodious with spiritual harmonies. Only then is religion worth while.

Dr. Lister was supported by a capable and efficient partner who always took a deep interest in every phase of the work.

On Monday, September 19th, 1949, in the stillness of the night he heard the whisper from the other shore and with his hand fixed firmly, as it always was, in the hand of his Spiritual Leader, together they crossed the great divide and entered God's City of Rest.

The memorial address was delivered by the Rev. John McTurk with brother ministers taking part in the service.

Members of the Presbytery extend to the widow and family circle their sympathy and pray that God's presence may fill the gulf left by the absence of a loved one until that day when they shall meet and greet each other in the morning land of glory.

"My own dim life should teach me this,
That life shall live for evermore,
Else earth is darkness at the core,
And dust and ashes all that is;"

REV. PETER FISHER

Rev. Peter Fisher was born at Rothsa, in the Isle of Bute, Scotland, December 29, 1861. At an early age he moved with his family to Glasgow where he received his early education. In his teens the call of the sea sounded in his ears. He went to Newfoundland and for a number of years sailed the Atlantic in a windjammer. Later he was a book-keeper in St. John's, Newfoundland. It was here that he heard the greater call to become a minister of the Gospel. He was one of the young men who met the challenge of the West flung down by Dr. James Robertson. Graduating from Manitoba College he was ordained at Bois-sevain in 1892 and in the same year married Miss Susie Hall who lived for only three years after their marriage. In 1903 he married Miss Catherine Calder who died in 1929. Besides Boissevain, he held pastorates in Deloraine, Davidson, Innisfail, North Battleford, Toronto (now Westminster Church), Morden and Winnipeg. In 1938 ill-health forced him to retire to Olds, Alberta, but the need of ministers made acute by war conditions brought him from retirement to serve in Strathcona, in Banff and in Pleasant Heights, Calgary. Eighty-five years old he once more retired to live with his daughter, Mrs. John Ross (Margaret) at Olds, with whom he resided until his death on August 11, 1948. Besides Mrs. Ross there were two other children—a son, Harold, who died while they lived in Davidson and Miss Ann at present living in Toronto.

Mr. Fisher was one of those great souls who grace the ministry of our Church. Kindly in his outlook on others he proved a true friend to many a young minister. All over Canada there are ministers who mention his name with reverence. Truly he was a man who served with an eye single to the glory of his Lord.
